City of Chattanooga

Mayor Andy Berke

I. Mayor Berke's Budget Message

Dear Friends,

Our city has been tested in ways that I could not have imagined even a few months ago.

We entered 2020 with one of the strongest economies in the country. Right now, the coronavirus pandemic has driven thousands of people into unemployment and many businesses are struggling to hang on. Some of the city's strongest neighborhoods have been leveled by a tornado that ripped them apart in the middle of the night on Easter weekend.

The true spirit of Chattanooga, however, is not hiding in the storm. The true spirit of our people is in how they come together, pick up the pieces, and ask: *what can we do now?*

That's what real resilience is all about. Crises that would cripple other cities cannot break Chattanooga. We've beaten long odds before and always find a way to rebuild better. Through it all, city government keeps working to make your lives as safe, healthy, and prosperous as possible. This moment is no different.

As we prepared our Fiscal Year 2021 Budget, we were anchored by our administration's core principles: helping the most vulnerable people in our community while delivering results in the areas that matter most to you: making our neighborhoods strong, educating our kids, keeping our streets safe, growing our economy, and ensuring that your government is efficient and effective.

I'm proud to say that our FY21 budget achieves that. This budget maintains all of our services with no layoffs or reductions in salaries. While a shortfall in revenues will constrain our ability to move forward on some capital projects, we will still make long-term investments in our infrastructure and facilities. We are working closely with state and federal governments to capture every possible aid and relief dollar we need to rebuild our city from the ground-up.

Most importantly, we are still looking to the future. Our continued investment in helping Chattanoogaans experiencing homelessness will change the lives of hundreds of families this year. Working with EPB to establish a sustainable “microgrid” for our public safety operations will allow us to respond to emergencies in spite of any future catastrophic weather events. Our partnerships with the Tivoli Foundation, the Creative Discovery Museum, and the Chattanooga Zoo will rejuvenate these family-friendly jewels for generations to come. A new vision for the Westside will preserve affordability and community in this historic riverfront neighborhood.

The months ahead will be tough, but the values that hold us together are tougher. Our FY21 budget is a responsible guide to managing the resources we have, so that the city we rebuild together can weather the next storms and emerge even stronger.

Mayor Andy Berke

Sincerely,

A handwritten signature in black ink that reads "Andy Berke". The signature is written in a cursive, slightly slanted style.

Mayor Andy Berke

Mission: To break down the barriers that prevent people from living the lives they want in our community.

Vision: We will be a city that empowers Chattanoogaans to build an equitable, authentic, and inclusive community through prosperity and a high quality of life.

II. Summary

The Fiscal Year 2021 budget is about **responsibility, resilience, and results.**

This budget represents an \$8.4 million reduction in revenues compared to last year's budget. This is a sobering, realistic assessment of how all of our usual sources of funding, especially local option sales tax, have been deeply impaired by the coronavirus and tornado crises. Despite these challenges, **this budget does not call for a property tax increase, layoffs, or salary cuts.**

When our country does begin to emerge from the current economic crisis, cities that have the strongest quality of life and are most ready to do business will be the most competitive. Therefore, we are not cutting any core services and we will continue to make significant investments in supporting small businesses, ending homelessness, creating affordable housing, and long-term planning for growth.

It is important to note that before the twin crises of coronavirus and the tornado, **the City of Chattanooga was in excellent fiscal health** thanks to Mayor Berke's leadership and the shrewd oversight of the Chattanooga City Council. Our reserves are healthy and our credit rating is excellent. Every available indicator, from employment rates to population growth to property values to job creation, proves that our economy was among the strongest in the entire country when the coronavirus pandemic hit. The East Brainerd tornado disaster presented extraordinary challenges to city government, including additional strains on our finances. Even so, the difficulties presented by the coronavirus crisis are not unique to Chattanooga.

As of the beginning May 2020, more than a decade's worth of new jobs have been wiped out. More than 33.5 million Americans have filed initial unemployment claims. Tennessee's unemployment rate is now approximately 15% -- higher than the prior statewide peak of 10.4% at the height of the Great Recession.

Chattanooga's history is about overcoming impossible odds and bouncing back from tragedy. The next chapter of our story will reflect this strength, but city government must make sure we position the city for long-term success. That is why continuing to make quality-of-life investments that allow us to emerge from this crisis in the most competitive way possible is critical.

To that end, all core city services are being maintained at the current levels. There will be no layoffs or reductions in salary for city personnel. "Longevity" bonuses for employees who have worked for at least five years will be granted this year. The city is also providing an additional \$3 million for increased cost of medical and pensions trust funds.

Long-term strategic partnerships to support the rehabilitation and expansion of the Tivoli Theater, the Creative Discovery Museum, and the Chattanooga Zoo, as well as visionary new planning efforts for the Westside, will be supported. Our paving budget is \$8,422,907 and includes the largest-ever commitment of local dollars to paving our streets and roads.

However, the FY21 Budget also confronts the realities of our current fiscal environment. Salaries for all city personnel are being frozen at their FY20 rates. This includes a one-year postponement of "career ladder" increases for sworn personnel of the Chattanooga Police Department and Chattanooga Fire Department. A hiring freeze has been in place since mid-March. Some nonprofit agencies that have traditionally been strong partners of the administration will see reductions in their appropriations.

The administration had intentions of beginning to implement some recommendations from the compensation study which we had completed in early 2020. At this point, unfortunately, we simply do not have the resources to make the recommended salary adjustments that are called for in this study. We fully understand the urgent need to establish a \$15 minimum hourly wage for all non-sworn city employees and are hopeful that these adjustments can be made when the funds are available.

Each of these decisions has been guided by our mission of breaking down barriers that allow people to live the lives they want in our city -- a statement of purpose that is more important now than ever before. The Berke administration has used a set of core "results areas" to guide its budget process for the last seven years: **growing economy, high-performing government, safer streets, smarter students, and stronger neighborhoods.**

In spite of the extraordinary challenges we face, the FY21 Budget makes meaningful progress in each area, all of which are focused on improving the lives of Chattanoogaans.

Growing Economy

A. Results Area Summary

The Growing Economy results area focuses on sustaining our current economic growth while making strategic investments in the products, places, and people that will build a more vibrant, diverse, and resilient economy. Offers to this results area support infrastructure, create housing options and desirable jobs, and provide services that unlock opportunities for future growth and prosperity in all of Chattanooga's neighborhoods

B. Offers Funded

AIM Center Supported Employment

FY21 Funded: \$63,700

FY20 Funded: \$55,000

In FY2021 AIM Center aspires to increase employment rates for Chattanoogaans diagnosed with mental illness. Research shows that adults with mental illness who utilize Supported Employment (SE) services experience greater success securing and maintaining employment, thus improving quality of life. AIM Center implements two evidence-based SE models and has witnessed that employed members have fewer hospitalizations and incarcerations, feel empowered, and experience increased self-confidence.

AIM Center will increase the number of employed Chattanoogaans through expanding the SE employer base as well as increasing awareness and utilization of SE services among previously unreached populations. Over FY2021 AIM Center will expand its network of employers by hosting quarterly Employer Fairs and through routine participation in the Chattanooga Area Employment Consortium. Furthermore, AIM Center will continue to invest in its employment program through staff and member training, twice monthly 'Employment Dinners' for members who are employed or are interested in employment, and wrap-around support services including prevocational training and supported education opportunities.

Continued support from the City of Chattanooga will increase successful employment as well as stability in members' lives as they learn to successfully manage their mental illness. This collaboration will result in multiple levels of return on investment for Chattanooga: an increased tax-base, increased disposable income, a larger cadre of skilled and entry-level employees for local businesses, and decreased mental health-related hospitalizations and incarcerations.

Air Quality Services (Chattanooga-Hamilton County Air Pollution Control Bureau)

FY21 Funded: \$270,820

FY20 Funded: \$270,820

The Bureau offers services that will ensure compliance with the Air Pollution Control Ordinance (Chattanooga City Code) to achieve and maintain levels of air quality which will protect human health and safety. By doing this, conditions will remain favorable for continuing economic growth in the City while providing an environment conducive to quality of life activities. This, in turn, will better position the City and its stakeholders to achieve the desired outcomes for "A Growing Economy." We will: Provide support for economic development activities with existing/new businesses; Provide expedited permitting to accommodate those businesses, including VW's expansion to produce electric SUV's in Chattanooga; Issue permits to industrial/commercial sources of air pollution in an expeditious manner; Respond to citizen complaints; Assist the City in improving blighted properties by determining asbestos regulatory requirements; Strive to assure that legal requirements are being met; Conduct inspections of permitted facilities; Initiate enforcement proceedings for violations; and Provide air monitoring service. The Bureau is the sole entity designated to carry out these responsibilities and is subject to oversight by both the Tennessee Air Pollution Control Board and the U.S. EPA, with which the Bureau has an annual work-plan with specific goals and objectives based on EPA national and regional priorities.

Build it Green - Construction Workforce Development Program (Green|Spaces)

FY21 Funded: \$10,000

FY20 Funded: \$10,000

According to the National Homebuilders Association, there are 800,000 fewer workers in the homebuilding industry now compared to in 2006 prior to the recession. With construction on the rise, there are jobs open especially in the subcontractor areas. Additionally, in the state of Tennessee, the average age of a construction worker is 41 with data showing there continues to be a lack of people entering the field creating a shortage of skilled labor. For every five individuals retiring from the industry, there is only one person replacing them.

In 2018, green|spaces launched a workforce development program in partnership with Build Me a World for at risk young adults preparing them for construction and energy services industry jobs. Build it Green aka BIG is a 12 week program where the trainees learn soft skills needed to become a productive employee along with learning weatherization, basic carpentry and home renovation skills. They are provided a small stipend with money management courses, hear from guest speakers from the community, construction and energy fields and perform community building projects like canvassing and teaching the energy savings classes. From our three past rounds, we graduated 38 individuals with 80% placement and retention in employment. We see this as a huge success when comparing our program to other workforce development programs that typically have graduation and retention rates in the 20% - 40%.

Over the 2020/2021 year, we will continue with 3 more rounds with the goal of 14 individuals per round.

Building a Stronger Community through the Arts (ArtsBuild)

FY21 Funded: \$225,000

FY20 Funded: \$225,000

ArtsBuild's mission is to build a stronger community through the arts. We do this by generating resources to invest in Chattanooga's arts and cultural assets; facilitating access to arts opportunities for people of all ages and backgrounds; cultivating creativity to enhance academic and personal growth; using the arts to strengthen the economic environment; and advocating for the role the arts play in our lives and in our community. ArtsBuild provides valuable operating support to twenty diverse arts organizations as well as financial support for dozens of local arts performances, programs, projects, festivals, and collaborations each year.

ArtsBuild coordinates Chattanooga's annual July 3rd Pops on the River event in Coolidge Park. We support academic achievement through the integration of arts in education, and strive to ensure that everyone in Chattanooga, regardless of economic ability, has access to arts and cultural programs. We aim to make Chattanooga a vibrant place to live, work, and visit by nurturing our arts community. With the City of Chattanooga's partnership, we continue to serve as the City's official arts agency, as designated by ordinance 9365 in May 1990.

Carter Street Corporation Operating Support (Carter Street Corporation)

FY21 Funded: \$200,000 (Economic Development Fund)

FY20 Funded: \$200,000 (Economic Development Fund)

The Convention Center offers the City's only large-capacity venue for national, regional, and state conventions and events, enabling the City to attract out of town visitors and increase economic growth across multiple sectors of the city. With 100,000 square feet of column-free exhibit space, 21 meeting rooms, and 19,000 square feet of divisible ballroom space on one level, the Convention Center combines incomparable service, modern amenities and a prime location to make events unforgettable. Each year, the facility attracts more than 65,000 out-of-town delegates, 35-40 large conventions and trade shows, and 360-400 local events that have a combined direct economic impact of \$35-40 million through visitor spending in hotels, restaurants, and local retail.

Our goal is to remain a first-class convention destination, bringing in diverse, out-of-town convention delegates to increase economic investment in Chattanooga and Hamilton County and ensure optimal retail and hospitality employment rates.

CDOT: Administration (Transportation Department)

FY21 Funded: \$296,961

FY20 Funded: \$605,976

CDOT Administration is responsible for implementing the department's mission: to make safe, efficient transportation viable for all users & pedestrians, cyclists, drivers and transit riders while enhancing multi-use public spaces. The transportation system is at the center of what makes Chattanooga successful, and CDOT Administration ensures we are planning, building, maintaining, and managing that system efficiently and effectively for all people.

CDOT: Complete Streets (Transportation Department)

FY21 Funded: \$1,331,847

FY20 Funded: \$1,081,596

The Complete Streets division plans, designs, and implements CDOT's capital program and ensures Chattanooga's streets are safe, efficient, and great places. They do so through the implementation of new multimodal transportation projects, updating City standards, and ensuring private development builds a safe, accessible, connected public realm. The Complete Streets division provides confidence that the department's capital program identifies the most impactful projects for the funds allocated. They also ensure that the City's standards and specifications are current and practical as well as aspirational to shape private development to benefit all users of the transportation system.

Chattanooga Alliance for Diverse Business Enterprise (Urban League)

FY21 Funded: \$100,000

FY20 Funded: \$100,000

The Chattanooga Alliance for Diverse Business Enterprise is a multi-agency effort focused on supporting the development, growth, and success of minority, women, and veteran owned businesses in Chattanooga. The Urban League and LAUNCH work with several strategic partners who support business development in the city through referrals, events, and training activities, including the TSBDC, the Chamber's INCubator, Co.Lab, Edney Innovation Center, the Mayor's Minority Business Council, Tennessee Minority Supplier Development Council, Tennessee Valley Federal Credit Union and Kiva Chattanooga, among others.

The Alliance offers a significant return on investment for Chattanooga, directly impacting over 390 individuals during fiscal year 2021, which includes at least 70 new jobs; 70 new or expanded businesses; and more than 250 individuals participating in business training classes, business plan development, business counseling, business incubation, and loan structuring and packaging support. In FY 2021, the Urban League will continue to expand its loan packaging and funding guidance support for local businesses through Kiva and other lending programs. The Urban League will also offer the Co.Starters program and one-on-one business counseling

to expand the impact of its entrepreneurial work. Citizens will have access to affordable entrepreneurial training programs and continued support from the Alliance partners.

Chattanooga Climbs (Chattanooga Chamber Foundation)

FY21 Funded: \$450,000 (Economic Development Fund)

FY20 Funded: \$450,000 (Economic Development Fund)

The Chamber's previous job creation strategy, Chattanooga CAN DO, focused on recruiting new business, retaining existing businesses, supporting startups and building a strong workforce. From 2003 through November 2019, the Chamber's cumulative successes have resulted in 168 economic development projects directly assisted by the Chamber team, creating almost 25,000 new jobs, with a combined capital investment of almost \$5 billion. The Chattanooga Chamber Foundation recently announced Chattanooga Climbs, a 5-year plan to advance economic and talent development that grew out of the community-wide visioning of Velocity2040.

The four key strategies of Chattanooga Climbs include: We will become future ready. This means ensuring all our residents gain the skills for productive careers and a high quality of life, including what are known as new economy skills; We will create economic mobility for all to ensure that every resident thrives. That means empowering residents to seek high-quality jobs, jobs that are accessible to all; We will lead Gig City wins. This means we will encourage accelerated entrepreneurial momentum to drive economic growth through startups and small businesses; We will create an inclusive economy, led by collaborative leaders. The plan includes expanding open conversations within our community to encourage civic engagement opportunities among all residents.

Chattanooga Design Studio

FY21 Funded: \$200,000

FY20 Funded: \$100,000

CDS is an independent nonprofit urban design resource for Chattanooga. We see our role as multidimensional: to educate the public on issues concerning urban design, offer design and research services to private and public entities, and provide programs for the professional design community. Everything built within our communities resulted because of planning and design. Today, cities across the country are finding that when communities focus on efforts that reinforce public life, they can address the large banner issues that communities worldwide are concerned about. We now know that the design of the physical form of our communities has a direct correlation to our physical and mental well-being. We also know that the process by which improvements are designed need to be more inclusive and reach a diverse background of voices.

In every endeavor CDS is guided by our belief that excellent urban design is accomplished through public education and an inclusive approach to planning and design. Our collaborative approach brings together developers, community groups, design professionals, politicians and

regulators to discuss the public realm. Engaging these various groups ensures that the work we produce is an organizational framework for growing the economy, helps provide safer streets and supports efforts to provide stronger neighborhoods. We're proficient in getting the conversation started and maintaining critical collaboration on public and private projects. As an organization which educates and advocates for quality interaction of the public and private realms, our work aims to improve the quality of life for all. This means our work has a focus on human qualities of Chattanooga that seek to find improvement of material well being; physical well-being; interpersonal relationships; emotional and personal development.

Chattanooga Marketing and Industrial Services (Chattanooga Chamber Foundation)

FY21 Funded: \$75,000 (Economic Development Fund)

FY20 Funded: \$75,000 (Economic Development Fund)

The Chattanooga Chamber is intensively focused on marketing Chattanooga regionally, nationally and internationally as a desirable environment to launch, locate, relocate and grow businesses in a wide variety of economic sectors. Intentional efforts to diversify our industry sectors rather than relying on organic growth provides improved business stability that protects Chattanooga's economy during the inevitable times of cyclical economic downturns.

Chattanooga's citizens directly benefit from our efforts through resulting job creation, improved earning opportunities, training and retraining availability, as well as increased capital investments in business and industrial property that drives increased commercial tax payments to support city services. The Chamber, in partnership with the City of Chattanooga, leverages our extensive national and international media contacts to secure introductions and interviews that translate directly into earned media coverage of Chattanooga as a premier location for talent acquisition, business startups, innovation, advanced manufacturing and technology development.

In addition, the Chamber provides critical support services to the City in working with development prospects to recruit projects, handle information requests, track progress toward goals, provide reports to the City Council and manage the Foreign Trade Zone.

Civic Facilities (Public Works Department)

FY21 Funded: \$500,000

FY20 Funded: \$500,000

City of Chattanooga annual appropriation for the support of the operations of the Tivoli Theater, Memorial Auditorium and the Robert Kirk Walker Community Theater as provided by the Lease and Operating Agreement.

ECD Economic Development

FY21 Funded: \$476,553

FY20 Funded: \$626,644

This offer funds the Department of Economic Development operations, including the positions of Deputy Administrator of Economic Development; Director of Economic Programs; Director of Workforce Development; Economic Development Administrative Specialist; and Brownfield Coordinator. The Deputy Administrator of the Department of Economic Development creates the strategy, funding, and legislative environment conducive for economic growth throughout Chattanooga. The Department achieves this goal by new business starts; new companies attractions; and creating a city where our citizens can overcome barriers and gain needed skills and education. In addition, the department oversees legislation, incentives, and redevelopment programs to foster higher wage growth, job growth, and small business expansions. The Director of Economic Programs implements seven City economic development programs and is the community-facing contact for small businesses and startups seeking assistance.

The Director of Workforce Development provides leadership, management, facilitates, convenes, and monitors all aspects of the Office of Workforce Development's mission as envisioned by Mayor Andy Berke and his administration. The Director also completes other duties as needed to achieve administrative and organizational success. The Brownfield Coordinator works with state and federal departments to return environmentally challenged properties back into productive use. Manages environmental grants awarded to the City.

The Economic Development Administrative Specialist supports economic development and real property. Real Property: maintains Sequel Database, creates files and pulls all tax information for City owned property, files mandatory referrals for surplus and back tax property. Economic Development: Tracking & data entry in CAN, special events planning and setup, research, marketing and design for presentation material.

Growing Forward (Regional Planning Agency)

FY21 Funded: \$2,003,663

FY20 Funded: \$2,003,663

The Chattanooga-Hamilton County Regional Planning Agency's Growing Forward budget request covers the staffing and work program costs for the Regional Planning Agency (RPA) to fulfill its mandated responsibilities and to provide the core services which include community/land use planning, transportation planning and zoning/subdivision review. The RPA serves as staff to both the Chattanooga-Hamilton County Regional Planning Commission and the Chattanooga-Hamilton County/North Georgia Transportation Planning Organization (TPO) Board. For the Planning Commission, RPA is charged with administering rezoning requests and subdivision applications, updating the zoning and subdivision regulations, and maintaining the official zoning map. For the TPO, RPA manages the federally-mandated ongoing transportation

planning activities (Regional Transportation Plan, Transportation Improvement Program, Transportation Grant program coordination, modeling/data analysis). At least 70% of staff resources are consumed by fulfilling these mandatory ongoing responsibilities.

During FY 2020-21, RPA will focus on the following programmatic initiatives: 1) completing at least two area plans in the City of Chattanooga; 2) updating the Chattanooga zoning ordinance following the consultant assessment (expected to include new zoning options for urban housing infill); 3) preparing for and participating in the federal planning Certification Review for the TPO; and 4) beginning development of the 2050 Regional Transportation Plan.

For the upcoming fiscal year, RPA is requesting \$2,003,663 (which is the same amount received from the City last year for this offer). RPA will be using a portion of its fund balance to fully fund the agency's budget. This offer does not increase RPA's number of funded positions.

IMPACT1! Workforce Development (Bethlehem Center)

FY21 Funded: \$63,700

NEW OFFER

Chattanooga residents who are challenged by background issues or lack of education or experience are still finding it difficult to take advantage of the booming Chattanooga economy. The Impact1! Workforce Development program is a way for these individuals to initiate a career and/or enhance their career options. Coupled with our training and development piece, participants will engage in work projects where they learn more skills and earn income. The basic plan is to engage an average of 4 participants per week in light construction work for an average of 20 hours per week each, and pay them \$15.00 hour (total \$ annually to trainees = \$60,000). In the meantime, our experience has shown that exposure to opportunities at that level leads to expanded opportunities in construction and other fields.

In the past 6 years we've seen participants go from basic construction skills to very advanced skills. Many have worked on multiple Impact1! projects over a number of years. Some have developed side businesses, and at least one has developed his own full-time business. Two participants have become team leaders over Impact1! projects and a third participant is being developed as a team leader at this time. Further, we partner with Green/Spaces and Hamilton Co Schools to develop increasingly larger and more diverse groups of individuals. The budget for this proposal will provide partial income for team leaders as well as part-time income for participants.

IRONMAN (Convention and Visitors Bureau)

FY21 Funded: \$80,000

FY20 Funded: \$100,000

The IRONMAN initiative, brought to Chattanooga in 2014, is an example of how success and growth of the sports tourism economy happens only through community collaboration and

investment. The following documentation best represents a special initiative that has an estimated annual economic impact of over \$14 million on our local economy. This impact is growing the economy by creating local entrepreneur opportunities, growing municipal sales & occupancy tax collections and increasing opportunity for capital investments within the overall hospitality industry in Chattanooga.

IRONMAN brand association helps also grow our marketing brand as one of the best outdoor destinations in the world. In 2017, Chattanooga became the only city in the world to ever host a 70.3 IRONMAN, 70.3 IRONMAN Female World Championship, 70.3 IRONMAN Male World Championship and then two weeks later host a full distance (140.6 miles) IRONMAN Chattanooga.

Make Chattanooga the Most Inclusive City in America (Orange Grove Center)

FY21 Funded: \$106,000

FY20 Funded: \$106,000

In Year 3 of this project, we will continue to build on the successes of each of the past two years in making Chattanooga the Most Inclusive City in America through volunteer and employment opportunities in all 17 of the City government departments. The third year will be to maintain the gains we expect to have made through June, 2020, work to finish creating volunteer positions in all 17 City government departments, and expand our focus to create and add volunteer experiences for an additional 25 people in our community. At the end of June 2021, we will all boast that 50 people with disabilities were able to learn new skills and provide valuable volunteer and/or paid labor in all 17 of the City departments, and that together we leveraged that momentum to add 25 new volunteer positions at sites and in organizations in our community.

Funding the project has and will continue to demonstrate the City's commitment to break[ing] down the barriers that prevent people from living the life they want in our community. The project further evidences the City's serious efforts to make true their vision of being a city that empowers Chattanoogans to build an equitable, authentic, and inclusive community through prosperity and a high quality of life. By funding this project for one more year, we will together build more momentum to propel greater numbers of people with disabilities into more inclusive and diverse volunteer and job settings across our great community.

Reaching Beyond Today (THRIVE)

FY21 Funded: \$80,000 (Economic Development Fund)

FY20 Funded: \$100,000 (Economic Development Fund)

Thrive Regional Partnership, Inc. (Thrive), an independent 501(c)(3) nonprofit corporation, was formed to champion the 40-year regional vision and action plan set forth during the Thrive 2055 planning process for the Chattanooga region. Thrive's mission is to ignite and sustain responsible and inspired growth in the tri-state, 16-county Chattanooga region for the next four decades. Through communication, collaboration, analytics and innovation, Thrive seeks to

optimize community enhancement and economic growth opportunities while protecting the natural treasures and landscapes that define this special place.

Thrive builds upon the momentum generated by Thrive 2055 to preserve and enhance the region's quality of life and build on the region's economic growth to further the 40-year regional vision of, 'educated people with good jobs living in a great place.'

With a growing urban, rural, and suburban Chattanooga region, transformative solutions require diverse perspectives to ensure no community is left behind. Thrive serves as a mechanism to convene leaders that reflect the diverse interests of the region, organized around issues and challenges facing asset-based economic development, regional transportation, education and a skilled workforce, and the protection of our treasured natural environment. In order to take action on common goals, Thrive empowers leaders to make responsible, inspired growth decisions that protect natural and cultural assets, maintain and accentuate the Chattanooga resident's quality of life, and ignite vibrancy and economic prosperity in Chattanooga and throughout the region.

Signal Centers Adult Services

FY21 Funded: \$35,000

FY20 Funded: \$35,000

Research shows that adults who are aging and/or have disabilities often struggle to connect with others in their community due to various barriers including: access to transportation, costs associated with social events, limited mobility, and mental health challenges. With our assistance, those with disabilities and/or aging citizens will have access to safe, meaningful social interaction on our campus on an ongoing basis.

We provide adult day services to adults who are aging and/or have disabilities. This allows family caregivers to work and have respite. Participants are served in a cost-effective, nurturing environment appropriate for their needs.

Additionally, we are proposing new programming designed to promote and foster healthy independent living, enhance quality of life, and build a sense of belonging and community among older adults who are downtown Chattanooga Housing Authority (CHA) residents. City funding would include scholarships to seniors living in CHA housing. We recognize transportation is one of the chief barriers for many of these residents and have acquired an informal agreement with CARTA to provide transportation at cost to those who wish to attend. The Signal Centers Assistive Technology Services program will address technology needs. Attendees will engage with peers while: learning how to use technology, taking part in age-appropriate physical activities, having lunch, viewing films, creating art, and playing games. This new programming will initially be held once per month with increased frequency as the need presents.

Styles L. Hutchins Fellowship (Mayor's Office)

FY21 Funded: \$1,000

NEW OFFER

The Styles L. Hutchins Fellows are working to create a plan that will elevate Chattanooga as a city where diverse talent can create a prosperous future after college and thrive as a professional. This highly competitive fellowship provides community benefit but also helps elevate fellows in community leadership and provide access to networking and learning opportunities. While educational attainment has historically had the power to unlock workers' potential for better job opportunities and higher pay, we believe that in order to recruit and retain educated young black talent, our community must do even more to level the playing field for upward economic mobility and prosperity of blacks in Chattanooga. Fostering both diversity and inclusion will ensure that we build a strong and vibrant workforce citywide and will inspire the next generation of students to start their careers in Chattanooga post college graduation.

To achieve this goal, the City of Chattanooga along with its partners, the Urban League of Greater Chattanooga and Chattanooga Area Chamber of Commerce host four Fellows each semester for a high-caliber research and outcomes based project to identify and implement strategies to help attract, recruit, and retain early career black talent in Chattanooga. The Fellowship supports career development of each fellow through mentorship, networking, and travel opportunities for learning. The Fellowship is directed by two Mayor's Office staff people and an Advisory Board of 24 community members. The funding request is for blazers, backpacks, and notebooks for the Fellows, and food for Advisory Board meetings and the final Styles L. Fellowship presentation.

TEC Innovation District-Center (The Enterprise Center)

FY21 Funded: \$987,500 (Economic Development Fund)

FY20 Funded: \$1,002,500 (Economic Development Fund)

The Enterprise Center will continue to unite people, organizations, and technology to build an advanced and inclusive future for our community, with a focus on equity, collaboration, economic mobility, and Smart City innovation.

1. Innovation District - Focusing on implementation of the Innovation District Framework Plan, we continue work on public realm improvement, innovation economy support, and people and programming. We are expanding outreach to those typically underserved/uninformed regarding resources and opportunities - including opportunities such as the Cybersecurity Competition, Bingo's Market, and the Patten Porch project. Finally, TEC will create a working group of local/national partners to explore the creation of a signature national event, resulting in opportunities for participants to learn about the opportunities in Chattanooga and to bring ideas/solutions to Chattanooga.

2. Research and Application Development - The Chattanooga Smart Community Collaborative (CSCC) was formed in 2018 with representation from City and County Governments, EPB,

UTC, TEC, Co.Lab, and Erlanger. CSCC cultivates an ecosystem of academia, industry, and community that apply innovative solutions to urban challenges in Chattanooga. As a part of this work, the CSCC has developed a Smart City testbed along ML King Blvd, utilizing a wide array of sensors and experimental wireless networks that allow cutting edge research, including innovative and ethical data collection and analysis. Initially focused on health care, transportation, and public safety, the eventual goal includes identifying and building new opportunities that improve quality of life for residents along with the building of new innovations and business opportunities within the city.

Tennessee Riverpark Downtown (Public Works Department)

FY21 Funded: \$3,239,112

FY20 Funded: \$3,139,593

Parks Division maintains the parks and green spaces bordering the Tennessee River in downtown Chattanooga. These areas, collectively known as the Riverparks, provide great leisure opportunities to City residents and visitors. The parks are a hub for tourism, hosting events such as Ironman, Head of the Hooch, MoonRiver, Three Sisters Music Festival, the Riverbend Music Festival, and numerous other outdoor events throughout the year. These public spaces attract large events whose organizers utilize the scenic surroundings as an attraction for outdoor activities.

Riverparks maintenance and operations include routine, highly manicured grounds maintenance, litter collection, facility maintenance, landscaping, carousel operations, and security to over 80 acres encompassing Coolidge Park, Renaissance Park, Walnut Street Bridge, Bluff View including Hunter Museum area, Holmberg Bridge, the Aquarium Plaza, The Passage and adjoining stream features, Ross's Landing, Chattanooga Green, Chattanooga Pier, the marina and docks, and the newest addition to the TN Riverwalk. All parks and facilities on the waterfront are maintained to the appropriate level of service matching the standards set by Parks Administration. CIP is included in the offer. Riverpark system operating costs are split equally between the City and Hamilton County. CIP proposed projects: Carousel building air conditioning, Riverjets flood mitigation, Chattanooga Pier Mast LED light conversion, and maintenance equipment replacement.

Walk-in Program (Chattanooga Goodwill Industries, Inc)

FY21 Funded: \$10,000

FY20 Funded: \$10,000

Chattanooga Goodwill Industries, Inc's Work Training Program would like to partner with the City to offer Core Competency (soft skills training), financial literacy, nutrition, literacy, and digital learning skills to the residents of Chattanooga with an emphasis on services to the Building Stable Lives Neighborhoods as assessed by the United Way. The soft skills training consist of up to ten weeks of on the job training under the supervision of a job coach concentrating on soft skills such as showing up to work on time, working at an appropriate pace,

keeping the work area clean and neat, working as a team member, working with a supervisor etc.

Concurrently, the participant is given The Adult Basic Education Exam (TABE). Those persons not scoring at eighth grade level on reading and comprehension exams will be placed in literacy classes. Participants will also be tested and placed in appropriate digital learning classes if this option is chosen. Participants will also participate in financial literacy and nutrition classes. Participants are paid minimum wage while participating in the training. Paying a wage provides an incentive to stay in the program while giving the participant an income.

When the ten week training is completed, participants will participate in Job Readiness Training where they will learn job interviewing techniques, how to do job searches, and will be assisted in creating their resume. After Job Readiness is completed, they will be assisted in securing employment by a Placement Counselor which results in a higher wage.

YFD Recreation Complexes

FY21 Funded: \$1,607,909

FY20 Funded: \$1,765,311

Youth and Family Development manages and maintains ball fields and tennis courts in communities that provide opportunities for youth, adults, and seniors to participate in sports leagues and recreation programs within walking distance from their homes. YFD uses the power to coach, teach and inspire youth to recognize their potential and challenge them mentally and physically. Youth leagues provide opportunities for parents and caring adults to volunteer as coaches and mentors. Players learn the value of self discipline and improve their ability to avoid and/or resolve conflict.

Youth recognize their peers and coaches as a supportive community. Community and family benefits the 'Smarter Students and Stronger Families' initiatives. These facilities were built with the intent of serving the local community for recreational play and utilize the facilities by bringing in local, state, regional and national tournaments to increase economic impact dollars for local businesses. Tournaments bring both direct and indirect economic activity for Chattanooga; lodging, restaurants, fuel, retail purchasing, and cultural activities. In addition to bringing direct tourism dollars, tournaments serve as gateway experiences to promote Chattanooga and build long term tourism revenues. Other economic considerations include potential for increased notoriety resulting from tournaments to draw new businesses and residents to Chattanooga. Please note that this offer only focuses on the areas that create an economic impact, as measured by the Chamber of Commerce.

High Performing Government

A. Results Area Summary

A high performing government efficiently delivers the services that citizens need and expect in a manner that is fully transparent and accountable. The High Performing Government results area ensures timely and accurate financial reporting, storage and retention of public records, and optimal use of public resources.

B. Offers Funded 311 call

311 Call Center Operations

FY21 Funded: \$684,576

FY20 Funded: \$715,271

The total amount requested for our 2021 Fiscal Year budget is \$773,847.00. This is an increase of \$79,576.00 from our 2020 Fiscal Year budget. This increase amount is less than the two full time Customer Service Representatives we are requesting for 2021. The total cost of two full time Customer Service Representatives is \$108,728.00. There have been several changes in the 311 Call Center. We have seen an increase in call volume and total call time (including talk time and after call work). The call volume continues to increase year after year. We currently do not have the staff needed to operate efficiently. We have seen an increase in a large increase in our general and sewer related call volume. Our general call volume increase comes from more citizens making requests. This is due to on demand pick up for bulk trash, brush pick up and loose leaf pick up. The City of Chattanooga no longer operates a scheduled pick up for any services other than garbage and recycle. The sewer increase comes from handling all sewer related calls to include more detailed information for billing. We also handle all disconnects, reconnects and payment processing. As volume increases with calls and emails each year we will require the staff to meet the demand. The numbers show a growing trend for the need of the 311 call center. As our City continues to grow, the demand for services will continue to increase. We must be able to meet the high demands expected from our citizens.

Chattanooga City Council

FY21 Funded: \$831,784

FY20 Funded: \$839,680

The City Council's FY21 offer will enable it to enact legislation that strives to meet its FY21 goals in regards to public safety, planning and zoning, economic and community development, public works and transportation, youth and family development, human resources, and

budget/finance.

Chattanooga Interagency Council on Homelessness (Signal Centers)

FY21 Funded: \$250,000

NEW OFFER

This offer funds key projects and operations for the Chattanooga Interagency Council on Homelessness (CICH). Key initiatives in FY21 include a new program to expand the number of Chronically Homeless individuals and families that are housed, planning for an emergency shelter, a performance dashboard, and operations of an external backbone organization that will run and manage CICH moving forward.

Chattanooga KIVA (Office of Multicultural Affairs)

FY21 Funded: \$43,000

FY20 Funded: \$43,000

The Office of Multicultural Affairs has contracted with CoLab for year three of Chattanooga Kiva. The funds will support the Kiva Lead, who will be housed at CoLab in FY 2021. Kiva is a crowdfunding platform for entrepreneurs who can use up to \$10,000, 0% interest loan to help take their businesses to the next level. Because Kiva doesn't look at the extensive financial data of the borrower or their business, their process is easier to navigate. Whether a business is in the idea phase, start-up mode, or an established business, Kiva is a great option. To date Chattanooga Kiva has funded twelve local, small (majority minority and women owned) businesses totaling \$56,500. Entrepreneurs can raise money for any business purpose working capital, equipment, inventory, marketing, or project-based investments are all ways businesses can leverage Kiva to grow. Kiva has lent over \$850 million dollars to over 1.5 million entrepreneurs around the world through a global network of over a million lenders.

In FY18 the Office of Multicultural Affairs, Launch Chattanooga, and CoLab partnered to make Chattanooga a Kiva City. Local partners raised between \$250,000 to implement the program and provide a full-time staff person to assist borrowers in applying and to promote the program throughout the city. This BFO request is for \$43,000 to support (salary and benefits) of a Kiva City Project Leader who will continue to promote Kiva crowdfunding locally and help Chattanooga carry out the duties of a Kiva city.

City Attorney's Office Operations

FY21 Funded: \$1,709,716

FY20 Funded: \$1,762,857

This offer helps support the core functions of the Office of the City Attorney (OCA) and includes some costs for professional development and replacement of staff who have left this office in the past year. This offer will reorganize the staff in this office to provide litigation and

transactional attorney positions and leadership positions to assist in high performing operations in the coming year. The OCA is a charter function and works to reduce legal risks and litigation damages for the City. Over the past few years, the OCA has streamlined functions and processes in the areas of municipal litigation, transactions, compliance, claims, and open records by electronic access and retention.

FY 2021 will allow a continuous improvement process for a higher-performing government in OCA by implementing additional efforts to optimize efficiency in handling municipal litigation, transactional, compliance, claims and open records support for citizens and our clients. This office continues to implement contract intake form management and open records request forms that are taught to city employees in all departments. This office will continue to assist in recent new roles providing a records manager and insurance manager for the City while handling ongoing litigation in-house representation to the greatest extent possible to conserve City funds by filling a retired position. A focus on litigation and department support will continue during this fiscal year after the retirement of a key employee so we can provide support for citizens who are increasingly contacting this office on specific municipal questions and handle current cases. For FY21, the Office of the City Attorney is swapping a part-time authorized Receptionist position for a full-time Administrative Support Specialist. This office has benefitted on open records responses and quicker citizen responses to legal assistance by having a part-time loan of a firefighter who is no longer able to continue his previous duties.

City Council Broadcasts, Online, Promotion (WTCL)

FY21 Funded: \$80,000

FY20 Funded: \$75,000

A High-Performing Government is built on transparency. While Chattanooga City Council meetings are open to the public, Chattanooga's citizens are not always able to attend due to scheduling conflicts, physical disability, or transportation issues. WTCL will continue to record weekly City Council meetings and broadcast closed-captioned highlights from those meetings over-the-air, and to make those programs available online with captions as well. Our broadcasts reach approximately 99% of all households in Chattanooga, providing equal access to all citizens. WTCL has also provided a record of the proceedings that the City has relied on to meet the needs of Chattanooga citizens. FY21 funds would enable HD video recording, post-production, captioning, setup and breakdown, online access, and promotion.

City Court Clerk Judicial Support Services (Finance Department)

FY21 Funded: \$1,385,981

FY20 Funded: \$1,460,740

The primary goal of the City Court Clerk and staff is to provide operational support for adjudication of city ordinance violations as required by Tennessee Code. Our mission is to efficiently, accurately and professionally handle and process violations while maintaining

accuracy in our court records. Consistent application of the laws passed by local ordinance ensures a safer community for all citizens.

Steps to achieve this goal:

- 1. Provide customer-oriented quality service,*
- 2. Promote the use of online access to client dockets for court dates and court information,*
- 3. Encourage use of online payment option for customer convenience,*
- 4. Increased automation via the implementation of eCitation (electronic ticketing),*
- 5. Customer surveys for feedback where we can be more transparent and build public confidence in the court system, and,*
- 6. Continue the payment plan process to empower citizens and remove obstacles by providing a payment plan option for all citizens facing financial barriers so they may drive legally, maintain lucrative employment, and take pride as productive citizens of Chattanooga.*

We have celebrated with 220 citizens who have completed the payment plan and paid in full. Removing financial obstacles created a more level playing field for Chattanooga's citizens to celebrate a valid driver's license. Currently, the active payment plans realize estimated annual revenues of over \$180,000. City Court Judge, Division I, also adjudicates environmental and animal violations in a manner that establishes safe, friendly and aesthetically pleasing neighborhoods. The electronic citation program improves accuracy and efficiency in the data entry process.

Comprehensive Internal Audit Services

FY21 Funded: \$721,088

FY20 Funded: \$729,608

Pursuant to Article IV of the City's Charter, the Office of Internal Audit (OIA) conducts audits, special projects and investigations (Hotline), as well as provides staffing support for the City's Audit Committee. OIA also provides technical, reference or research information, as well as digital data recovery services to personnel throughout the City on an informal basis. These services promote transparency and accountability by providing an independent and objective evaluation of the performance of various operations in the City. Various projects/reviews assure governing bodies (Mayor and Council) and the public that the government is managing resources well, complying with laws and regulations, providing services effectively, efficiently, ethically and equitably. Audit findings, survey information and special project reports provide data to support the decision making process. This information promotes the efficient and effective use of resources and prevents/limits fraud, waste and abuse. The internal audit function is itself an internal control that evaluates other internal controls within the City. Although the internal audit function often identifies specific areas for improvement, the most fundamental aspect is the presence of the function in the City. The presence of an active internal audit function encourages high performance by City managers and staff.

DIT Main Operating (Information Technology Department)

FY21 Funded: \$8,231,525

FY20 Funded: \$8,816,213

DIT provides the very foundation for high performing government. Core Department functions include software licensing, hosting, support, hardware management, and digital connectivity infrastructure, emphasizing system availability and customer satisfaction. This budget offer outlines the operating resources necessary to achieve departmental goals, including Operational Excellence, Technological Maturity, Standardization & Reuse, and Sustainability, as well as promoting efficient workflows across all City departments and agencies. Over the past year, DIT took several cost-savings measures. Obsolete services continue to be eliminated, maximizing returns. Digital resources have been consolidated and condensed, streamlining management and ensuring consistent application of functions. For example, during periods of low demand, the implementation of seasonal disconnects has saved the City approximately \$9,000 per year. Also, DIT restructured and consolidated VLAN connections across the City, saving DIT \$10,000, the Chattanooga Fire Department \$17,000, the Chattanooga Police Department \$18,000, Moccasin Bend Wastewater Treatment Facility approximately \$68,000, and the Chattanooga Department of Transportation \$162,000, totaling an estimated \$275,000 in Citywide savings, each year. Coupled with the Data Center Move, saving the City approximately \$830,000, and innovations during project implementation, DIT saved the City approximately \$1,250,000 in FY20, maintaining and improving upon the cost savings realized in FY19. During the same period, we have increased our services, increased network capability, and reliability, and have increased productivity, citywide.

Engineering Management (Public Works Department)

FY21 Funded: \$4,784,871

NEW OFFER

The Engineering Division handles all of the water quality permitting, compliance and enforcement in the City; as well as capital project management, Geographic-Information-Services (GIS), Facility Management, and other non-transportation engineering expertise for all City Departments and to citizens. The Engineering Division will increase in-house project management and inspection staff in order to reduce the amount of capital dollars spent on professional services thus allowing capital planners to better allocate limited capital funds among the ever increasing list of capital needs within the City.

The Facilities Management Section of Engineering is the internal facing support organization providing Facilities Management Services of Energy Management, Building Maintenance, Custodial Services, Security, Mailroom, and Real Property Lease Administration for City supported departments and agencies. Properly managed facilities save on utility costs and allow taxpayer dollars to be spent on other beneficial programs while stewarding environmentally responsible practices to reduce impact on the environment. Well-maintained facilities provide a clean, safe, secure and comfortable work environment for employees, visitors and clients. This

increases job performance and employee satisfaction, reduces the incidents of on-the-job injuries, limits potential liabilities from life safety/code-compliance claims.

Finance Administration

FY21 Funded: \$811,953

FY20 Funded: \$878,551

The primary goal of Finance Administration is to provide excellence in financial management for the City of Chattanooga. A strong fiscal position directly aligns with the City's vision to empower Chattanoogaans to live the life of their choosing by maintenance of a financial infrastructure that ensures the provision of high quality services and sustained economic growth. This offer oversees and supports financial operations of all City departments and agencies including budgeting for outcomes, accounts payable, payroll, accounting and financial reporting, debt management, banking services, cash and investment management, and financial technology as well as assisting the executive and legislative branch develop the City economic development strategy and initiatives.

This goal is accomplished through best practices such as comprehensive policies for cash and investments, debt management, pension funding, internal controls, asset management, etc; continual process improvement to maximize efficiencies, transparency and accountability; determining the proper balance between debt and pay-as-you go capital to minimize the burden on future generations and ensure adequate capital; investment; current technology resources for delivery of financial information and equipping users to make sound financial decisions regarding use of tax dollars; assist in the development and implementation of strategies and initiatives that promote sustainable growth for the City of Chattanooga.

Finance Operations Management & Reporting

FY21 Funded: \$1,691,500

FY20 Funded: \$1,730,591

The primary goal of this offer is to provide timely, accurate financial reporting in accordance with state law and generally accepted accounting principles with ultimate transparency to Chattanooga's citizens and others who invest in our community (such as financing institutions). This offer provides management and oversight of complex decentralized accounts payable, and payroll in compliance with stringent federal requirements. We utilize multiple payment methods (checks, purchase cards, electronic) to facilitate prompt and accurate vendor payments. Proper management is essential to ensuring employees and vendors alike are timely and properly compensated for goods and services provided. This is the right thing to do, and assures the City continues to operate with integrity and efficiency with respect to its obligations.

We prepare an award-winning Comprehensive Annual Financial Report and Popular Annual Financial Report to enhance transparency of the City's fiscal activities. Grants are monitored to ensure grantor and Federal audit requirements are met. Additionally, we develop and monitor

an internal control framework to safeguard city assets and promote fiscal accountability. We will continue to work closely with departments and agencies to refine processes that enable the City to be a leader in service delivery to our Citizens.

Financial Plan Development and Management

FY21 Funded: \$653,067

FY20 Funded: \$653,328

One of the most important functions of any organization is the establishment of a strategic financial plan that is reflective of its short and long-term goals. The primary focus of the Management and Budget Analysis staff is the delivery of quality service to citizens through a sound financial planning and monitoring program for both the operating and capital budgets. We strive to prepare a professional spending plan that exhibits equity, fairness, and objectivity within parameters of a balanced revenue and expenditure stream without bias. The Office produces the annual operating budget framed within a 5-year strategic plan and supports the development of the 5-year capital improvement plan. Revenue trends are analyzed to determine the resources that will be available to support the foundational services and infrastructure plans that serve all Chattanoogaans.

Financial management support is provided to all agencies and departments to ensure proper and optimal use of limited available resources. In recognition of the importance of transparency and citizen participation in the development of the City financial plan, this office assures easy access to financial data via online publications of budgetary information during and after adoption of the budget by the City Council. This office prepares the Comprehensive Annual Budget Report in accordance with the guidelines established by the Government Finance Officers Association. This funding request includes one Director, one Manager and four Analysts along with associated operational costs.

Heritage Hall (Public Works Department)

FY21 Funded: \$79,266

FY20 Funded: \$79,266

Facility Management cost appropriation in support of the Chattanooga African-American Museum (Heritage Hall) in the mission to become the premier interdisciplinary cultural center that promotes cultural, educational, and artistic excellence and fosters research and education of African and African American heritage; and provides a venue that allows the community to celebrate through education, art and entertainment.

Human Resources Operations Budget

FY21 Funded: \$3,104,179

FY20 Funded: \$2,873,589

The Human Resources' proposed budget continues efforts to improve the effectiveness of the City's Human Resources various internal support functions. Over the last year, the department continued to consolidate functions placing the entire City's HR staff under the direction of a single department. For the majority of the year, the department has operated without adequate staffing and the necessary resources to provide strategic approaches that support equitable and inclusive work environments for our employees, external partners and the various communities within the City. The proposed budget includes the resources and changes needed to advance this effort aligning with the Mayor's initiative for a High Performing Government. Proposed staffing additions are: Fiscal Manager; Fiscal Specialist; Compensation/Performance Analyst; Compensation Specialist; Manager, Wellness and Occupational Health; Occupational Health Support Specialist; Equity/Diversity and Inclusion Manager; Equity/Diversity and Inclusion Specialist.

Judicial Operations

FY21 Funded: \$1,073,479

FY20 Funded: \$1,059,075

Chattanooga City Court Judges Sherry Paty (Division I) and Russell Bean (Division II) serve the City of Chattanooga by hearing city ordinance violations which include traffic, environmental issues, animal issues, fire cords, storm water, and zoning as well as other ordinances issued by a City Officer or Inspector. The citations are generally brought by the Chattanooga Police Department, Fire Department, Department of Economic and Community Development and McKamey Animal Service Officers. The goal of the elected Judges are to hear violations and administer justice in a fair, impartial and timely manner.

Mayor's Office Operations

FY21 Funded: \$1,462,377

FY20 Funded: \$1,631,489

The Executive Branch will continue to strive to reach out to the community, engage the citizens of Chattanooga, and provide effective platforms for those citizens to provide feedback. The Mayor and his staff will continue to strive to ensure that every voice is heard, respected, responded to and assisted.

Multicultural Affairs Office Budget

FY21 Funded: \$344,940

FY20 Funded: \$373,242

The City of Chattanooga Office of Multicultural Affairs (OMA) was established in November 2005 by City Ordinance 11767, to cultivate an environment of understanding, respect and equality of rights for the diverse cultural populations of Chattanooga. The Office seeks to encourage understanding and goodwill, promote justice, and work toward eliminating discriminatory practices between and among the citizens of Chattanooga because of race, religion, national origin, age, sex, sexual orientation, disability, or ethnicity.

Since our inception, the mission of our office has greatly expanded to encompass three primary areas; Promoting Justice and Goodwill: Through more than fourteen events/programming encompassing Arts and Culture, we plan/facilitate, Heritage Celebrations, Sister Cities Cultural Exchanges, City Hall Tours, MLK Day of Service and Purchasing Fairs. This work is vital in carrying out our administration's vision of Chattanooga being "A City of Creators". Promoting Equity, Diversity and Inclusion on behalf of the City of Chattanooga: By increasing accessibility in the area of engagement and recruitment within city government to underrepresented groups. Our work with the City of Chattanooga OMA internship program directly correlates to outcomes of increasing diversity within city government. Doing Business with the City: This is an administrative mandate centered on providing engagement, certification and resources for Disadvantaged Business Enterprises that need to compete for business opportunities with the City of Chattanooga. This work in DBE engagement directly relates to our goals to increase the diversity of dollars spent in vendor procurement. After surveying other related departmental services, in an effort not to duplicate roles, and stay competitive in our internship program. I am requesting an increase to our City Internship rate of pay from \$9 per hour to \$12 per hour and (2) FTE positions; an Administrative Assistant and an OMA Coordinator.

Office of Performance Management and Open Data (Finance Department)

FY21 Funded: \$431,431

FY20 Funded: \$436,715

By funding the Office of Performance Management and Open Data (OPMOD) Chattanoogaans will experience better (faster, more effective, more responsive, etc) service delivery. The key outcomes of this offer are as follows: 1) to provide improved citizen-focused service delivery throughout the city, 2) help to create informed and empowered city employees and citizenry and 3) increase transparency and openness. Since these outcomes are so foundational to the work of the city, they should positively impact each and every result area. In order to achieve the above-stated outcomes the Office of Performance Management and Open Data will run citywide performance management, open data, data analytics, and performance/data training programs.

Procurement Services (Purchasing Department)

FY21 Funded: \$960,084

FY20 Funded: \$949,995

This offer seeks funding for operations of the City of Chattanooga Purchasing Division which consists of: 1. CORE PROCUREMENT SERVICES - acquisition of best value goods and services in a timely manner for all City departments. This includes: (1) awareness of the stewardship responsibility to procure efficiently; (2) integrity and transparency of the procurement process; and (3) adherence to Federal law, Tennessee Code Annotated and Chattanooga City Code; 2. PURCHASE CARD PROGRAM - management of this program designed as a cost-effective procurement method for low dollar, authorized purchases. As a bonus, the City receives a rebate; 3. SURPLUS PERSONAL PROPERTY - facilitation of City surplus personal property disposition, including property identification, reallocation and disposal; 4. GRANTS & DISADVANTAGED BUSINESS - enhanced City services by: (1) providing a liaison between the City and external collaborators for grant opportunities; and (2) actively seeking the engagement of disadvantaged businesses. This offer includes funding for one Procurement Attorney (in collaboration with the City Attorney's Office), one Disadvantaged Outreach Specialist (in collaboration with the Office of Multicultural Affairs) and one additional Buyer 1.

Public Works Administration

FY21 Funded: \$292,778

FY20 Funded: \$3,207,265

To serve people with integrity, and improve the infrastructure and environment through excellence. The Administration Division supports a safe and healthy work environment for all Public Works employees by establishing policies, plans, practices, and procedures. The Administration Division monitors and manages the overall budget and department-wide performance. FY21 Changes Include: Engineering division was removed from Administration offer and will be submitted with Facilities Maintenance.

Strategic Capital Planning (Finance Department)

FY21 Funded: \$201,951

FY20 Funded: \$199,498

Strategic Capital Planning produces a 5-year plan for citywide capital improvements that is both fiscally responsible and highly effective for Citizen needs across Chattanooga. This program's primary output is the five-year Capital Improvement Plan (CIP), of which the first year is the fiscally constrained capital budget. The Strategic Capital Planning Manager creates this document with assistance from Finance and Administration's Budget staff; advisement from the Mayor; and direction from the CIP Committee, a committee composed of representatives of City departments who plan and/or implement capital projects. Through the implementation of the

projects approved and funded through the capital planning process, Chattanooga should experience a safe, high quality built environment, while seeing continual improvements in government services. Specifically, the Strategic Capital Planning Manager will implement a sustainable five-year capital improvement program that appropriately balances investments in various categories of capital projects (e.g., vehicles/equipment, mobility infrastructure, technology, parks, etc.) and various need criteria (e.g., urgent need, capital renewal, policy priority, etc.). This request consists of the salary and benefits of the Strategic Capital Planning Manager and a Capital Projects Coordinator, who works to ensure that selected projects align with planning and policy goals while addressing our infrastructure's ongoing and critical needs in a fiscally responsible manner.

Treasury Management Services (Finance Department)

FY21 Funded: \$1,736,203

FY20 Funded: \$1,742,350

The City Treasurer office is the hub of all city monetary transactions and strives to maximize the collection and deposit of city funds from all sources in a fair and equitable manner and within compliance with federal, state and local laws. This includes but is not limited to management of the complex billing and collection for Property Taxes, PILOTS, TIFs, Business Improvement District Assessments, and Water Quality fees. It also includes administration of bankruptcy regulations, back-tax sale, tax-relief, and tax freeze programs for the City. The Treasury also collects over the counter sewer payments billed by a third party contractor and issues initial business licenses and various permits in conjunction with the state.

Property tax, representing over 60% of total general fund revenue, is the primary funding source for the delivery of essential services to our citizens. Maximizing the collection of existing taxes and fees enables the City to minimize tax rate hikes and assures greater equity in assessments for all payers. Timely collection and management of all City revenue will enable community priorities to be achieved.

The Treasury also manages all the banking services and investments for the City in a manner that maximizes return while minimizing the risk of loss. The department continually strives to improve customer service through such things as continuous review of processes, customer surveys, training and fraud prevention, staying abreast of best practices

High Performing Government - Offers Not Funded

DEPARTMENT: Mayor's Office - Lead For America Fellowship

Safer Streets

A. Results Area Summary

Safer Streets funds the services, programs, and policies that protect life, property, and community resources of all Chattanoogaans. This results area -- our largest by percentage of general operating dollars spent -- funds the critical public safety initiatives, including technology resources that allow the Chattanooga Police Department to investigate and resolve cases more rapidly, keep guns out of the hands of violent criminals, and decrease family violence in Chattanooga. Supporting law enforcement is critical to maintaining public safety, as is investing in the community partners and programs that focus on prevention and deterrence.

B. Offers Funded

911 Emergency Communication (Chattanooga Police Department)

FY21 Funded: \$5,117,426

FY20 Funded: \$5,117,426

This is a coe offer for the communication contract we have with the Hamilton County 911 Emergency Communication District. The contract provides all 911 and non-emergency public safety call taking for citizens and visitors in Chattanooga as well as provides all dispatching for the City of Chattanooga emergency response departments.

Administration and Support Services (Chattanooga Police Department)

FY21 Funded: \$5,601,216

FY20 Funded: \$6,229,771

The Administration and Support Services Division offer consists of three subordinate commands: Technical Services, Support Services and Training Divisions. Support Services includes Property/Evidence Section, Information Center, Teleserve and the Court Liaison's office. Training Division includes Training staff, Recruiting unit and a professional staff Polygraph Examiner. This offer seeks to fund salaries, benefits, uniform allowances, and longevity pay for all personnel in Technical Services, Support Services and Training Divisions. If funded, the personnel assigned Property/Evidence section will continue to receive, process, and secure all evidence and property that may be used in prosecution or otherwise held within the statutory authority of city ordinances, state and federal laws. Personnel assigned to the Training Division will continue to actively recruit new cadets to maintain sworn staffing levels throughout the department as these levels are consistently a moving target with attrition. The Training Division provides mandatory state training required of all recruits and annual training required for officers. Support Services Information Center staff will continue their work to maintain compliance with state reporting requirements. They will attend training required to keep state certifications current. This offer includes technical and software maintenance costs required to maintain daily operations. The Court Liaison Sergeants ensure officers appear in court, ensure

proper delivery of subpoenas, and testify on behalf of officers in Grand Jury proceedings thereby alleviating overtime costs.

CADAS Substance Abuse Treatment (Council for Alcohol and Drug Abuse Services, Inc.)

FY21 Funded: \$25,000

NEW OFFER

We are pleased to submit this proposal to the City of Chattanooga for \$100,000 in substance abuse treatment services for the citizens of Chattanooga. CADAS has been providing a full comprehensive continuum of services for over 50 years. CADAS was established in 1964 by a group of Chattanooga businessmen and clergy and recognized by the IRS as a tax-exempt organization (501c3) in June 1965. CADAS is accredited by the Joint Commission, offering the highest standards in this industry. CADAS serves approximately 2500 clients annually with an annual budget of roughly 9.4 million, and employs approximately 127 employees and 5 independent contract staff. Our mission is to deliver the highest quality treatment, prevention and education services to the chemically dependent, their families and the community at large regardless of their ability to pay.

CDOT: Operations (Transportation Department)

FY21 Funded: \$2,268,756

FY20 Funded: \$4,219,427

The Transportation Operations division manages efficient and safe day-to-day operation of the transportation network. The division is responsible for the ongoing, proactive management and maintenance of the network, manages public space for construction and events, oversees the asset management program, and provides the essential function of the installation and maintenance of Chattanooga's traffic signs and pavement markings. This division readily responds to service requests from the community and implements the day-to-day necessities for safe travel.

CDOT: Smart City (Transportation Department)

FY21 Funded: \$5,597,423

FY20 Funded: \$5,826,614

The Smart City Division manages the City's traffic signal system and other transportation-related electrical systems. The division oversees the use of technology and data to enhance the transportation network for all users, and it is responsible for ensuring the City is planning for emerging technologies such as autonomous vehicles and mobility as a service. The division leads the department in achieving a safe and efficient transportation network by managing the department's data and data-driven decision making. The division also leads multi-agency partnerships and proactively pursues innovative opportunities to implement transformative ideas across the transportation network.

The Children's Advocacy Center Therapy & Forensic Interviewing

FY21 Funded: \$63,700

NEW OFFER

The Children's Advocacy Center (CAC) provides a comprehensive path to healing for children who are victims of child sexual abuse. The CAC is the only agency in Chattanooga that provides a safe place for children to tell their stories and receive treatment for the after-effects of abuse. The CAC serves between 500-800 children annually. The CAC coordinates investigations of child sexual abuse working with the Chattanooga Police Department (CPD), the Department of Children's Services (DCS), and the District Attorney's Office. The CAC is the largest onsite partner at the Family Justice Center and that partnership supports families throughout Chattanooga to receive services at one location. Being co-located with the CPD, Special Victims Unit allows for robust collaboration which results in quicker, complete services to families. A cornerstone of the CAC's 2019-2021 Strategic Plan to continue to provide CPD to hold perpetrators accountable. The funding from the City would not only support services for victims, but it would support CAC's ability to coordinate a team that would help to take perpetrators off the streets. Another service that continues to expand with the CAC partnership with CPD is forensic interviews (FI) for children who are witnesses or victims of violent crimes. The CAC experts who speak to a child help CPD gather evidence.

Community and Department Support Services Bureau (Chattanooga Police Department)

FY21 Funded: \$523,659

FY20 Funded: \$635,597

This bureau continues to expand the scope of community service and department support. We have added another officer to the bureau and trained about 15 sergeants in peer support advocacy. We continue to look for ways to continue this training, as donations are rapidly diminishing. This bureau reaches out to our community in many ways: Citizens' Police Academy, Police Explorers, Neighborhood Watch, Community/Police Interaction Committee (CPIC), National Night Out, Riverbend and, most recently, reaching out to our elders for safety education. We have expanded our outreach to the department, implementing our Peer Support Unit. We continue to work with Human Resources to hire a full-time mental health provider to be on-site, when needed. Peer support is among best practices for a mid-size agency such as ours. We continue to try and move to a holistic approach, focusing on the "whole" well-being of the officer: physical, emotional, mental and spiritual. Our Victim Services Unit and Volunteer Chaplains are included in the bureau, as well.

Family Justice Center (Youth & Family Development)

FY21 Funded: \$691,944

FY20 Funded: \$669,598

The Family Justice Center is requesting for the 2021 Fiscal Year \$832,600. The Family Justice Center will use said funds to continue to provide the citizens of Chattanooga and Hamilton County, in coordination with the Chattanooga Police Department, services related but not limited to victims of Domestic Violence. These services include prevention, education, awareness, and direct services to victims of domestic violence. The services would be centered on intimate partner violence as well as elder abuse. The Family Justice Center is requesting an increase from FY2020 of \$84,638 to add one Intervention Specialist to the adult program and one Intervention Specialist to the youth program. The intervention specialist for the youth will continue to provide an evidence based, trauma-informed curriculum for at-risk youth identified through the schools as well as referrals from Juvenile Court. At-risk youth would be students who are in danger of not graduating, behavioral problems, victims of abuse or impacted by trauma, and at-risk of gang involvement. The adult program helps adults who have been formerly incarcerated find employment, housing, and avoid recidivism. The increase also includes a part-time client services supervisor who is grant funded until June 30, 2020. Out of the \$832,600, \$5,000 will be specifically for client services such as bus vouchers, hotels for emergency scenarios when shelters are full, food, and other emergency needs of clients who are in crisis and/or lethality of situation is high.

Fire Administration

FY21 Funded: \$993,570

FY20 Funded: \$1,014,343

This offer is being made for the basic and essential operating costs of the department's leadership and administrative staff, as well as the CFD Administration building, equipment, and necessary lease vehicles. As the second of the CFD's six core offers, this offer requests funding for the sworn positions of Fire Chief, Executive Deputy Chief, and Safety Chief, as well as the civilian positions that manage the administrative functions of the department. These positions provide for not only the core business functions of the department, but also the leadership to guide the department toward the Mayor's initiatives and goals, to guide vision and values, and to support the CFD's mission: Lead - Serve - Train.

Success will be measured by the Fire Chief's ability to prudently use taxpayer funding by remaining in budget while at the same time providing the resources needed for the CFD to perform life-saving and property-conserving service. This offer also seeks to increase administrative capacity with the addition of a Fiscal Technician, a Research and Planning Officer, as well as a Community Outreach and Recruitment Coordinator. The Fiscal Technician increases the department's duty toward fiscal responsibility and compliance, but more importantly provides opportunity for someone to learn budget and accounts payable duties. The two sworn positions would offer invaluable opportunity to not only provide increased project

management and community engagement, but also provides the vital opportunity for sworn personnel to learn administrative functions toward succession planning. Finally, this offer includes funding to increase the sworn pay plan.

Fire Logistics Division

FY21 Funded: \$1,322,980

FY20 Funded: \$1,434,611

This offer is being made for the department's Fire Logistics Division. As the fifth of the CFD's six core offers, this offer includes personnel, position support, and operating expenses pertinent to this division's basic and essential functions. The overall purpose of this division is to logistically support the department's duties for each of its divisions. The department's best asset is, without question, its people. However, without apparatus, stations, equipment, and supplies, there would be little our personnel could do in their respective duties to save life and protect property. This offer puts the tools into their capable and skilled hands. The operating funds requested provide for many logistical and supportive functions, including oversight of apparatus purchasing and maintenance, inventory and dissemination of all emergency equipment and station supplies, all department construction and building maintenance projects, the purchasing and ordering processes, and oversight of all technology component replacement and advancement. The Logistics Chief also performs internal surveying to ensure the supply service is efficient and effective. While these functions lack the luster of emergency response work, these functions are vital to the department's mission to keep our citizens safe.

Fire Operations Division

FY21 Funded: \$41,607,312

FY20 Funded: \$42,319,194

This offer is at the fundamental core of the service the Chattanooga Fire Department (CFD) provides our community. While the department works hard to prevent fire, it remains ready to respond to and mitigate all incidents 24/7/365. As the first of the CFD's six core offers, this offer is requested to continue to fund the basic and essential costs of the Operations Division, including operational costs associated with personnel, apparatus, equipment, vehicles, and fire stations. This year the CFD responded to almost 20,000 emergencies and calls for service. Since 2015, that is more than a 15% increase! Of those incidents, there were structure fires, rescues, EMS emergencies, and other calls for service. The CFD is driven by the needs of the community. Life safety is always most important and our men and women put themselves in harm's way on a daily basis to save lives. This division also seeks to conserve property and minimize the impact of fire on a home or commercial building. In FY19, the CFD saved over \$130 million in property! The Fire Operations Division is also the primary reason the department has an Insurance Services Office (ISO) rating of 1! Regardless of the emergency type, the citizens and guests of our great city have a reasonable expectation that the CFD will respond safely, efficiently, and effectively to what is likely one of the worst days of their lives. That is exactly what we do every day, all day.

Fire Prevention Bureau

FY21 Funded: \$1,703,196

FY20 Funded: \$1,630,888

This offer, along with other offers incorporating response to mitigate emergencies, is at the fundamental core of the service the CFD provides Chattanooga. The best fire is the one that does not happen or is minimized because of quality fire code enforcement or public education. As the third of the CFD's six core offers, this offer requests to continue to fund the Fire Prevention Bureau (FPB), also referred to as the Fire Marshal's Office, to maintain fire prevention activity toward the reduction of structure fires or minimizing impact when a fire does occur. The FPB is comprised of Fire Code Enforcement (or Fire Inspection), Public Education, and Fire Investigation divisions. Each of these perform invaluable jobs in preventing fires by plans review, fire code enforcement, public education, and removing arsonists from the streets. With a relatively small staff in each of these divisions, the FPB is the primary proactive arm of the department. This year's offer seeks to increase the FPB with two personnel. Due to the explosion of new construction, many businesses, apartment complexes, industrial facilities, and other existing occupancies cannot be inspected on an annual basis. Some of these occupancies have not been inspected in several years due to the lack of capacity in the FPB and the additions to this offer seek to improve the division's impact on existing occupancies. In particular, the FPB seeks to increase inspections on existing multi-family dwellings (apartments).

Fire Training Division

FY21 Funded: \$899,281

FY20 Funded: \$878,583

This offer seeks to ensure that CFD responders remain highly skilled to perform efficient and effective emergency response. The primary reason the department's best assets are its people is because of the outstanding work of the Training Division. This division provides training ranging from academy fundamentals to advanced technical rescue. The Training Staff are responsible for administering required annual State In-Service training, daily station school curriculum, multi-company drills, apparatus driver/operator training, company officer development, and many other functional training classes. As the sixth of the CFD's core offers, it includes personnel, position support, and operating expenses pertinent to this division's essential functions. Success in this division is ultimately measured by the competence and capability of CFD personnel. While difficult to quantify, the efficient, effective, and safe practices of an excellent response are a direct result of experiential training. As part of this offer, the department also seeks to increase outside training. While local training is good, there are many opportunities beyond our region to expand knowledge and understanding of principles and best practices. Most of these opportunities would be provided to the company level officer to develop and enhance skills, competencies, and capabilities, but also includes a small amount of funding for executive level training for the department's chief officers. Also, due to the overwhelming

volume of training that occurs, this offer also includes the addition of one Fire Training Instructor, as well as an incentive program to include supplemental pay for "Shift Instructors" who engage in formal training events.

Intensive Criminal Justice Case Management (Johnson Mental Health Center)

FY21 Funded: \$58,800

FY20 Funded: \$60,000

The Intensive Criminal Justice Case Management Program (ICJCM) will promote Safer Streets by engaging individuals with mental illness, substance abuse disorders, or those who have co-occurring disorders, and a history of criminal justice system involvement. Individuals will be provided with comprehensive services to treat a variety of problems, which may affect their participation in criminal activity. The goals of the program are to provide appropriate treatment and support, to reduce criminal activity and to increase community tenure. By reducing the amount of criminal activity, jail time and re-incarceration, we further the Mayor's goal of having Safer Streets for our citizens. Individuals who have been incarcerated or who are at risk for re-incarceration will be served in this program. Johnson Mental Health Center will work with Chattanooga Police Department, The Family Justice Center, Mental Health Court, Probation and Parole and other community programs. The case manager will assist individuals with receiving mental health treatment, housing, substance abuse treatment, employment services, access to benefits, and medical services. As individuals become stable, crimes will be reduced, city streets will become safer, and costs to the city will be reduced. The goal of these programs is to provide earlier intervention and more comprehensive aftercare and follow up. The philosophy of providing the most intense treatment, combined with the ICJCM and other community programs working together, the goals of increasing the safety of Chattanooga's citizens and improve the overall quality of life in our city through development of safer streets can be realized.

Investigative Services Division 1 (Chattanooga Police Department)

FY21 Funded: \$8,700,236

FY20 Funded: \$8,737,983

The Investigative Services Division 1 (H00603 & H00601) is one of two offers, along with Investigative Services Division 2, responsible for conducting criminal investigations of crimes reported to have occurred within the City of Chattanooga. Investigative Services 1 consists of two subdivisions, the Organized Crimes Division and the Violent Crimes Division (sworn). Investigative Services Division 1 (H00603) when fully staffed consists of one (1) Captain, two (2) Lieutenants, eleven (11) Sergeants, fifty three (53) Investigators, and ten (10) Professional Staff personnel. Investigative Services Division 1/Federal Task Force (H00601) when fully staffed consists of one (1) Assistant Chief, one (1) Sergeant, six (6) Investigators, and one (1) Professional Staff personnel. The Federal Task Force (H00601) consists of several sworn officers who are a liaison for the Chattanooga Police Department (CPD) and its federal partners. Specifically, CPD Officers are assigned to the Drug Enforcement Agency (DEA), Federal

Bureau of Investigation (FBI), Bureau of Alcohol Tobacco and Firearms (ATF), and the Joint Terrorism Taskforce (JTTF). There are a total of 75 sworn positions and 11 professional staff positions budgeted in Investigative Services Division 1 (H00603 & H00601). This offer seeks to fund salaries, benefits, uniform allowances, longevity pay for all personnel, funding for support services equipment, training, and ancillary services.

Investigative Services Division 2 (Chattanooga Police Department)

FY21 Funded: \$5,219,039

FY20 Funded: \$4,529,638

The Police Investigative Services Division 2 is one of two offers, along with Investigative Services Division 1, responsible for conducting criminal investigations of crimes reported to have occurred within the City of Chattanooga. Investigative Services 2 consists of two subdivisions, the Property Crimes Unit and the Family Justice Center Unit (sworn). The Property Crimes Unit investigates cases involving Burglary, Robbery, Auto Crimes, major thefts, and Pawn violations. The Family Justice Center Unit investigates Domestic Violence, Sex Crimes, Missing Persons, and Juvenile crime matters. There are a total of 44 sworn and 4 professional staff personnel budgeted in Investigations 2 (1 - Captain, 2 - Lieutenants, 5 - Sergeants, 36 - investigators). This offer seeks to fund salaries, benefits, uniform allowances, longevity pay for all personnel, funding for support services equipment, training, and ancillary services for the unit. If funded, the personnel assigned to Investigations Division 2 will continue their work to investigate reported crimes which fall within their investigative responsibility. Investigators will be responsive to victims of crime. They will also be proactive in confronting and reducing incidents of property crime. Outcomes will be the successful arrest and prosecution of offenders who perpetrate these types of crimes against citizens of Chattanooga.

McKamey Animal Services (The Animal Care Trust)

FY21 Funded: \$1,777,000

FY20 Funded: \$1,777,000

The Animal Care Trust dba McKamey Animal Center provides shelter, veterinary care and adoption to 6300 animals annually from the City of Chattanooga. McKamey's mission is "Saving Animals. Helping people." We provide protection to its citizens from animals who are nuisances and pose a threat to public safety. We also protect animals from neglect, abuse and exploitation; we advocate for their welfare and work to reduce the unwanted pet population through an effective spay and neuter program; and educate our citizens toward an awareness and compassion for all living beings.

McKamey Animal Center conducts a number of vital programs including a homeless project, pet vaccination clinics to low income residents, safety net programs, literacy programs in schools and door to door outreach. All this--in an effort to assist the human populations of Chattanooga in regards to homelessness, domestic violence, literacy and child abuse. McKamey services an additional 9,000 animals who never enter the shelter as a result of these programs.

Mitchell Home (Helen Ross McNabb Center)

FY21 Funded: \$17,000

FY20 Funded: \$17,000

According to the US Interagency Council on Homelessness, In 2018 Tennessee had an estimated 7,883 experiencing homelessness on any given day, as reported by Continuums of Care to the U.S. Department of Housing and Urban Development (HUD). Of that Total, 1,663 were individuals experiencing chronic homelessness. According to the Chattanooga Interagency on Homelessness numbers show there were 322 chronically homeless people in 2018, out of a total of 623 homeless here in Chattanooga. The Chattanooga Point In Time report indicates in the last calendar year there were 283 unsheltered adults in the city of Chattanooga. As verified with national and local data, 30% of homeless adults experience a chronic and severe mental health issue. Many of these individuals struggle with accessing housing due to histories of past convictions, unpaid utility and other expenses, criminal histories and insufficient income. Mitchell home provides 12 supportive housing beds, which ensures not only shelter for 12 adults with significant and chronic mental health issues but also provides support focused on daily living activities (medication compliance, hygiene practices etc) and increasing coping skills. Residents are referred to HRMC Mitchell home by the local homeless services (community kitchen, salvation army, rescue mission) as well as local emergency rooms, jails, courts and inpatient psychiatric hospitals. This level of housing reduces the expenses on all of those referral sources as well as local law enforcement.

Neighborhood Policing Bureau (Chattanooga Police Department)

FY21 Funded: \$28,134,961

FY20 Funded: \$29,094,382

Neighborhood Policing Bureau provides all uniformed patrol response to calls for service and provides Community Policing and Problem-Oriented Policing services. This Bureau of the Police Department falls under the operational responsibility of Assistant Chief Glenn Scruggs. Chattanooga's Mayor, Andy Berke, has consistently supported public safety as his number one concern and, in particular, violent crime. Preventing, interdicting, and solving crimes begins with uniformed patrol, the backbone of any police department. There are currently 248 sworn officers assigned to the Neighborhood Policing Bureau. This level of officer staffing is necessary to maintain the degree of police services that our citizens and visitors to our city expect. We also need this level of staffing to keep pace with the expansion in size and population of Chattanooga, and to follow through with our commitment to Community Oriented Policing. These goals can only be accomplished through deliberate and professional interactions with our community members. The officers that are assigned to the Gun Crimes Response Teams will be tasked as 3-man units (a team for each of the 3 sectors under our jurisdiction). These specially tasked officers will focus on following up on any gun/weapons related issues within their assigned sectors.

Office of Chief of Police

FY21 Funded: \$2,790,183

FY20 Funded: \$3,025,565

This offer funds all operating expenses related to extended operations and day to day operations for the personnel, salaries, benefits to include sworn, non-sworn personnel assigned to the command for the Office of the Chief of Police, including Professional Standards, Internal Affairs, Accreditation and Grants Management, and Police Information Office/Communications.

Police Facilities

FY21 Funded: \$6,062,829

FY20 Funded: \$7,157,269

The management of all police facilities including the Police Service Center, the Firing Range, the Police Training Academy, the Police Annex and the East 11th Street Police Station. The Facilities staff performs minor repairs, replacement of equipment, general upkeep and daily management of our operational requirements. The offer funds the daily upkeep and management of the Police Department Fleet which is critical to their ability to police neighborhoods / emergency response effectively.

Rape Crisis Center (Partnership for Families, Children and Adults, Inc.)

FY21 Funded: \$63,700

FY20 Funded: \$65,000

Partnership's Rape Crisis Center provides forensic exams and counseling to sexual assault survivors. Working closely with law enforcement, the forensic exams and their secured storage are essential in the identification and prosecution of rapists.

Real Time Intelligence Center (RTIC) (Chattanooga Police Department)

FY21 Funded: \$1,623,146

FY20 Funded: \$2,069,531

This offer is to maintain current personnel staffing and technological capabilities of the Real Time Intelligence Center (RTIC) for the Chattanooga Police Department. The RTIC is a major initiative by the Mayor and Chattanooga Police Department to help keep people safe by reducing violent crime in our communities through video surveillance and evidence collection. The successful implementation of the Real Time Intelligence Center means police have the tools, technology, and data needed to respond quickly to community needs, and successfully prosecute violent aggressors. The RTIC has three major components: Public Safety Cameras, Crime Analysis Unit, and Real Time Data through the use of a variety of technologies. The RTIC is composed of the Technology Unit managed by 1 Sergeant, 1 Officer, 1 RTIC Systems Technician and 1 Administrative Assistant, as well as the Crime Analysis Unit, which consists of

1 Crime Analyst Supervisor and 4 Crime Analysts. Both units within the RTIC are managed by 1 Lieutenant. Part of the increase for this year is for continued training for RTIC personnel. Training is a vital part of furthering the RTIC mission. It is essential that RTIC Personnel stay up to date on technological and analytical techniques in order to be effective.

Special Operations Division (Fire Department)

FY21 Funded: \$411,690

FY20 Funded: \$427,654

This offer, along with the offers for the Operations Division and Fire Prevention Bureau, is at the fundamental core of the service the CFD provides Chattanooga. As the fourth of the CFD's six core offers, this offer for the Special Operations Division requests funding for the personnel, position support, and operating expenses pertinent to this division's basic and essential functions. Currently, the three highly capable employees in this division provide response expertise involving hazardous materials, water-related emergencies, large-scale incidents, or any of the technical rescue disciplines (vehicle extrication, machinery extrication, rope, confined space, structural collapse, and trench). They also are vital for the emergency response and planning for an increasing number of special events in the Chattanooga area (Riverbend, Moon River Festival, IronMan, Head of the Hooch, and many more public events), in which monitoring must take place for festival-goer safety. Their duties also include working alongside the Training Division to provide initial and recurring training for employees to develop hazardous materials and technical response skills. Chattanooga citizens and guests have a reasonable expectation for the fire department to be able to respond to these technical emergencies. These types of emergencies are what's referred to as "low-frequency/high-risk", in which training, expertise, and experience are vital to mitigate these scenes as safely, efficiently, and effectively as possible. Due to the technical nature and increasing needs for these calls, this offer includes the addition of one Special Operations Officer to assist with the response, event planning, and training workload.

Special Operations and Budget/Finance Bureau (Chattanooga Police Department)

FY21 Funded: \$5,447,456

FY20 Funded: \$5,759,126

The Special Operations Bureau (SpecOps) of the Chattanooga Police Department (CPD) is an integral part of our organization. This Bureau consists of officers that staff the units within the Special Operations Bureau. SpecOps also manages ancillary duties performed by officers assigned to patrol or other bureaus. This Bureau also recruits and trains new officers (Mandated Training). SpecOps officers work diligently to provide support for fellow patrol officers, develop strategies to maintain safe streets, supplement the city's growing economy and support strong students (Minority Internship Program) and families, all while being a part of a high-performing city government.

Smarter Students, Stronger Families

A. Results Area Summary

Chattanooga succeeds when families are supported and all children can learn and thrive in healthy, safe, nurturing environments. The Smarter Students, Stronger Families results area funds the programs, policies, and initiatives that create these support systems and positive environments, which include their homes, neighborhoods, and after-school locations. Specific investments will be directed to early childhood education and services for individuals of all ages with disabilities, as well as improving the lives of people who have been subject to violence, abuse, or other adverse childhood experiences (ACEs). When the City equips youth and families with the resources to succeed, we create productive citizens who have the agency and resources to create the lives they want.

B. Funded Offers

2-1-1 Coordinating Calls and Resource Services (United Way of Greater Chattanooga)

FY21 Funded: \$35,000

FY21 Funded: \$35,000

This offer from United Way of Greater Chattanooga (UWGC) is threefold: it targets a strong partnership between UWGC 211 Information and Referral Center and the City's Office of Family Empowerment (OFE); it addresses needs identified by the Chattanooga Interagency Homelessness Council on Homelessness (CICH) 2018 Homelessness Action Plan (NEW); and provides support for increased data collection/analysis. At the specific request of the City's OFE, this Offer requests funding for the continued placement of a Community Resource Specialist (CRS) in the OFE waiting area to provide citizens with information and need-based referral services. The CRS will provide in-person services and track referrals and services offered to reduce any duplication of resources from other agencies. Furthermore, in order for UWGC 211 to provide up-to-date resource information for the community, we are requesting additional operational funding that will ensure the UWGC 211 resource directory is updated consistently and new resources are identified and entered to help address community needs. Through the data gathered by UWGC 211, UWGC has provided significant data support to the OFE, as requested, to help identify issues that impact City resident services and needs. All contacts made by the UWGC 211 Information and Referral Center are entered into the Homeless Management Information System (HMIS) Service Point database, where the data is collected and analyzed for ongoing quality improvement.

Baby University (Signal Centers, Inc.)

FY21 Funded: \$700,000

FY20 Funded: \$750,000

Without a successful start to school and life, children fall behind before Kindergarten and likely remain behind, making them at greater risk for drop-out, teen pregnancy, lower incomes, unstable housing, and an unstable workforce. It is imperative that essential developmental milestones be reached, leading to lifelong success. Baby University partners with parents to ensure babies and young children's earliest needs are met. Measurements include: babies born at healthy birth weights; children meeting developmental milestones; no babies dying before their first birthdays; parents who are students in middle and high school staying in school, graduating on time, and delaying additional pregnancies until post-graduation; meeting needs for items including car seats and furniture; improving employment; and improving housing.

Baby University targets individuals in the following zip codes: 37404, 37407, 37410, and 37411. The schools we work with within our target area are The Howard School, Brainerd High School, Orchard Knob Middle, East Lake Academy, East Lake Elementary, East Side Elementary, Chattanooga Girls Leadership Academy, and Clifton Hills Elementary. We will continue to meet our goals, providing services in English and Spanish, through intensive case management for mothers, fathers, teen parents, and children. We have been successful in beginning a fatherhood initiative, and we are asking for additional funding to expand that initiative. The rest of additional funding will go toward collaborating with and expanding Tech Goes Home, especially for Latino families. Baby U will continue to work closely with the Chattanooga Office of Early Learning as well as the numerous community partnerships developed since the program's inception. We will continue collaborating with several local entities to provide needed resources and cross-referrals for Baby U program participants.

Camp Signal (Signal Centers, Inc.)

FY21 Funded: \$40,000

FY20 Funded: \$40,000

Signal Centers desires to serve the community by offering a summer day camp for children with disabilities. With support from the City, this will be year seven of this successful camp. It is our goal to continue to meet the needs of Chattanooga's families by ensuring that the developmental levels of children and youth are maintained or increased. Activities are developmentally-appropriate and aim to lessen summer learning loss and increase independence and skills, all in a fun, camp environment. City of Chattanooga funds would be used for camp scholarships for Chattanooga city residents. First priority for partial and full scholarships will be given to families with financial need. Families who have adults in the home going to school, working, or actively looking for work will also be eligible for scholarships.

There are three camps, based on needs we have seen in our community: 1. Chatter Camp: For elementary-age students who use augmentative communication devices; 2. Vision Academy: For teenage students who are blind or have low vision; 3. Camp Signal: For children age 12 or younger at enrollment.

We will accommodate around 65 children and youth, divided into age-appropriate groups. A few students may want to attend both Chatter Camp and Camp Signal. A sliding fee scale will be used. We will continue to partner with City entities to deliver on-site activities to campers. Campers and their families will have opportunities to form meaningful relationships with each other and access resources they may not have known.

Chattanooga Basketball - Education Through Athletics

FY21 Funded: \$90,000

FY20 Funded: \$100,000

Chattanooga Basketball is an educational program that uses competitive basketball as a hook for student participation in literacy initiatives, life skills classes, and parent education with the ultimate goal of improving the lives of area student-athletes and their families through the opportunity to attend and graduate from college. Beginning with elementary school student athletes and continuing through high school, the focus of the program is on reading at or above grade level, exemplary school performance and attendance, and using the sport of basketball for life skills development. The A, B, C's of Chattanooga Basketball are Academics, Basketball, and Character development. The goal is straightforward: all 300 participants will gain admission to post-secondary education, graduate, and become strong contributors to our community.

Chattanooga Basketball has student athletes from virtually every school and neighborhood in Hamilton County and the surrounding area. Students practice regularly at Youth and Family Development Centers, attend literacy and tutoring sessions, and travel to tournaments around the country becoming aware of a world much bigger than the Chattanooga streets. The girls division (Tennessee Xtreme)and the boys division (Chattanooga Elite Basketball) have achieved great success including a 100% high school graduation rate and 99% college attendance rate.

Chattanooga Early Learning Scholarships (United Way of Greater Chattanooga)

FY21 Funded: \$100,000

NEW OFFER

This offer will continue the Chattanooga Early Learning Scholarship program launched in March 2017 as a pilot program that provides supplemental childcare support for those employed or in-college families and adults who are not eligible for other state or community subsidies for childcare. By increasing access to quality childcare for lower to moderate-income households, this offer proposes continuation of this early education benefit to City families with UWGC oversight of the application and reimbursement process for the qualifying families. Impact of the

program includes building stronger and self-sustainable families, as well as preparing children for success in school and life. The program is operated through the United Way of Greater Chattanooga (UWGC) in collaboration with the Chattanooga Department of Youth and Family Development through the Office of Early Learning. It also has the support of the early childhood coalition of Chattanooga 2.0, (Early Matters Coalition), which includes over 40 local organizations and early education partners.

Targeted activities of this grant include implementation of community outreach activities, parent engagement strategies, participant application and contractual procedures, scholarship reimbursement, program reporting, and administrative support. These activities align with the overall Chattanooga 2.0 community goals, and early education strategies, the Mayor's Council on Women initiative, and the Office of Early Learning, which specifically addresses Mayor Berke's priority area for improving early education and increasing family stability.

Chattanooga Mentoring Collective (United Way of Greater Chattanooga)

FY21 Funded: \$25,000

FY20 Funded: \$25,000

This Offer is for support in the evolution of the Chattanooga Mentoring Collective (CMC), launched in 2016. United Way of Greater Chattanooga (UWGC) has used BFO funds to support school and nonprofit partners in their mentoring efforts by providing technology help, assisting in the recruitment and training of mentors to enhance youth development and success in school. While mentors are critical for youth success, partners identified an underlying need for building and expanding the current system of programmatic continuous quality improvement.

Simultaneously, Hamilton County Schools started a pilot of Student Success Planning (SSP) to help coordinate community services that could positively impact student achievement during the 80% of time that youth are out-of-school. The Chattanooga Mentoring Collective will evolve and grow into an out of school time alliance that is being co-facilitated by Chattanooga 2.0 and UWGC to align the SSP tool with out of school time resource and program providers. These programs include the work of Youth and Family Development Centers (YFDs), local nonprofit and community programs, and religious entities.

However, a systemic resource for continuous quality program improvement for many of these partners is necessary to deliver quality programming for youth and to measure progress that will yield 'smarter students and stronger families.' This Offer is for the nationally recognized, evidence-based resource called the Youth Program Quality Intervention (YPQI) developed by the Weikart Center at the Forum for Youth Investment. Program activities will involve the evaluation process and nationally approved and certified training, for local youth service providers, and the development of improvement strategies for creating and sustaining healthy environments for children and youth. This program includes year-round family engagement opportunities for an identified 8 program sites in the City of Chattanooga.

Chattanooga Zoo: Community Engagement Initiative (Friends of the Zoo, Inc.)

FY21 Funded: \$20,000

FY20 Funded: \$20,000

The Chattanooga Zoo's Community Engagement Initiative seeks to leverage the unique resources of the Zoo to inspire and engage target populations of Chattanooga citizens including the special needs community, the Latino population, and senior citizens. This initiative incorporates programs including Dreamnight, Camp ZooAbility, GoFest!, and our Senior Safari outreach program as well as our partnerships with institutions such as La Paz. These programs provide recreational and educational opportunities while also promoting family time.

Dreamnight- welcomes all with chronic illnesses, disabilities, or special needs along with their families or caregivers for free nights at the Zoo. These provide the opportunity for learning and recreation with other families who understand unique needs.

Camp ZooAbility - summer camp for individuals with special needs. A partnership with the city's Therapeutic Recreation division, the Zoo hosts this camp for 2 weeks during the summer.

GoFest! - in conjunction with the Mayor's office, this event is for disability resource awareness.

Senior Safari outreach - Zoo staff visit senior organizations to provide enriching, educational content and live animal interactions. Kulture City certification - Sensory Inclusive certification in 2019 has placed sensory signage around the Zoo & also provides sensory bags to guests who request them. La Paz partnership - offered a 10% discount on general admission May through July and a 15% discount on any membership level August through October.

Chattanooga Zoo: Management Contract (Public Works Department)

FY21 Funded: \$675,000

FY20 Funded: \$675,000

City of Chattanooga annual appropriation to the Friends of the Zoo, Inc. in support of the operation of the Chattanooga Zoo. The Chattanooga Zoo has been managed by Friends of the Zoo since 2010. Provided to FOZ under a management contract, the city funding allows the Chattanooga Zoo to remain an efficient and affordable community resource that will build smarter students and stronger families on a daily basis through its varied conservation and education programs; help to build stronger neighborhoods through its main goal of being a resource to the local community and provide needed education, recreation, and conservation. contribute to safer streets for our community through youth programs focused on jobs, volunteer opportunities, and mentoring; and grow the local economy by providing a place to work and a place to invest and grow.

Early Childhood STEAM Academy (Creative Discovery Museum)

FY21 Funded: \$20,000

FY20 Funded: \$25,000

Creative Discovery Museum (CDM) seeks to empower early childhood teachers to incorporate STEAM (Science, Technology, Education, Art, Math) education into their everyday curriculum. Early childhood educators are least confident about teaching science, yet STEAM activities are a critical part of early childhood experiences. There is a need for more content focused professional development opportunities for early childhood teachers, particularly training for STEAM. CDM will offer an Early Childhood STEAM Academy serving 20 Early Head Start, Head Start and community-based providers annually in best practices for early childhood STEAM education. Participants will attend 10 professional development workshops focused on a specific area of early childhood STEAM and will observe CDM teachers as they present model STEAM lessons at various sites. Following each workshop, participants will teach lessons at their sites using the concepts presented at the monthly workshop and offer a follow-up report to their cohort the next month. Monthly reports will evaluate the program's effectiveness. Participants will complete a final project before graduating from the Academy. An estimated 600 children will benefit directly from the Academy in year two, with this number growing exponentially over time.

Enhancing Communication, Enriching Lives (The Speech and Hearing Center)

FY21 Funded: \$67,700

FY20 Funded: \$67,700

Those with speech language, physical health and hearing challenges will be healthy and prepared for learning and will perform better in school. Adults will be able to stay in the workplace, be active in the community and have improved life quality.

Entrepreneurship Training for Chattanooga Youth (LAUNCH)

FY21 Funded: \$27,500

NEW OFFER

The LAUNCHing Bright Ideas Entrepreneurship Program, in partnership with Hamilton County Department of Education and The City of Chattanooga Youth and Family Development, empowers underserved students through entrepreneurship education and a simulated startup experience. In each of the schools or YFD centers served by our program, students work in small groups to conceive of a business idea and create a simple business plan. Classes and workshops are offered during the school day or after school in partnership with local inner-city high schools and YFD centers, taught by LAUNCH facilitators. Throughout the semester, each student group completes a business plan, creates a prototype and prepares a professional pitch. The culmination of the program is 'Pitch It,' where students compete by pitching their small business ideas to a panel of local judges. The winning team is awarded a prize package of technology to help further their education, as well as a small cash prize. Through this program, students gain business knowledge as well as skills in leadership, teamwork, public speaking, critical thinking, and problem solving, creating a talent pipeline for future leaders that will impact the city.

Over the past 8 years, LAUNCH has served 9 local schools as well as local YFD centers; in FY2021 we will focus on deepening our work through a partnership with Hamilton County's Future Ready Institutes. The leadership at Brainerd High School's Institute of Entrepreneurship reached out to LAUNCH requesting support, leading us to create a program that integrates LAUNCH's hands-on learning program into their required course of study.

Expansion of Early Literacy Bookworm Club for 4th & 5th Grade (Girls Inc.)

FY21 Funded: \$45,000

NEW OFFER

"According to Chattanooga 2.0, research shows reading proficiency by third grade is the single most important predictor of high school graduation and career success, however, only 37% of kids across Hamilton County are reading at or above grade level. With 89% of girls participating in the Bookworm Club reading at or above grade level, Girls Inc. provides a proven literacy solution that (1) encourages an understanding of the importance of reading as an everyday life skill and (2) prepares our girls to be on grade reading level by the time they leave third grade. Girls Inc. also recognizes a critical need for literacy enrichment programs beyond 3rd grade. Girls Inc. Club LIT(eracy) provides a continuum for girls in 4th and 5th grade, building on their verbal and written communication skills, and promoting a love for reading through comprehension and fluency activities. Combined, the expansion of these programs will engage over sixty girls twice per week after school. Performance is measured through literacy and reading comprehension evaluation tools.

While literacy is the main focus, Girls Inc. also prioritizes teaching critical life skills while also ensuring the social-emotional needs of the girls are being met. Collaborative partnerships with UTC, Chattanooga State, TVA, UNUM, and others to ensure that volunteers and mentors maximize the girl's experience. This funding will support the continuation of the successful afterschool programs at Shepherd and South Chattanooga YFDCs, as well as the center-based site located on Brainerd Road, AND the addition of 24 girls at East Ridge Elementary.

Girls Inc. Summer Camps With Transportation

FY21 Funded: \$16,000

NEW OFFER

Research shows that access to quality and affordable summer learning programs is a struggle for many low-income families. The YFDCs provide a safe, low-cost place for kids to go in the summer, but many YFDC sites reach capacity quickly and families are put on waiting lists. Girls Inc. (GIC) understands that cost is often a determining factor for many hard-working families when choosing where to send their girls. GIC proposes a solution by offering to waive summer camp fees for girls on the waiting lists whose families who can't afford to pay. GIC understands that transportation can also be a barrier and is committed to providing transportation options for families that need it. GIC will provide STEM and other themed summer camps at the center for

up to 98 girls. Curriculums ensure the academic focus supports the girls' school-based learning, critical life skills are taught, and the social-emotional needs of the girls are being met. Each curriculum is designed to increase a girl's knowledge, teach a new skill, and improve attitudes and behaviors, each being measured in pre & post testing. Collaborative partnerships with UTC, Chattanooga State, TVA, UNUM, and others ensure that interactive activities, field trips, and mentors maximize the girls' experience. These programs have long-term community impact: they help close the achievement gap that exists between girls from low-income families and their more affluent peers and girls will perform better academically, be more confident, and will be equipped with the life skills needed to navigate gender, economic and social barriers.

Human Services Administration (YFD Social Services)

FY21 Funded: \$1,334,643

FY20 Funded: \$1,334,643

The Department of Youth and Family Development's (YFD) Social Services division provides the administrative and oversight support necessary to operate federal and state grant funded programs. The programs housed under the Human Services Division provide services to young children, youth, economically disadvantaged citizens, seniors and those experiencing crisis. In totality, these programs provide support for those in our community wanting to increase their economic well being, become more socially and civically engaged, and to bring about household stability. Programs include: Head Start and Early Head Start, and Early Head Start Child Care Partnership (HS/EHS/EHS-CCP); Office of Family Empowerment (OFE); and the Foster Grandparent Program (FGP).

Grant funding provided under these programs totals include outputs of: 998 children served through Early Head Start, Head Start, and Early-Head Start Child Care Partnership, over 5000 families served through Community Services Block Grant (CSBG), Low Income Home Energy Assistance Program (LIHEAP), Emergency Food & Shelter Program (EFSP); and over 200 children directly impacted by the Foster Grandparent Program (FGP). These outcomes are generated through local, state, and federal funding of over \$20M. In FY 2021 this offer will show an increase in requested allocations to provide funding for economic mobility efforts in OFE, and to accommodate a decrease in space charges and other income generated at the 12th St YFD Administration building as our Department has become more fully unified in operations.

Indigent Mental Health Care (Helen Ross McNabb Center)

FY21 Funded: \$10,000

FY20 Funded: \$10,000

According to the 2019 Kids Count report, Tennessee's youth are not performing academically up to national expectations. Despite improvement the need continues reflected by 67% of 4th

graders not reading on grade level, 70% of 8th graders not proficient in math, 21% reside in poverty and 28% reside with parents who lack secure employment. One in four individuals will need mental health services and 8.2 % of those individuals report significant mental distress. Up to 14% of youth with mental health needs may miss between 18-22 days of school and receive grades of D's and F's. Many youth and families remain un or underinsured which prevents them from accessing mental health services. Untreated mental health concerns strain the individual, family and community. The Indigent Mental health Treatment program offers a holistic approach to combating mental illness by providing those without medical coverage or with limited coverage plans needed services to improve attendance, raise academic performance and allow students to pursue academic and career goals. The program has been altered specifically focused in breaking down the barrier of transportation to provide services to children and families closer to their home. Services are provided at East Lake Courts in a partnership between HRMC and Chattanooga Housing Authority. Services are also offered at Dogwood Manor to reach those over the age of 55 who also struggle with transportation barriers. Offices are provided at each CHA property and can be accessed by others residing in the community close to these two locations. This community based approach responds to the need to reduce the stigma of accessing services and making resources readily available to those most in need.

Inspiring the Youth through Arts, Culture and History (Bessie Smith Cultural Center)

FY21 Funded: \$30,000

NEW OFFER

Intrinsically linked to creativity and modern innovation, small museums and cultural centers must move beyond the walls of tradition to stay relevant and maintain sustainability. Not only are they "expected" to preserve their collections, but also to creatively engage and impact six (6) generations of visitors (The Greatest Generation, Silent Generation, Baby Boomers, Gen X, Gen Y, and Gen Z) in a meaningful and memorable way. The remaining status quo is no longer an option for even the smallest museum. And, an education platform geared to learning styles and content relevant for each generation must be embedded into the mission of the museum. Museums must explore partnerships and collaborative opportunities that allow them to not only invite local student participation but also provide how to achieve that involvement.

The Bessie Smith Cultural Center provides historic preservation, education, art, entertainment and community events that appeal to people of all ages, races, and ethnicities: Offering culturally specific programs that engage the participation of both parents and youth ; Providing culturally relevant educational opportunities and activities for students in Hamilton County; Partner with other organizations that allow youth to express their creativity, learn from professional artists and build lasting relationships with their peers while creating art.

The Bessie Smith Cultural Center's potential for revitalization demands a commitment to innovate programming and hire technical and creative professionals to lead the creative process. With potential funding from the City of Chattanooga, the Bessie Smith Cultural Center

will be able to modernize and innovate its programming as well as hire a full-time Education Program Coordinator.

Investing in the Education of At-Risk Children (Chambliss Center for Children)

FY21 Funded: \$350,000

FY20 Funded: \$350,000

We are requesting your help to provide high-quality early childhood education to at-risk children throughout our community. In addition to our main campus in Brainerd and our five sites located throughout the City, we are also planning two expansion projects for the next year. One of those will be right here on our main campus (District 5), and the other will be outside Eastgate mall (District 6). The two projects will increase the number of children that we can serve by approximately 190 children with 40 additional staff members.

It is impossible for low-income families to pay for the actual cost of high-quality early childhood education and still be able to afford food, shelter, and transportation. This puts quality childcare out of reach for many of our citizens which is often a barrier to employment and to self-sufficiency. Additionally, through early education and care, we can equip children with the skills they need to succeed in school and in life. The positive outcomes are countless! We look forward to working together in making sure ALL children in our great city have access to high-quality early learning.

Latino Family Resource Center (La Paz Chattanooga)

FY21 Funded: \$49,000

FY20 Funded: \$25,000

In FY 2015, La Paz Chattanooga established the area's first Latino Family Resource Center in partnership with the Office of Multicultural Affairs to focus on empowering Latinx families in Chattanooga. Since opening, the FRC has improved the quality of life for the city's fastest growing demographic by removing barriers and increasing access to resources. The FRC staff provides connections, support and guidance to thousands each year. The center is able to meet immediate needs through culturally and linguistically tailored case management, educational workshops, and trusted information and referrals. Programs include English as a Second Language, Literacy, Citizenship Education, Computer Literacy, and Job Readiness. Further, the staff trains volunteers and interns in best social service practices to increase capacity for the individual, organization and potentially local organizations in need of bilingual/bicultural staff. Through the FRC, La Paz focuses on encouraging clientele to transition from direct services to educational opportunities, self-support and community engagement. The FRC also features a mobile computer lab for individuals looking to complete job applications, online employment training and educational programs. In FY 2021, La Paz is expected to move to a new location at 809 S Willow St. This expansion will increase the FRC to include additional offices, counseling rooms, and a multi-purpose space for events, workshops and information sessions.

Finally, the FRC will serve as a meeting hub for local Latinx grassroots groups to work on community projects and build connections.

Library Operations

FY21 Funded: \$6,791,034

FY20 Funded: \$6,766,034

This request covers the operating costs for the Library and continues to build on our mission of being the community's catalyst for lifelong learning by providing access to books, media, electronic resources, public computers, emerging technologies, professional assistance, and valuable programming regardless of income or status.

We maintain five unique branches that are strategically located throughout the City where we provide access to programs and materials; we also serve as locations for community meetings, job skills training, and classroom instruction. We partner with local community organizations, and support small businesses, startups, and entrepreneurs. We continue to ensure every student enrolled in the Hamilton County School System, regardless of residency, is eligible for a free Library Card.

In FY21 we will greatly increase our ability to deliver on the Library and City missions in unique ways by adding a social work staff member to deliver specialized information services to the underserved system-wide. In opening the Avondale Branch in FY20 we identified a need for an additional full-time staff person to maintain an appropriate staffing level. Lastly, we will add a seasonal, part-time summer intern to the Avondale Branch staff.

Lookout Mountain Conservancy, Howard Intern Program

FY20 Funded: \$12,000

FY20 Funded: \$16,250

Lookout Mountain Conservancy (LMC) is unique in the world of land trusts for utilizing its property to engage alienated urban youth so that they may acquire skills, gain work experience, engage the community, achieve academic excellence, attend and graduate college, and improve their lives. Our goal is simple, yet ambitious: to significantly increase the proportion of our urban youth's high school graduation rates, increase college and technical school admissions, ensure that they have career mobility opportunities, and provide all the necessary intangible skills to become productive citizens within our community. Thus far, in the past seven years, 100% of the Howard School students that were in the program have graduated high school and have gone on to either a four-year university, the military, technical school, or found a job. These students are changing what it means to be a student at The Howard School, and they are often recognized as leaders by their peers and staff at the school.

LMC's Howard Intern Program is solving the problems of low high school retention and graduation rates at The Howard School, low college placement and persistence, and the lack of

jobs for inner city teens, all while keeping the youth occupied and educated, making them poor targets for gang membership.

Office of Early Learning Operations (YFD Recreation)

FY21 Funded: \$316,962

FY20 Funded: \$324,130

The Office of Early Learning (OEL) strengthens families through informed leadership and advocacy; this includes developing programs and policies that are responsive to the needs of the City of Chattanooga's children and families. OEL seeks to partner with families with children 0-5 and those providing services to young children and their families to eliminate the barriers children face to entering school ready to learn.

To achieve this goal, OEL focuses on three priorities: 1. Build a system of quality services informed by and responsive to families and young children; 2. Develop an early learning infrastructure that supports Chattanooga's early learning system; 3. Foster community leadership, commitment, and public investment in early learning.

Within these areas, OEL's FY21 scope of work will include: continue delivering capacity building professional learning for service providers (early learning, YFD staff, library staff, public health providers, etc); provide resources to high quality early learning programs wanting to engage in continuous quality improvement (curriculum, advanced training, specialty training in infant and toddler care, culturally responsive care, resiliency training); increase high quality seats; develop prenatal to three systems alignment and quality improvement initiative; develop and deliver transition to kindergarten supports, build community advocacy for early learning; amplify family voice in early learning through advocacy and storytelling efforts, and continue to evaluation OEL services and systems. In totality, FY21, OEL will focus on working alongside families, community members, and service providers to become partners in building and sustaining high quality, community informed services and systems.

Operation Get Active (Chattanooga Football Club Foundation)

FY21 Funded: \$25,000

FY20 Funded: \$40,000

The mission of the Chattanooga Football Club Foundation is to engage and empower the community through soccer. Our flagship youth program is Operation Get Active (OGA), a health initiative launched in spring 2016 that uses the game of soccer to encourage youth to live active and healthy lifestyles. Since its inception, OGA has served over 3,500 children aged 6-12 from 23 Hamilton County public schools, ten City of Chattanooga Youth and Family Development Centers, nonprofit centers for individuals with disabilities. Most of our program participants come from low-income, urban, and ethnic minority backgrounds. City funding will support OGA programming at 12 YFD centers, impacting at least 700 children via a 7-week summer session.

Led by a minimum of two trained OGA coaches, sessions are an hour and a half long and are held two hours once per week during the summer. For the summer session, we will host an end-of-season tournament at Finley Stadium for the community and our participants.

We will also provide coach training for all participating YFD staff. This training, United Soccer Coaches 4v4, teaches coaches how to provide age-appropriate activities around a 4v4 game structure. Further, new for the upcoming summer is the inclusion of trauma-informed training in partnership with WeCoach, which will equip YFD staff and coaches with the knowledge and techniques to serve as trauma-informed coach-mentors to young people. We look forward to continuing our ongoing, successful partnership with the City of Chattanooga's Department of Youth and Family Development.

Project BASIC (Helen Ross McNabb Center)

FY21 Funded: \$13,760

FY20 Funded: \$15,000

Chattanooga 2.0 and the OppZone Wins initiative continue to strive to increase the number of students in Chattanooga who graduate from high school. This goal can be achieved by addressing children's challenges early on while promoting positive coping skills which lead to improved academic performance. In the course of a school year, children with unidentified mental health issues may miss up to 22 days of school. 14% of Youth with mental health needs receive grades of D's and F's. Best practice guidelines indicate that a person's emotional intelligence has a direct result of success in life. Emotional intelligence can be taught and is the best predictor of a child's future success. Calvin Donaldson Environmental Sciences Academy is one of six elementary schools in the identified Opportunity Zone. Students in this learning community have demonstrated lower academic performance. By implementing the Pyramid model, the evidence based model provided through Project BASIC, children's mental health needs are readily identified and responded to, increasing their ability to focus and perform academically. The model assists children in learning and growing emotionally by targeting social and emotional IQ in the classroom, the child's natural learning environment. Both students and teachers benefit from the curriculum as well as the individual support provided to students and their families. The program's history reveals success in identifying elementary school age children in need of mental health services, linking those children and their families to mental health and social services in the community which results in improved attendance and performance by those receiving services.

Smarter Students Through Arts Education (ArtsBuild)

FY21 Funded: \$41,250

FY20 Funded: \$50,000

As the John F. Kennedy Center for the Performing Arts' Ensuring the Arts for Any Given Child Initiative's 26th site in the nation, ArtsBuild partners with the Department of Youth and Family

Development, Hamilton County Schools, local arts organizations, UTC and the Kennedy Center to provide quality arts experiences for all Chattanooga elementary school students in grades 1-4 and increase student achievement in and through the arts by providing professional development in arts integration instruction strategies to K through 12th grade teachers.

Imagine! (\$50,000). ArtsBuild's Imagine! Initiative provides all Hamilton County Schools elementary students (grades 1-4) opportunities to attend concerts and performances presented by Chattanooga arts organizations. These experiences are strategically organized to increase exposure to the arts and to enhance student learning. ArtsBuild pays for tickets and transportation as well as provides educational support materials focused on the creative process aligned to curriculum standards. Local Kennedy Center Workshops (\$10,000). Since 2003 ArtsBuild has partnered with Hamilton County Schools and the Kennedy Center's Partners in Education program to host a teacher professional development workshop series that focuses on the integration of the arts with literacy instruction. ArtsBuild will also partner with the Department of Youth and Family Development to provide workshops for Head Start teachers and recreation center staff.

STEAM TechKnow Girl Club (Girls Inc. of Chattanooga)

FY21 Funded: \$21,000

FY20 Funded: \$30,000

Women are under-represented in STEM, earning fewer than 20% of computer science and engineering degrees and comprising only 28% of the total STEM workforce. Stereotypes, gender biases, and lack of exposure to women in STEM fields contribute to the lack of girls pursuing these non-traditional careers. Though girls perform equally with their male peers in math and science, studies show that they lack confidence in these subjects. TechKnow Girl Club equips girls to master STEM subjects through a minimum of 35 hours of engaging hands-on exploration, fun group activities, and practical applications. Girls will apply the scientific method in interactive experiments promoting investigation, problem-solving, and critical thinking skills. The curriculum ensures the academic focus supports the girls school-based learning, critical life skills are taught, and the girl's social-emotional needs are being met. Collaborative partnerships with UTC, Chattanooga State, TVA, UNUM, and others ensure that volunteers and mentors maximize the girls' experience. Funding will allow Girls Inc. to continue this successful afterschool program for 36 girls at various YFDCS sites, including Shepherd and Washington Hills. This program will have a long-term community impact as these 3rd-5th grade girls perform better academically, are confident in math and science, and acquire the skills needed to break barriers and see their potential in these non-traditional STEM careers.

STEP-UP Chattanooga (Public Education Foundation)

FY21 Funded: \$75,000 (Economic Development Fund)

FY20 Funded: \$75,000 (Economic Development Fund)

Chattanooga's youth face various obstacles to gaining the skills necessary to pursue a

meaningful, living-wage career. This is truer for underrepresented minority students from low-income backgrounds. STEP-UP Chattanooga addresses the need to provide appropriate college/career pathways for our students, while filling the ever-growing need of regional employers for a well-trained and diverse talent pool. A robust youth employment program, STEP-UP places low-income high school students in paid summer internships with Chattanooga employers, providing comprehensive work-readiness training, on-the-job experience, and professional connections. The skills, experiences, and support students acquire help them make well-informed decisions about post-secondary education so they ultimately secure living-wage jobs that combat generational poverty. STEP-UP also provides businesses with the workforce they require. Companies hire and train our summer interns, who then go on to college or technical school with a vision and hope of returning to become full-time employees who are trained, educated, and ready to work.

Since 2016, over 1,100 students have been trained through STEP-UP and 512 internships have been created, responding to the growing needs of both our student population and Chattanooga-area businesses. In 2019, 297 students received training in interviewing, professional etiquette, financial literacy, and resume writing. Of those, 144 (48.5%) were placed in internships across the city, earning them over \$233,000 in combined wages. The money earned by interns helps them support their families and educational expenses. The City's investment in FY21 will help expand recruitment efforts in small and minority-owned businesses and provide ongoing training and support for students.

The Enterprise Center - Digital Inclusion

FY21 Funded: \$421,000 (Economic Development Fund)

FY20 Funded: \$421,000 (Economic Development Fund)

The Enterprise Center supports economic mobility and improved quality of life through a focus on digital equity and inclusion, anchored by the Tech Goes Home (TGH) initiative, which facilitates access to internet connectivity, technology and digital education/skills training. We partner with schools, public libraries, churches, and other organizations across Hamilton County to offer free courses designed to help residents understand ways in which the Internet can positively impact their daily lives. Upon completion of the TGH course, participants have the option to purchase a new Chromebook or tablet for only \$50 and receive assistance in obtaining access to low-cost home Internet.

We are requesting funds to continue growing the impact of our program, as well as expand services to specific populations. TGH is working with various organizations to offer specialized courses for early childhood educators, Spanish-speaking families, for the parents of nonverbal children, those who are blind or with low-vision, and those who are deaf or hard-of-hearing. TGH will also expand its Office Ready programming, where we focus on digital office skills with Google apps.

The Enterprise Center is working to build long-term, sustainable and equitable economic growth for our entire community while leveraging technological assets in order to rapidly expand the scale, scope and modes of impact. As an increasing percentage of life takes place online, we must ensure that not just some, but all Chattanoogaans, can participate and fully engage in our increasingly digital world.

The First Tee of Tennessee at Chattanooga (Tennessee Golf Foundation)

FY21 Funded: \$24,000

FY20 Funded: \$25,000

This program is a continuation of The First Tee Life Skills Experience (a golf and youth development program conducted through the First Tee of Tennessee at Chattanooga. In 2019, the leadership of the YFDC recreation division recommended that the summer program be reduced and the spring and fall be increased due to the summer heat and the number of conflicting opportunities in the summer. The First Tee curriculum will continue to be held in the spring, summer and fall at the centers and at golf facilities. The exact schedule will be determined in coordination with the City YFDC Recreation Division. An introductory class will be held at each center the early spring to encourage participation in the core program conducted in the spring. Following the spring session, the summer program will meet for two weeks at a golf facility. The programs will conclude in the fall at centers with a concluding class at a golf facility. All programs of The First Tee incorporate aspects of the curriculum which include: The First Tee Nine Core Values, Golf Skills, Golf Rules and Etiquette, Life Skills and The First Tee Nine Healthy Habits.

Together We Can - College Access and Success (Community Foundation of Greater Chattanooga, Inc.)

FY21 Funded: \$100,000

FY20 Funded: \$100,000

Together We Can (TWC) is a college access and success scholarship that focuses on our City's most financially vulnerable and/or first-generation college-bound students. This scholarship is open to graduating high school seniors attending a Hamilton County public school and reside in the City of Chattanooga. It is renewable for up to four-years (8 semesters) and the award ranges from \$1,000-\$3,000 depending on the recipients' college financial aid package.

The TWC scholarship is much more meaningful than just providing our city's students with money for college (that sounds and feels very transactional); it provides them access to our Scholarship Director who provides guidance, encouragement and tough love as they learn to navigate the various hurdles of college as well as life; in addition, the Foundation assists with updating necessary annual financial aid forms and keeps students abreast of other opportunities (i.e. scholarships, summer internships, study abroad and co-op programs).

This scholarship opportunity has been in existence since 1992 and we have been fortunate to learn from many of our students (current/college graduates) how meaningful this scholarship is/was to them and how it truly changed the trajectory of their lives.

Trauma Informed Psychotherapy (Helen Ross McNabb Center)

FY21 Funded: \$20,000

FY20 Funded: \$20,000

Approximately 4% of children under the age of 18 are exposed to some form of trauma or Adverse Childhood Experience (ACE) in their lifetime. The impact of those who score a 3 or higher is significant and impacts the child's development. Those who have experienced trauma without the specific trauma informed therapy to increase coping skills and function are at higher risk for; increased learning and behavior problems, lifelong health concerns, future acts of violence, poor academic performance , poor peer relationships and ultimately unable to sustain employment and financial stability. ACE's cost the economy \$124 billion over the lifetime of those affected. According to the 2018 Chattanooga Police Department report, there were 1616 violent crimes last year, 511 incidents of domestic violence assault, 15,243 car accidents.

YFD Recreation

FY21 Funded: \$8,670,566

FY20 Funded: \$8,914,916

YFD Recreation provides necessary resources to engage Chattanooga's residents in meaningful and progressive activities leading to Smarter Students and Stronger Families. Providing quality programs and services aimed at educational enrichment, STEM, character development, career exploration, health, fitness, sports, aquatics, therapeutic and culture arts builds a local environment for families to thrive. Well-managed, affordable, accessible, maintained, and fully utilized venues create a better quality of life for Chattanooga residents of all ages.

YFD education and recreation programs are used to prepare youth to learn to recognize their potential, improve their physical and psychological health, improve their ability to avoid and/or resolve conflict and motivate them to stay in school and pursue post-secondary education. These offerings also address the needs of the entire family by focusing on reducing health risk, developing positive relationships with authority figures and peers, strong focus on literacy and career exploration, exposure to job training that will increase employment options, enable families to become self-sufficient by providing support services, and increase opportunities for families to strengthen or rebuild relationships by learning and playing together.

YFD centers aim to provide well rounded quality educational, cultural and recreation opportunities that highlight the desire for sustainable practices; high-level customer service and quality facilities for every community; providing innovative and effective recreation, education and Youth Development programming practices for all citizens.

YFD Teen Programs

FY21 Funded: \$516,410

NEW OFFER

The Department of Youth & Family Development Recreation Division offers unique initiatives designed to address the needs of youth. Four signature initiatives offered in recent years were established to remediate challenges that youth face in their schools, neighborhoods, and at home: 1) Teen Empowerment (an intervention initiative established to minimize risk-behavior of middle and high school boys). 2) Diamonds & Pearls (a personal development initiative with a primary focus on assisting girls ages 13-15 to become strong youth leaders), My Brother's Keeper (a national initiative developed to insure improving outcomes for boys and young men in local communities), and finally Chattanooga Ambassador Program or CAP (a leadership and character-building initiative designed to prepare high school students for college, the workforce and life).

Youth Summer Work Program (Public Works Department)

FY21 Funded: \$76,428

FY20 Funded: \$115,900

The Department of Public Works (DPW) would like to sponsor a Summer Youth Program (SYP) for Chattanooga high school children ages 16-18. We are looking to hire twenty-five (25) students ten (10) weeks over the summer. This program will span across four of the six(6) DPW divisions: City-Wide Services(CWS), Engineering-Facilities Maintenance-Water Quality(ENG), Parks, and Fleet. The scope of tasks potentially to be performed are: Mowing Grass, Weed Eating, Litter Pick-Up, Storm Drains and Pipe Cleanout, Storm Pipe Installation, Road Paving(CWS). The Facility Management Section under the City Engineering Office is the internal support organization providing Facility Management Services to the City Hall Campus, Youth & Family Development Centers and Family Justice Center. Services include: Facility Management, Energy Management, Building Maintenance, Custodial Services, Security & Mailroom, as well as administrative oversight and support for internal Public Works Divisions providing an umbrella of services for general government, departments and agencies supported by the City of Chattanooga(ENG). Planting and maintaining flower and tree beds, Custodial duties plus additional outside work will be performed in Parks. Fleet will have the interns shadow employees in the inventory process of tools and equipment.

Stronger Neighborhoods

A. Results Area Summary

As Chattanooga grows, focusing on preserving the livability, affordability, and economic viability of our many distinctive neighborhoods is an increasingly urgent priority. The Stronger Neighborhoods results area empowers all citizens to take ownership of the blocks, businesses, and communities they love. By partnering with the private sector and nonprofit agencies to create more affordable housing, beautifying our parks, public spaces, and greenways, and equitably delivering essential services like recycling, garbage collection, and improved transportation options for all Chattanooga residents, we are supporting the progress and prosperity of every neighborhood in our city.

B. Funded Offers

Affordable Housing and Neighborhood Development for Low-Income Citizens (Habitat for Humanity of Greater Chattanooga Area)

FY21 Funded: \$35,000

FY20 Funded: \$40,000

Our approach to addressing affordable housing is comprised of: New Home Builds: We build affordable, energy-efficient homes that are sold to low-income families (between 30%-80% of the average median income) at 0% interest and a cost based on their income, coupled with a 20-year forgivable second mortgage of at least \$10,000 (calculated by appraisal value less first mortgage amount), creating instant equity for our families. Home Repairs: We repair owner-occupied homes of low-income households and offer two programs: A Brush with Kindness, which is mostly exterior work and weatherization, and Critical Home Repair, which provides extensive interior/exterior to alleviate critical health, life, and safety issues or code violations. Aging in Place (AIP): AIP serves senior citizen homeowners through accessibility improvements, mobility modifications, weatherization enhancements, and critical home repairs that are crucial to helping seniors live in their own homes longer. Homeowner Education: Future homeowners are required to attend 36.5 hours of specified classes to enhance their ability to be a good neighbor and successful homeowner.

In FY21, with the aid of BFO dollars, we will build four new homes, provide 1,200 volunteer instances, and conduct 33 repair projects (including AIP) and 36 homeowner education classes. Services will be focused in the Villages at Alton Park, where Habitat has invested over \$1.4M in housing over the last several years. Alton Park is one the most poverty-stricken zip codes in

Chattanooga, with poverty and child-poverty rates of 55% and 79.3%, respectively, versus the city's rates of 21.1% and 32.4%.

Big Nine Community and Cultural Development Initiative (Urban League of Greater Chattanooga)

FY21 Funded: \$32,000

FY20 Funded: \$25,000

The Goal of the Big Nine Community Development Corporation (CDC) is to preserve, promote, and revitalize the MLK Historic District by growing African American businesses. In collaboration with the City of Chattanooga and other key stakeholders and partners, the Big Nine CDC focuses on: Organization: Building a pathway to engagement and leadership by launching community-based efforts to empower businesses and investors to collaborate for sustainable, inclusive revitalization; Promotion: Focusing on authentic community assets, with high quality development campaigns and events designed to attract new shoppers, visitors, and residents; Economic Restructuring: Helping to redefine the district's niche and sharpen the competitiveness of existing businesses, with a focus on the preservation and promotion of African American establishments.

Support for incubating and growing MLK businesses includes business incubation; marketing assistance for businesses within the District; lending support through Kiva funding and other lenders; City of Chattanooga incentives and small business funding; support organizations and investors doing development and planning work in the neighborhood; collaborating with the new MLK Business Merchants Group; and connecting MLK businesses to entrepreneurial resources across Chattanooga. The work of the Big Nine CDC will be closely coordinated with the activities of the ULGC Entrepreneurship Center to maximize the impact on the entrepreneurial ecosystem in Chattanooga.

City Wide Maintenance (Public Works Department)

FY21 Funded: \$5,947,501

FY20 Funded: \$6,411,095

This offer is to ensure continued collection and maintenance of high traffic areas such as the Central Business District (CBD) as well as main and secondary roads. This includes street construction, tree and right-of-way maintenance, and a 24 hour emergency response time. All of these operations are performed with approximately 65 employees in eight sections within City Wide Services. These sections are responsible for continuous road maintenance, right-of-way mowing, mechanical street sweeping, litter abatement, loose leaf collection, maintenance and management of the entire City's tree canopy and associated infrastructure, dead animal collection and disposal, maintenance of the downtown CBD, and emergency response to all weather related events such as snow and ice, floods, and any wind events including tornadoes.

All of the activities listed above are accessible to citizens through the City's "311" call center. Metrics concerning response time, vehicle, and material usage are kept historically for review by administrators, managers, supervisors, and employees to track progress of service requests completed on time and to ensure continued overall efficiency. City Wide Maintenance includes Administration, CBD, Emergency, Mowing Tractors/Leaf Collection, Municipal Forestry, Street Cleaning, Street Cleaning Crews, and Street Sweeping.

CNE's Affordable Housing, Resident Engagement, and Loan Servicing (Chattanooga Neighborhood Enterprise)

FY21 Funded: \$705,000

FY20 Funded: \$535,000

Chattanooga Neighborhood Enterprise has historically operated as an extension of the City's Economic and Community Development Department, partnering to execute its community revitalization, affordable housing and loan servicing efforts. CNE operates the City's down payment and home improvement loan programs and provides pre-purchase counseling and financial education to promote homeownership. CNE builds stronger neighborhoods through its development of mixed-income (income restricted and market rate) communities, providing both rental and single-family homes. Integral to this process, CNE fosters resident leadership by focusing civic engagement activities on neighborhood revitalization projects.

In FY21, CNE will:

- 1. Pilot a small grant program that incentivizes 20 residents to implement tools that positively impact neighborhood revitalization that can be replicated throughout the city*
- 2. Reduce blight of twelve homes, six through the City's home improvement program and six through CNE's resources*
- 3. Generate \$8.47M in new investment in Ridgedale, Highland Park and E. MLK through the development of 113 new rental housing units, generating an annual return of approximately \$172,000 in new taxes for the City and County*
- 4. Create fifty-seven (57) income restricted affordable housing units in Ridgedale, Highland Park and MLK (4 units at 50% AMI, 16 units at 60% AMI, 37 units at 80% AMI)*
- 5. 135 individuals report that they improved their financial wellbeing (improved credit scores, increased savings, reduced debt, homeownership)*
- 6. Maximize income on the City's \$8.3M loan portfolio by keeping loan delinquencies below or on par with FHA industry standards (10.65%).*

Cold Weather Homeless Shelter (Chattanooga Regional Homeless Coalition)

FY21 Funded: \$70,000

FY20 Funded: \$70,000

The funding request is to cover the personnel, security, and operational costs of the Cold Weather Shelter for people experiencing homelessness during winters months in the Chattanooga region. The shelter is open each year from December to March. It is operated in partnership with the Chattanooga Community Kitchen. The shelter provides a warm, safe space for Chattanooga's citizens experiencing homelessness to escape the life threatening winter weather conditions. It is a low-barrier shelter and needed to prevent deaths due to the harsh winter elements. No other shelter of its kind exists in Chattanooga. A low barrier shelter removes as many preconditions to entry as possible.

Creating Change through Arts, Culture, and History (Bessie Smith Cultural Center)

FY21 Funded: \$50,000

NEW OFFER

Arts, culture and history are essential for building community, supporting development, nurturing health and well-being, and contributing to economic opportunity. Collectively, arts and culture enable understanding of the past and envisioning a shared, more equitable future.

The Bessie Smith Cultural Center (BSCC) is committed to leading significant change in the community by engaging various groups to help devise and carry out creative community-building programs. This will be accomplished by: Promoting interaction in a public place. The BSCC will provide a venue for people to meet and be exposed to a variety of neighbors drawing together people who would otherwise not be engaged in a constructive social activity; Increase civic participation through a celebration of multiple cultures. BSCC will host the Big 9 Roots Festival to showcase the community's rich and diverse cultural heritage; Fostering trust between participants thereby increasing their experience of collective civic engagement, which spurs participants to further collective action; Creating local and regional opportunities to spotlight culturally diverse programming that improve and enhance the quality of this community

Through potential funding provided by the City of Chattanooga, the Bessie Smith Cultural Center can provide more free community programs that create change in our community as well as provide space to other non-profit organizations and city departments to host community events at the Bessie Smith Cultural Center at low or no cost to the organization or city departments.

ECD Administration

FY21 Funded: \$1,029,702

FY20 Funded: \$1,159,952

The Department of Economic and Community Development (ECD) provides guidance & support

to eight distinctive divisions within City government. ECD is committed to empowering citizens and helping build strong foundations within communities. Divisions include: The Land Development Office seeks to ensure the public's health, safety, and welfare through the enforcement of adopted building, electrical, plumbing, gas and mechanical codes and the Zoning Ordinance, promoting economic health by enhancing business development, retention, and neighborhoods. The Codes Division is responsible for addressing the concerns and requirements in public health, safety and welfare as they relate to the use and maintenance of existing structures and premises by enforcing the City's property maintenance codes to promote compliance with housing, vehicle, litter, overgrowth and nuisance ordinances working towards the goal to eliminate blight conditions through public education and code enforcement.

The Office of Economic Development was created to assist entrepreneurs and businesses with their business needs, promote economic growth and development throughout the City of Chattanooga, and be a resource for all types of businesses and entrepreneurial projects.

Neighborhood Services and Development supports the belief that the real strength of neighborhoods lies in the efforts of residents and community organizations. Our team coordinates interdepartmental efforts to address neighborhood problems while assisting neighborhood organizations in addressing community priorities and needs. Real Property interacts with every City department, providing professional support with all real estate related issues and transactions. ECD also provides administrative support for Public Art, Open Spaces / Outdoor Chattanooga, and the City's Homeless Initiative.

ECD Codes Enforcement

FY21 Funded: \$2,166,690

FY20 Funded: \$2,075,155

This offer is to bring 11,500 blighted properties into compliance including the most problematic properties identified by the Blight Elimination Team in FY21. Code enforcement (CE) protects public health, safety and welfare by enforcing codes related to minimum housing standards for existing structures and properties; and supports Chattanooga Police Department's (CPD) crime reduction efforts. During FY19, CE inspectors brought 9419 blighted properties into compliance, responded to 11,748 citizen complaints, and performed 28,456 inspections related to housing, inoperable vehicles, litter, dumping and overgrowth violations. CE was responsible for the demolition of 44 dangerous (collapsing or burned) structures in FY19. Demolishing unsafe structures and securing open abandoned structures supports crime reduction by eliminating easy access for criminal activity, reduces potential fire risks and protects curious neighborhood children. CE inspects, mows, removes litter, and boards back-tax properties. Maintaining them reduces blight and improves neighborhood livability.

ECD Homeless Program

FY21 Funded: \$863,083

FY20 Funded: \$755,895

To further the Stronger Neighborhoods initiative, the City of Chattanooga's Homeless Services Division (HSD), supported by the Chattanooga Interagency Council on Homelessness seeks to boost service capacity and maximize the service population. Building upon the HSD's success serving Veterans in Chattanooga by maintaining a functional end to Veterans Homelessness in Chattanooga, this program now serves episodically homeless individuals and families. HSD utilizes outreach services, as well as housing and support services as outlined in the 2018 Chattanooga Interagency Council on Homelessness' Community Action Plan. This offer funds 4 Housing Navigators, 5 Outreach Workers, and 3 Service Coordinators, in addition to the recommended levels for the flexible housing assistance funds in accordance with the year 1 recommendations of the Homelessness Action Plan to demonstrate out Community's efforts to reduce and end homelessness.

Following the recommendations of several community and service area stakeholders, it was determined that the City should seek to expand its current program due to the success of the Veterans Initiative. Veterans will continue to be served, this expanded program will offer the same high quality service Veterans have received to an expanded population. While Family Promise provides rapid re-housing for families and Hamilton County has limited financial assistance for individuals for rapid re-housing, no agency provides housing navigation or case management for rapid rehousing for individuals. That means between 463 non-chronic homeless individuals identified in the Point in Time Count and 1,012 individuals seeking services from agencies over the course of the year have no one to assist them find housing in Chattanooga. HSD fills this gap in service for the episodically homeless.

ECD Land Development Office

FY21 Funded: \$3,112,555

FY20 Funded: \$3,132,706

The submitted offer will provide the development, and contracting community the fastest and most thorough permitting system possible, while providing health, and safety in the built environment, for the citizens of Chattanooga. The Land Development Office (LDO) enforces land use regulations, building, electrical, mechanical, fuel gas, plumbing, accessibility, and energy codes. The LDO enforces infrastructure regulations for new development. The LDO regulates excavation in streets, sidewalks and curb cuts associated with utility work for new and existing development. LDO inspect the paving in new developments. The LDO issues trades licenses to electrical, plumbing, fuel gas, and mechanical contractors, ensuring work is done safely, by technically proficient tradesmen. The LDO staff supports the Boards that approve the trade licences, Plumbing, Fuel Gas, Mechanical. The LDO provides plans for compliance with adopted building code, and zoning regulations. The LDO supports 5 Boards and Committees, Zoning, Sign, and Construction Board of Appeals, Form Based Code committee, Historic Zoning commission. As a result of the LDO Street Cut Inspections, Audit 19-01, it was determined the LDO needs 3 additional inspectors to manage and enforce street cut regulations. LDO also is

proposing a 'concierge' to assist development projects through the maze of regulations and permitting.

ECD Public Art

FY21 Funded: \$193,851

FY20 Funded: \$239,428

The City's Public Art Division is dedicated to presenting a wide variety of high quality public art and working with the community to enhance the civic environment and enrich the lives of visitors and residents city-wide. This offer will fund existing staff and a new part-time collection specialist position to achieve the following FY21 goals Complete (4) public art projects: Riverwalk: Wheland Foundry Trailhead and neighborhood projects in Woodmore Manor, Avondale and MLK; Facilitate (2) partner projects on City property: Ed Johnson Memorial and Tribute to Bessie Smith; Initiate public art projects aligned with City investments in East Lake: Park, YFD Center and 36th Street informed by community input; Initiate (1) new Art in the Neighborhoods project through the NeighboRoots program; Maintain the City's public art collection of 127 artworks, valued at \$3,675,000; Continue to advance priorities established by citizens in the 2019 public art strategic plan: Identify FY21 Art in Capital projects; Advance (6) FY20 Art in Capital projects with local artist-led engagement; Support the City Artist program and identify potential pilot projects; Establish tours and public education for the public art collection (with the addition of PT Collection Specialist). Integrating public art into our city and throughout our neighborhoods has contributed to its distinct sense of place, its livability, quality of life, and its economic health.

Empower Chattanooga (green|spaces)

FY21 Funded: \$10,000

FY20 Funded: \$15,000

According to the Department of Energy, low-income households spend an average of 15%-20% of their income on energy bills, whereas energy burdens above 6% are typically considered unaffordable. Residents in East Chattanooga, Highland Park, East Lake and Alton Park are using 43% more energy per square foot during the winter months than the average home in Chattanooga, equating to \$500 - \$600 per month. A household may be able to afford the rent or home payment but then have to take a predatory loan or rely on a social service due to the inability to pay the high utility bill. The Chattanooga Area Food Bank released that 69% of their clients are actively choosing between buying food and paying for utility bills. Currently over \$2 Million is provided to low-income residents in the EPB service territory in the form of direct energy assistance payments along with an additional \$450,000 invested in weatherization programs each year. Empower Chattanooga is the only organization providing energy savings education in Chattanooga. By educating and empowering residents to take control of their own energy consumption, we will reduce the dependence on utility assistance programs and other social services while providing them with more disposable income. To date, we have served more than 3000 families through our workshops. Our goals for 2020/2021 include educating an

additional 1500 families with the Empower Workshops, increasing our presence in schools and hosting community-building events that provide leadership development opportunities.

Feed the Community (Community Haven)

FY21 Funded: \$10,000

NEW OFFER

Community Haven is a community-based non-profit organization committed to creating opportunities that significantly impact thousands of Chattanooga's underserved residents. The organization purchased a 5-acre site in East Chattanooga to expand its operations to better implement its community initiatives. Our first 2 phases of development include refurbishing an office building and two athletic courts. We are currently refurbishing our office building, where we will design, plan and implement projects. Our move-in date is December 2019. It is the intent of this 2021 BFO request to use the office facility and outdoor courts to implement our Feed the Community program. We will implement the program at the site, as well as house a pantry to fulfill residents' emergency need for food. This program will also be open to train community youth on the value of giving back.

Those living in underserved communities have numerous challenges in their daily lives, not the least of these is nutrition. Besides living in food deserts with limited access to fresh and healthy food choices, most low socio-economic and minority communities in Chattanooga also lack nutritional education. Community Haven's founders and board members have over 20 years of combined experience in feeding residents in the Alton Park, Westside and East Chattanooga communities. We are prepared to implement a professional Feed the Community program that focuses on nutritional education, healthy lifestyles and cultural choices, as well as leadership development.

Flexible Housing Fund (Family Promise of Greater Chattanooga)

FY21 Funded: \$400,000

NEW OFFER

Flexible Housing Fund Purpose: It is the intent of the Flexible Housing Fund to be used for a variety of circumstances that could present barriers to housing for people experiencing homelessness. This includes payment for back rent, current or back utility payments, moving costs, security deposits, and ongoing short-term rental assistance. It is the goal of the fund to provide just enough financial assistance to ensure successful outcomes for people exiting homelessness. Often financial assistance in our community is limited by the type of assistance it can provide. This fund seeks to supplement our existing resources and fill in where others can not.

Furniture Bank (Chattanooga Goodwill Industries, Inc.)

FY21 Funded: \$5,000

FY20 Funded: \$5,000

The Furniture Bank is the only service of its type in our area. The Furniture Bank serves as an ancillary service to 28 case management partner agencies. Among the partner agencies is the City of Chattanooga Homeless Healthcare and the City of Chattanooga Homeless Coalition. The Furniture Bank takes donations of new and gently used furniture, cleans and repairs it as needed. The furniture is then given out to persons in need of furniture. Persons who receive furniture must be referred by one of the 28 501C3 case management agencies. Persons who receive furniture usually fall into these categories: homeless in the street, homeless in a shelter, first time renter, fleeing domestic violence, suffered from a fire, flood, vermin infestation or other disaster.

The Furniture Bank enables a space to become a stable home. It is hard to get up every morning and go to school or work if you are sleeping on the floor. The Furniture Bank provides a warm and cozy bed. The furniture Bank strives to give its participants the furniture needed to make their living space a home. Each family receives a bed for each member of the household, a chest of drawers for each member, a living room sofa, love seat, or chairs, and a dining table and chairs. If other items are available such as end tables, coffee tables, lamps, dishes, pot and pans, and nick knacks the participant may select those items as well. Each person is given a private appointment to come to the Furniture Bank and select from the items in stock. The participant must provide their own truck to pick-up the furniture. This is a once in a lifetime service. The Furniture Bank also keeps furniture out of the landfill. Chattanooga Goodwill Industries, Inc. keeps approximately 10,000,000 pounds out of the landfill each year. This saves the City of Chattanooga approximately \$421,320 a year in landfill and disposal costs. The Furniture Bank keeps approximately 90 tons of Furniture out of the landfill each year.

Open Spaces / Outdoor Chattanooga (ECD)

FY21 Funded: \$923,600

FY20 Funded: \$883,299

The Outdoor Chattanooga and Open Spaces core operating budget is focused on education, promotion, planning, programming, and activation of Chattanooga's public lands and open spaces for all citizens and visitors to enjoy. The Outdoor Chattanooga Center, located in Coolidge Park, is home to both our operations and serves as the region's outdoor visitor center. The core operations cover both building and program operations and expenses, which includes the nine full time staff and the temporary staff.

Programs offered to residents have significantly increased over the last two years and with a forecasted increase in programming the Open Spaces Team is in need of an Activation Specialist. The Activation Specialist will be responsible for bringing activities and engagement to local neighborhood open spaces. They are core to helping residents feel welcome in our City and encouraging social interaction.

Additionally, the increase in programming and social awareness has created an environment where we need an administrative position to help manage day-to-day operations. This position would keep our building open during normal business hours, manage park and program reservations, manage our inventory check-in/out process, inform residents and visitors where to recreate, and alleviate current Outdoor Chattanooga staff for more program offerings.

Parks Maintenance (Public Works Department)

FY21 Funded: \$3,076,242

FY20 Funded: \$3,119,878

The Parks Maintenance Division manages and maintains Chattanooga's park system of over 100 sites including 35 miles of greenways, trails, and paths; 51 tennis courts; 47 athletic fields; 34 pavilions and picnic shelters; 41 playgrounds; 20 swing sets; 8 outdoor fitness zones; 3 dog parks; 2 golf courses; and all other park features, such as parking lots, benches, trash receptacles, and bike racks. Park Maintenance ensures the health of Chattanooga's park system by developing, coordinating, and managing standard operating procedures for maintenance and operations. The Park Maintenance Division includes administration and public outreach, as well as facility, playground, and landscaping staff.

The Parks Division is continually improving performance by contracting services when feasible and appropriate; developing policies, procedures, and maintenance plans to ensure all grounds and facilities meet developed maintenance standards; organizing staff and resources to meet service levels; coordinating with other divisions, departments, and agencies to complete some functions. Parks outreach connects organizations and individuals who want to support the parks system to the needs of the division and collects information about user experiences to measure performance.

The Parks Division strives to maintain and manage all park grounds, facilities, and amenities based on specific industry standards. Additional parks and facilities, while beneficial to the community from an economic and social perspective, will further stretch limited resources to the point that the park system as a whole will not meet user expectations or established standards. With these funds, the Parks Division will manage and maintain these new parks and facilities at a high-level to ensure the capital investments provide the highest value back to the community.

Public Transportation (Chattanooga Area Regional Transportation Authority)

FY21 Funded: \$5,800,000

FY20 Funded: \$5,800,000

CARTA is requesting financial assistance for its core operations: fixed bus route service and complementary demand response paratransit service (Care-A-Van). The majority of CARTA's riders, approximately 83%, are dependent on public transportation. The increase in the funding

request is due to a budgeted 3.0% wage increase and related increases in FICA and pension expense.

CARTA's pre-submission request was for a 3% increase-\$6,100,000 to cover a 3% wage increase and related fringe. The additional 3% of \$174,000 is for health insurance. Included in the \$6,100,000 pre-submission request is a 5% increase in insurance rates, however, CARTA has been quoted a 13% increase for insurance. CARTA is still in the process of working with our insurer and will need to negotiate with ATU Local 1212 to change some of the benefits included in the plan. The additional amount has been included in this initial budget request. Once we have completed our negotiations, CARTA will be able to adjust the amount to what is agreed upon with the union.

Scenic Cities Beautiful (Public Works Department)

FY21 Funded: \$45,221

FY20 Funded: \$45,221

This offer is to continue to provide coordination, materials and services for volunteer roadside litter cleanups as mechanisms for citizen's involvement in promoting civic pride. The citizen's practice effective leadership, advocacy and problem solving and model meaningful community engagement through the cleanup events. A neighborhood cleanup, which involves gathering residents to walk around the community and pick up litter, promotes relationship building and community interaction. Residents pick up unsightly litter, dispose of unwanted items, meet other residents and bond as they celebrate increasing the value of their unique neighborhoods. Litter and bulky items gathered are disposed of in provided dumpsters or arrangements are made for special pickups.

Additionally this offer is to continue to provide coordination, horticultural materials and services for community led beautification on row and public spaces. Research shows that increased use of plant materials in urban areas buffers the effects of weather creating more resilient neighborhood environments. Scenic Cities provides free student and teacher Waste in its Place education in Head Starts, schools and informal education sites on the domain of a) Self, Family and Community, b) People and the Environment. TCA Title 39, Chapter 14, Part 5 TN Litter Law to the public, business, government and students. Partners: Office of Multicultural Affairs, Water Quality, City Wide Services, Neighborhood Services, nonprofits, business and civic groups to sustain inclusion. This offer satisfies the legal requirements of the city Charter: Scenic Cities Beautiful Commission was established and ratified by Charter of the city of Chattanooga: Chapter 9. Article 2.

Senior Water Quality Fee Assistance Program (United Way of Greater Chattanooga)

FY21 Funded: \$340,000

FY20 Funded: \$340,000

Aligned with Chattanooga's goals and support areas, this project will provide further support to Chattanooga's elderly individuals age 65 and older, disabled individuals, and disabled veterans or widow(ers) of disabled veterans that own property and meet the maximum income requirements. United Way of Greater Chattanooga (UWGC) will provide assistance with payment of annual water quality fees. As the cost of living for this population continues to escalate and income does not keep pace, an increase in water quality fees places further pressure on fixed-income individuals, threatening their ability to cover basic necessities.

This assistance will support elderly individuals in our community, including veterans, disabled individuals, and disabled veterans or widow(ers) of disabled veterans who demonstrate economic hardship and who have been qualified by the City of Chattanooga's Property Tax Freeze and the State of Tennessee Tax Relief Program. City of Chattanooga Water Quality Fees will be paid by UWGC directly to the City on behalf of these homeowners after they have been approved to receive the City of Chattanooga Property Tax Freeze and/or the State of Tennessee Tax Relief Program.

Based on last fiscal year's data, approximately 2,111 Chattanoogaans qualify for this Water Quality Fee Assistance of \$126.49, however, only 1,851 applied for the assistance and were approved by the City for the City's Tax Freeze and/or the State's Tax Relief program. The cost for the program, which includes a 10% service fee to UWGC, is estimated at \$340,000 annually. Undistributed funds at the conclusion of each property tax billing and payment cycle will be carried forward to help additional homeowners in subsequent fiscal years.

UWGC will provide an annual report to the City of Chattanooga's Finance Department and the Chattanooga City Council regarding the specific use of these funds.

Solid Waste and Recycle Collection (Public Works Department)

FY21 Funded: \$12,590,976

FY20 Funded: \$13,411,752

This offer is to fund curbside garbage, recycle, brush and bulky trash collection as well as the household hazardous waste facility, recycle and refuse collection centers. Approximately 50 employees service nearly 70,000 households as well as businesses.

Last fiscal year, Garbage, bulky pickup, trash flash, and curbside recycle service were responsible for the collection and disposal of over 68,791 tons of solid waste material from citizen's homes and businesses. Additionally, over 6550 tons were diverted from the landfill in the same period as part of the City's ongoing waste diversion program to ensure compliance with the State of Tennessee's Solid Waste Management Plan.

The operations included in this offer are the largest recipient of the citizens 311 call center receiving over 85% of the total service requests received. These employees have more interaction with City residents than any other section of City government which allows the opportunity to elicit positive changes in the community on a daily basis. These operations are

listed in Chattanooga's City code and many are mandated and monitored by City, State or Federal authorities requiring adherence.

Transitional Housing (Chattanooga Room In the Inn)

FY21 Funded: \$24,000

FY20 Funded: \$25,000

Chronically homeless individuals cost taxpayers between \$30,000 to \$50,000 per year per individual according to the United States Interagency Council on Homelessness (USICH). A homeless individual in Chattanooga may cycle through hospital emergency rooms, jail, psychiatric institutions and/or detox programs, which all have a high price tag. In fact, taxpayers pay \$110 per day for a chronically homeless individual to NOT be housed. Chattanooga has a higher than average rate of people who are considered chronically homeless. In 2017's Point in Time Count, they make up 33% of the total homeless population while nationwide it is 15%.

Chattanooga Room in the Inn (CRITI) seeks funding for its Transitional Housing program, which serves women and children experiencing homelessness and provides a safe and supportive place to live along with supplies in order to stabilize and take the steps necessary to move into permanent housing. The program has a strong focus on advocacy and engagement to build trusting relationships with participants while providing the resources to overcome barriers that have kept them from remaining housed in the past. The main goal of this program is to address the issues that led participants to CRITI and teach participants how to succeed afterwards. When women graduate from CRITI, they are more likely to remain permanently housed. 88% of program graduates since 2006 remain permanently housed to date without repeating episodes of homelessness.

ORDINANCE NO. XXXXX

AN ORDINANCE, HEREINAFTER ALSO KNOWN AS "THE FISCAL YEAR 2020-2021 OPERATIONS BUDGET", PROVIDING REVENUE FOR THE FISCAL YEAR BEGINNING JULY 1, 2020, AND ENDING JUNE 30, 2021; APPROPRIATING SAME TO THE PAYMENT OF EXPENSES OF THE MUNICIPAL GOVERNMENT; FIXING THE RATE OF TAXATION ON ALL TAXABLE PROPERTY IN THE CITY, AND THE TIME TAXES AND PRIVILEGES ARE DUE, HOW THEY SHALL BE PAID, WHEN THEY SHALL BECOME DELINQUENT; PROVIDING FOR INTEREST AND PENALTY ON DELINQUENT TAXES AND PRIVILEGES; AMENDING CHATTANOOGA CITY CODE, PART II, CHAPTER 2, SECTION 2-267, RELATIVE TO PAID LEAVE FOR ACTIVE-DUTY TRAINING AND TO AMEND CHATTANOOGA CITY CODE, PART II, CHAPTER 31, SECTIONS 31-36, 31-37, 31-41, AND 31-43, SECTIONS 31-322 AND 31-354.

WHEREAS, it is necessary to base the appropriations to the various departments of the Municipal Government on the above estimated revenues;

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHATTANOOGA, TENNESSEE:

SECTION 1. That for the purpose of raising revenue to operate the various departments, agencies, boards, commissions, offices, divisions or branches of the Municipal Government, and to pay the interest on and retire bonds of said City as they mature, there be and is hereby levied upon all taxable property within the City of Chattanooga, Tennessee, a tax for the year 2020 at a rate of \$2.277 upon every \$100.00 in assessed value of such taxable property; and to the extent applicable there is also levied a tax at the same rate upon every \$100.00 of Merchant and other Ad Valorem within the corporate limits of the City of Chattanooga, Tennessee.

SECTION 2. That the assessment made by the Assessor of Property of Hamilton County, Tennessee, and by the Tennessee Regulatory Agency for 2020 on all property located within the

corporate limits of the City of Chattanooga, Tennessee, be and is hereby adopted as the assessments of the City of Chattanooga.

SECTION 3. That the taxes herein levied on all taxable property within the corporate limits of the City of Chattanooga shall be due and payable at the office of the City Treasurer and Tax Collector OCTOBER 1, 2020, and shall become delinquent MARCH 1, 2021, on which date unpaid taxes shall bear interest at twelve percent (12%) per annum, and a penalty of six percent (6%) per annum, plus other penalties as provided by law, which shall be paid by the taxpayer; provided, that except for taxpayers receiving tax relief under T.C.A. Sections 67-5-702 through 67-5-705.

SECTION 4. That the provisions of the Business Tax Act, Tennessee Code Annotated section 67-4-701, et seq., relative to the authorization of local taxes upon the privilege of engaging in certain types of business activities be and are hereby adopted by reference, and there is hereby levied a Business Tax on all businesses taxable by municipalities under Chapter 387, Public Acts of 1971, as amended, at the maximum rates specified therein. The Tennessee Department of Revenue shall collect the Business Tax on behalf of the City as authorized in T.C.A. § 67-4-703(a). The City Treasurer is authorized and directed to collect such fees and taxes as are authorized by said Act to be collected by the City of Chattanooga, a municipality, together with such interest and penalties as may become due thereon, at the maximum rate provided by law. The City Treasurer is hereby authorized and directed, in accordance with the Business Tax Act, to register new businesses located within the City and collect a fee of Fifteen Dollars (\$15.00) for issuance of an initial business license upon the City Treasurer's receipt of the application, together with any other information reasonably required, and to issue such license at the time of registration. The City

Treasurer is designated as the City official responsible for the registration of businesses located within the City of Chattanooga.

SECTION 5. That the budgets of the various departments, agencies, boards, commissions, offices, divisions, or branches of Municipal Government for the fiscal year beginning July 1, 2020, are fixed as hereafter set out; and the amount so fixed for each is hereby appropriated out of the estimated revenue for said year for the use of that department, agency, board, commission, office, division, branch of government, to-wit:

SECTION 6. That there be and is hereby authorized the appropriation of all collections and fund balances to the respective funds, other than the General Fund, to be expended for the general public purposes as indicated.

SECTION 7. That all persons under the “City of Chattanooga Classification and Pay System” and covered by the “Pay Plans” on the effective date of this Ordinance shall receive pay within the appropriate range as designed in the City’s Pay Plan. All positions not covered by the City’s Pay Plans shall be assessed and pay determined consistent with the City’s established compensation policy. In the event that a provision within this budget ordinance becomes in conflict with a federal, state, or local law or regulation, the appropriate law or regulation shall prevail.

SECTION 7(a). Any person designated as a City employee shall not be paid less than the rate as defined by the Federal Poverty Guidelines for a family of four (4), except for those employees whose pay is governed by federal formula.

SECTION 7(b). In addition to positions provided for hereinafter, known as positions within the “City of Chattanooga Classification System”, which includes only regular full time and part-time positions, the City recognizes and authorizes the following types of designation of positions as exempt from the Classification System: Temporary, Elected Officials and Appointed Employee.

SECTION 7(c). That except as otherwise provided, the positions specified hereinafter are hereby authorized at the designated pay grade levels.

SECTION 7(d). In order to achieve efficiencies in personnel complements for all Departments comprising City of Chattanooga, the Mayor is authorized to realign, reclassify or otherwise change positions within the total number of authorized complements, consistent with the City’s established Compensation Policy.

SECTION 7(e). This ordinance further provides longevity bonus pay for permanent, full time classified service employees who have five (5) or more years of continuous service as of

October 31, 2020. The longevity pay shall be seventy-five dollars (\$75.00) for each full year of continuous service up to a maximum of thirty (30) years or two thousand two hundred fifty dollars (\$2,250). Employees terminated prior to October 31, 2020 shall not qualify for the longevity bonus pay.

SECTION 8. That the City Finance Officer is authorized to pay a uniform and equipment maintenance allowance of five hundred dollars (\$500.00) for all sworn police officers and firefighters as of July 1, 2020, except for those new employees who have received from the city a new uniform since July 1, 2019. Further, the City Finance Officer is authorized to pay a supplemental tool allowance of five hundred dollars (\$500.00) for certain employees as set forth in Resolution No. 18381, dated December 5, 1989, as amended; and is authorized to pay a supplemental uniform allowance of two hundred fifty dollars (\$250.00) for City Court Officers. It shall be the duty of employees receiving these supplements to use the funds for the specified purpose and retain receipts to that effect.

SECTION 9. That the City Finance Officer is authorized to make contributions to the Pension and Other Post-Employment Benefits (OPEB) Trust funds on behalf of all participants as specified in the most recent actuarial valuation for each plan.

SECTION 9(a). That the City Finance Officer is authorized to match the total salaries of all participants in the Fire and Police Pension Fund with a contribution not to exceed fifty and twenty-four hundredths percent (50.24%) as specified in the most recent actuarial valuation.

SECTION 9(b). That the City Finance Officer is authorized to contribute to the General Pension Plan an amount equal to twenty-one and twenty six hundredths percent (21.26%) of all participants' salaries as specified in the most recent actuarial valuation.

SECTION 9(c). That the City Finance Officer is authorized to pay the following Union Pension Plan the specified amounts per participation agreements

Central Pension Fund \$1.64 per hour

SECTION 9(d). That the City Finance Officer is authorized to contribute to the Other Post-Employment Benefit Trust Fund a percentage of all participants' salaries as specified in the most recent actuarial study.

SECTION 10. That the City Finance Officer is authorized to reimburse officials and employees for use of personal vehicles on official business at the current rate per mile recognized and established by the Internal Revenue Service.

SECTION 11. That for employees currently receiving a monthly allowance of four hundred dollars (\$400.00) per person in-lieu of a take-home government vehicle shall continue to receive the same for as long as such employee holds his or her current position. Additional employees may receive this allowance only with the approval of the Mayor and passage of an ordinance by the City Council.

SECTION 12. That all salaries and wages and other expenditures shall be paid only upon the authorization of the official who has the responsibility of expending the appropriation against

which the salaries or wages or other expenditures are charged, pursuant to Private Acts of 1953, Chapter 105, Section 2 (4). That all funds appropriated in this Ordinance for payment of salaries and/or wages shall be spent for salaries and wages only unless proper authorization is given to do otherwise.

SECTION 13. That the City Finance Officer is authorized to pay the payroll and/or costs of personal services, whether on the payroll, voucher or otherwise, of the Air Pollution Control Bureau, The Public Library, Regional Planning Agency, Youth & Family Development – Social Services, Scenic Cities Beautiful, and any other department, agency, board, commission, office, division, or branch of Municipal Government heretofore or hereafter established, notwithstanding that same is not specified hereinbefore, as certified to him by the respective administrative official.

SECTION 14 That employees called to active duty and deployed outside the continental United States (“OCONUS”) to a combat zone or a qualified hazardous duty area, as those terms are defined by federal law, shall be paid the difference that their City pay exceeds their total military base pay, up to \$850.00 per month, from the time called to active duty until relieved from active duty status or until June 30, 2021, whichever occurs first. Payments beyond the current fiscal year shall be subject to future appropriations by City Council. The City Finance Officer is authorized to appropriate the necessary money from other available funds. The difference in pay shall be calculated without regard to any payment of combat pay. Further, with the concurrence of the General Pension Fund and the Fire and Police Pension Fund, or any union fund participation agreement, the City shall pay such contributions necessary, both the employee’s and the employer’s share, based on their pension-eligible salary at the time of call-up (not counting overtime pay) to ensure the continued enrollment and pension-eligibility of employees while

called-up for deployment OCONUS for the same period as referenced above. In this manner, the affected employees shall not be penalized nor incur financial hardship as relates to their pension eligibility.

If the City's medical insurance provider will extend medical coverage to families affected by the call-up of reservists for deployment OCONUS beyond the customary six (6) month period, the City shall pay the employer share of the premium for any employee called-up to active duty. The employee's share of the coverage shall remain the responsibility of the employee and may be paid in the most convenient method by the employee. During the time of active duty, the employee may request the City to make such payments on his/her behalf and reconcile the amounts paid upon his/her return to City employment.

SECTION 15. As provided by the Employee Information Guide, Section V, Military Leave:

Employees shall be granted twenty (20) scheduled work days of paid leave each calendar year for active-duty service, inactive duty service, and required annual training. After the twenty (20) days of military pay has been exhausted, the employee activated for military service may elect to use accrued PTO balance (all or in part) or immediately commence leave without pay. Every employee returning from military leave shall submit to his/her Department Head proof of the number of days spent on duty.

SECTION 16. Whenever a request is made by a member of the public for copies of City records, the following fees are hereby levied and shall be paid by the requesting party in order to defray the City's costs:

- (1) A fee of fifteen cents (\$0.15) per page per each standard 8 ½ by 11 or 8 ½ x 14 black and white copy produced.

- (2) A fee of fifty cents (\$0.50) per page per each 8 ½ x 11 or 8 ½ x 14 color copy produced.
- (3) If the time reasonably necessary to produce the requested records, including time spent locating, retrieving, reviewing, redacting, and reproducing the records, exceeds more than one (1) hour, the City is permitted to charge the hourly wage of the employee(s) producing such requested records. The hourly wage is based upon the base salary of the employee(s) and does not include benefits. If an employee is not paid on an hourly basis, the hourly wage shall be determined by dividing the employee's annual salary by the required hours to be worked per year.
- (4) Any request for records not subject to the provisions of the Tennessee Open Records Act may be provided at the discretion of the department head at a reasonable rate considering the employees' time and expenses to provide the records.

SECTION 17. That, pursuant to the Charter, it shall not be lawful for any department, agency, or branch of the Government to expend any money other than the purpose for which it was appropriated, nor shall the expenditures for a purpose exceed the appropriation for said purpose.

SECTION 18. If at any time the actual receipt of revenues is projected to be less than the estimated revenues, it shall be the duty of the Mayor to forthwith initiate an ordinance amending this budget ordinance so as to appropriately reduce or otherwise change the various appropriations made herein which, in the judgment of the City Council, should be made.

SECTION 19. The City Finance Officer is hereby authorized to transfer money from one appropriation to another within the same fund as may be necessary to meet expenditures for the fiscal year 2021.

SECTION 20. In addition to FY21 appropriations for current year expenditures, funds shall be appropriated to meet obligations carried forward from prior year open purchase order balances in each fund. Such appropriation shall be from the fund balance of each respective fund.

SECTION 21. That Ordinance 11941 dated March 14, 2007 amended the Chattanooga City Code, Part II, Chapter 24 relative to parking, per Section 24-335, the City delegated the Management responsibilities for parking meters within the Special Parking Management Districts to Chattanooga Area Regional Transportation Authority. By this Budget Ordinance, any revenue in excess of the cost to CARTA for operation of metered parking spaces within the Special Parking Management Districts be appropriated to CARTA to be utilized for CARTA's parking management operations, including the costs of acquiring and maintaining parking equipment and systems and enforcement of these ordinances, as well as the acquisition, construction, and maintenance of off-street parking facilities and the provision of passenger shuttle services in downtown Chattanooga area.

SECTION 22. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-

36(a), be and the same is hereby deleted and the following substituted in lieu thereof:

- (a) Enumeration of charges; quantity of water used. Sewer service charges shall be based upon the quantity of water used as shown by water meter readings and shall be the dollar amount derived by applying the total charge in dollars per one thousand (1,000) gallons for the quantities of water shown in the following table:

	FY21	
	User Class	Total Charges
<u>(gallons)</u>	<u>(\$/1,000 gallons)</u>	
First 100,000	\$11.99	
Next 650,000	8.92	
Next 1,250,000	7.25	
Next 30,000,000	6.12	
Over 32,000,000	5.95	

In addition, the total charges derived from the above chart for residential users will be multiplied by ninety (90) percent to compensate for water use not going to the sewer such as lawn and garden watering. Any residential location where a separate water meter has been installed for the purpose of lawn and garden watering shall not be entitled to have the multiplier applied to any water consumed through the primary water meter. Each residence or apartment unit shall have a maximum monthly sewer service charge for a volume of no more than 12,000 gallons water used; unless the minimum charge due to water meter size exceeds the 12,000 gallon limit, and then the monthly sewer service charge shall be at least the minimum for that particular size water meter.

SECTION 23. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-

36(c) as relates to sewer service charges and fees be and the same is hereby deleted and the following substituted in lieu thereof:

- (c) Billable flow. The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below per one thousand (1,000) gallons of water sold.

	Regional Operation & Maintenance Charge (\$/1,000 gallons)	Regional Debt Charge (\$/1,000 gallons)	Total Regional Charge Regional (Wheelage and Treatment) (\$/1,000 gallons)
Wheelage and Treatment	\$3.5135	\$ 0.6772	\$ 4.1907

If regional customers are billed directly through the water company, the rate to be charged shall be four dollars and nineteen cents (\$4.19) per one thousand (1,000) gallons.

SECTION 24. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-36

(d), be and the same hereby deleted and the following substituted in lieu thereof:

- (d) Total flow. The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below applied to the quantity of water measured by a flow meter installed and maintained at or near the point of connection between the system of the regional user and the Chattanooga system. In the event of any malfunction of said meters, flow shall be estimated, interpolated and/or projected in the most equitable manner possible. Such estimates, along with available readings for periods where there was no malfunction, shall be the basis for billing.

	Regional Operation & Maintenance Charge (\$/1,000 gallons)	Debt Charge (\$/1,000 gallons)	Total Regional Charge (Wheelage and Treatment) (\$/1,000 gallons)
Wheelage and Treatment	\$ 2.0457	\$ 0.3576	\$ 2.4033

SECTION 25. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-37, be and the same is hereby deleted and the following substituted in lieu thereof:

Minimum sewer service charges based upon water meter connection size shall be as follows:

Monthly Minimum Sewer Service Charges

<u>Meter Size</u> (inches)	FY21 10/1/2020 <u>Charge per Month</u>
5/8	24.63
3/4	87.87
1	153.54
1-1/2	343.64
2	608.45
3	1,426.26
4	2,635.76
6	6,277.95
8	11,104.56

The minimum sewer service charge for residential users with various meter size shall be multiplied by ninety (90) percent to compensate for water use not going to the sewer such as lawn and garden watering. Any residential location where a separate water meter has been installed for the purpose of lawn and garden watering shall not be entitled to have the multiplier applied to any water consumed through the primary water meter.

SECTION 26. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-

41(c), be and the same is hereby deleted and the following substituted in lieu thereof:

- (c) Rates. Based upon the current cost of treating wastewater containing constituents with concentrations in excess of “normal wastewater,” numerical rates are hereby established for Bc and Sc as follows:

Bc = \$0.1229 per pound of BOD for concentrations in excess of three hundred (300) milligrams per liter.

Sc = \$0.0852 per pound of total suspended solids for concentrations in excess of four hundred (400) milligrams per liter.

SECTION 27. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-43

(b), (f) and (g) be and the same are hereby deleted and the following substituted in lieu thereof:

(b) *Fees for garbage grinders.* Any user of a garbage grinder, except users in a premise used exclusively for an individual residence, shall be charged at a rate of three hundred sixty-nine dollars (\$369.00) per month. The superintendent shall bill users on a quarterly basis and the bills shall be due and payable within fifteen (15) days following the last day of the billing period.

(f) *Fees for septic tank discharge.* All persons discharging concentrated, domestic septic tank sewage waste from a truck under the provisions of Article III of this Chapter shall be charged at the rate of one hundred forty-two dollars (\$142.00) per one thousand (1,000) gallons of such waste. The minimum charge for septic tank discharges shall be one half (1/2) of the rate for one thousand (1,000) gallons of the rate in effect at the time of such discharge.

(g) *Fees for holding tank wastes.* All persons discharging any holding tank waste authorized pursuant to division 6 of this article shall be charged at the rate of eleven dollars and ninety-nine cents (\$11.99) per one thousand (1,000) gallons of such discharge, plus any surcharge rate authorized by Article III of this chapter for concentrations of pollutants in excess of normal waste water without regard to the definition of the industrial user or other limitations set forth in such section. The Plant Manager may also require a chemical analysis of such waste and charge therefore.

(h) Late fees of 10% (ten) shall be applied to all amounts billed but not received by the due date indicated on the invoice.

(i) An applicable disconnect fee may be assessed for delinquent accounts.

SECTION 28. Notwithstanding any other provision of this Ordinance to the contrary, water providers within the City of Chattanooga shall bill according to the new Chattanooga sewer service charges effective on the 1st day of October 2020 until further notice.

SECTION 29. That per ordinance 12377 Section 2 Amending City Code, Part II, Chapter 31, Article VIII, Division 7, Fees, Section 31-354 the annual City of Chattanooga Water Quality

fee for bills issued on or about October 1, 2020 for calendar year 2020 will be \$152.33 per Equivalent Residential Unit (ERU) for Residential and Non-residential Properties.

SECTION 30. That Chattanooga City Code, Part II, Chapter 31, Article VIII, Division 3, Land Disturbing Activity and Erosion and Sedimentation Control, Section 31-322, be and the same is hereby deleted and the following substituted in lieu thereof:

No Land Disturbing Activity or associated activity in this Article, whether temporary or permanent, shall be conducted within the City of Chattanooga until a land disturbing permit has been issued by the City. Such permit shall be available for inspection by the City on the job site at all times during which land disturbing activities are in progress. Such permit shall be required in addition to any building permit or other permit required upon the site.

Each application for the issuance of a land disturbing permit under this article shall be accompanied by a nonrefundable permit fee subject to the following fee schedule:

Permit	Fee
Simple residential	\$250 min. (up to 1 acre distributed area)
Complex	\$250 per acre or part thereof
Revision after second review (each)	\$1,000
Post-issued revision (each)	\$1,000
Variance or Infeasibility Request	\$1,375
Bonds/Letter of credit (each)	\$675
Driveway Tile/Culvert Sized by City (each)	\$500
As-Built Survey/Certification Review (each)	\$675
Grading only	\$250 per acre or part thereof
Timber Removal Permit	\$250 per acre or part thereof
Tree Ordinance (each)	\$500

SECTION 31. That this Ordinance shall be operative, as distinguished from its effective date, on and after July 1, 2020.

SECTION 32. That if any section, sentence, word or figures contained in this Ordinance should be declared invalid by a final decree of a Court of competent jurisdiction, such holding shall not affect the remaining sentences, sections, words or figures contained in this Ordinance, but the same shall remain in full force and effect.

SECTION 33. That this Ordinance shall take effect immediately from and after its passage.

AIM Center, Inc.	GE	<p>AIM Center Supported Employment FY21 Funded: \$63,700 FY20 Funded: \$55,000</p> <p>In FY2021 AIM Center aspires to increase employment rates for Chattanoogaans diagnosed with mental illness. Research shows that adults with mental illness who utilize Supported Employment (SE) services experience greater success securing and maintaining employment, thus improving quality of life. AIM Center implements two evidence-based SE models and has witnessed that employed members have fewer hospitalizations and incarcerations, feel empowered, and experience increased self-confidence. AIM Center will increase the number of employed Chattanoogaans through expanding the SE employer base as well as increasing awareness and utilization of SE services among previously unreached populations. Over FY2021 AIM Center will expand its network of employers by hosting quarterly Employer Fairs and through routine participation in the Chattanooga Area Employment Consortium. Furthermore, AIM Center will continue to invest in its employment program through staff and member trainings, twice monthly 'Employment Dinners' for members who are employed or are interested in employment, and wrap-around support services including prevocational training and supported education opportunities. Continued support from the City of Chattanooga will increase successful employment as well as stability in members' lives as they learn to successfully manage their mental illness. This collaboration will result in multiple levels of return on investment for Chattanooga: an increased tax-base, increased disposable income, a larger cadre of skilled and entry-level employees for local businesses, and decreased mental health-related hospitalizations and incarcerations.</p>
Air Pollution Control Bureau	GE	<p>Air Quality Services (Chattanooga-Hamilton County Air Pollution Control Bureau) FY21 Funded: \$270,820 FY20 Funded: \$270,820</p> <p>The Bureau offers to provide services that will ensure compliance with the Air Pollution Control Ordinance (Chattanooga City Code) to achieve and maintain levels of air quality which will protect human health and safety. By doing this, conditions will remain favorable for continuing economic growth in the City while providing an environment conducive to quality of life activities. This, in turn, will better position the City and its stakeholders to achieve the desired outcomes for "A Growing Economy." We will: Provide support for economic development activities with existing/new businesses; Provide expedited permitting to accommodate those businesses, including VW's expansion to produce electric SUV's in Chattanooga; Issue permits to industrial/commercial sources of air pollution in an expeditious manner; Respond to citizen complaints; Assist the City in improving blighted properties by determining asbestos regulatory requirements; Strive to assure that legal requirements are being met; Conduct inspections of permitted facilities; Initiate enforcement proceedings for violations; and Provide air monitoring service. The Bureau is the sole entity designated to carry out these responsibilities and is subject to oversight by both the Tennessee Air Pollution Control Board and the U.S. EPA, with which the Bureau has an annual work-plan with specific goals and objectives based on EPA national and regional priorities.</p>

Bessie Smith Cultural Center	SSSF	<p>Inspiring the Youth through Arts, Culture and History (Bessie Smith Cultural Center) FY21 Funded: \$30,000 NEW OFFER</p> <p>Intrinsically linked to creativity and modern innovation, small museums and cultural centers must move beyond the walls of tradition to stay relevant and maintain sustainability. Not only are they "expected" to preserve their collections, but also to creatively engage and impact six (6) generations of visitors (The Greatest Generation, Silent Generation, Baby Boomers, Gen X, Gen Y, and Gen Z) in a meaningful and memorable way. The remaining status quo is no longer an option for even the smallest museum. And, an education platform geared to learning styles and content relevant for each generation must be embedded into the mission of the museum. Museums must explore partnerships and collaborative opportunities that allow them to not only invite local student participation but also provide how to achieve that involvement. The Bessie Smith Cultural Center provides historic preservation, education, art, entertainment and community events that appeal to people of all ages, races, and ethnicities: Offering culturally specific programs that engage the participation of both parents and youth ; Providing culturally relevant educational opportunities and activities for students in Hamilton County; Partner with other organizations that allow youth to express their creativity, learn from professional artists and build lasting relationships with their peers while creating art.</p> <p>The Bessie Smith Cultural Center's potential for revitalization demands a commitment to innovate programming and hire technical and creative professionals to lead the creative process. With potential funding from the City of Chattanooga, the Bessie Smith Cultural Center will be able to modernize and innovate its programming as well as hire a full-time Education Program Coordinator.</p>
Bessie Smith Cultural Center	SN	<p>Creating Change through Arts, Culture, and History (Bessie Smith Cultural Center) FY21 Funded: \$50,000 NEW OFFER</p> <p>Arts, culture and history are essential for building community, supporting development, nurturing health and well-being, and contributing to economic opportunity. Collectively, arts and culture enable understanding of the past and envisioning a shared, more equitable future.</p> <p>Bessie Smith Cultural Center (BSCC) is committed to leading significant change in the community by engaging various groups to help devise and carry out creative community-building programs. This will be accomplished by: Promoting interaction in a public place. The BSCC will provide a venue for people to meet and be exposed to a variety of neighbors drawing together people who would otherwise not be engaged in a constructive social activity; Increase civic participation through a celebration of multiple cultures. BSCC will host the Big 9 Roots Festival to showcase the community's rich and diverse cultural heritage; Fostering trust between participants thereby increasing their experience of collective civic engagement, which spurs participants to further collective action; Creating local and regional opportunities to spotlight culturally diverse programming that improve and enhance the quality of this community .</p> <p>Through potential funding provided by the City of Chattanooga, the Bessie Smith Cultural Center can provide more free community programs that create change in our community as well as provide space to other non-profit organizations and city departments to host community events at the Bessie Smith Cultural Center at low or no cost to the organization or city departments.</p>

Bethlehem Center	GE	<p>IMPACT1! Workforce Development (Bethlehem Center) FY21 Funded: \$63,700 NEW OFFER</p> <p>Chattanooga residents who are challenged by background issues or lack of education or experience are still finding it difficult to take advantage of the booming Chattanooga economy. The Impact1! Workforce Development program is a way for these individuals to initiate a career and/or enhance their career options. Coupled with our training and development piece, participants will engage in work projects where they learn more skills and earn income. The basic plan is to engage an average of 4 participants per week in light construction work for an average of 20 hours per week each, and pay them \$15.00 hour (total \$ annually to trainees = \$60,000). In the meantime, our experience has shown that exposure to opportunities at that level leads to expanded opportunities in construction and other fields.</p> <p>In the past 6 years we've seen participants go from basic construction skills to very advanced skills. Many have worked on multiple Impact1! projects over a number of years. Some have developed side businesses, and at least one has developed his own full-time business. Two participants have become team leaders over Impact1! projects and a third participant is being developed as a team leader at this time. Further, we partner with Green/Spaces and Hamilton Co Schools to develop increasingly larger and more diverse groups of individuals. The budget for this proposal will provide partial income for team leaders as well as part-time income for participants.</p>
Bicentennial Library	SSSF	<p>Library Operations FY21 Funded: \$6,791,034 FY20 Funded: \$6,766,034</p> <p>This request covers the operating costs for the Library and continues to build on our mission of being the community's catalyst for lifelong learning by providing access to books, media, electronic resources, public computers, emerging technologies, professional assistance, and valuable programming regardless of income or status.</p> <p>We maintain 5 unique branches that are strategically located throughout the City where we provide access to programs and materials; we also serve as locations for community meetings, job skills training, and classroom instruction. We partner with local community organizations, and support small businesses, startups, and entrepreneurs. We continue to ensure every student enrolled in the Hamilton County School System, regardless of residency, is eligible for a free Library Card.</p> <p>In FY'21 we will greatly increase our ability to deliver on the Library and City missions in unique ways by adding a social work staff member to deliver specialized information services to the underserved system-wide. In opening the Avondale Branch in FY20 we identified a need for an additional full-time staff person to maintain an appropriate staffing level. Lastly, we will add a seasonal, part-time summer intern to the Avondale Branch staff.</p> <p>In FY'19 we circulated over one million, one hundred thousand print and digital items, and we are seeking an additional \$500,000 for our materials budget in order to meet growing public demand. The Library is dedicated to building Smarter Students and Stronger Families.</p>

Carter Street Corporation	GE	<p>Carter Street Corporation Operating Support (Carter Street Corporation) FY21 Funded: \$200,000 (Economic Development Fund) FY20 Funded: \$200,000 (Economic Development Fund)</p> <p>The Convention Center offers the City's only large-capacity venue for national, regional, and state conventions and events, enabling the City to attract out of town visitors and increase economic growth across multiple sectors of the city. With 100,000 square feet of column-free exhibit space, 21 meeting rooms, and 19,000 square feet of divisible ballroom space on one level, the Convention Center combines incomparable service, modern amenities and a prime location to make events unforgettable. Each year, the facility attracts more than 65,000 out-of-town delegates, 35-40 large conventions and trade shows, and 360-400 local events that have a combined direct economic impact of \$35-40 million through visitor spending in hotels, restaurants, and local retail.</p> <p>Our goal is to remain a first-class convention destination, bringing in diverse, out-of-town convention delegates to increase economic investment in Chattanooga and Hamilton County and ensure optimal retail and hospitality employment rates.</p>
Chambliss Center for Children	SSSF	<p>Investing in the Education of At-Risk Children (Chambliss Center for Children) FY21 Funded: \$350,000 FY20 Funded: \$350,000</p> <p>We are requesting your help to provide high-quality early childhood education to at-risk children throughout our community. In addition to our main campus in Brainerd and our five sites located throughout the City, we are also planning two expansion projects for the next year. One of those will be right here on our main campus (District 5), and the other will be outside Eastgate mall (District 6). The two projects will increase the number of children that we can serve by approximately 190 children with 40 additional staff members.</p> <p>It is impossible for low-income families to pay for the actual cost of high-quality early childhood education and still be able to afford food, shelter, and transportation. This puts quality childcare out of reach for many of our citizens which is often a barrier to employment and to self-sufficiency. Additionally, through early education and care, we can equip children with the skills they need to succeed in school and in life. The positive outcomes are countless! We look forward to working together in making sure ALL children in our great city have access to high-quality early learning.</p>
Chattanooga Area Regional Transportation Authority	SN	<p>Public Transportation (Chattanooga Area Regional Transportation Authority) FY21 Funded: \$5,800,000 FY20 Funded: \$5,800,000</p> <p>CARTA is requesting financial assistance for its core operations: fixed bus route service and complementary demand response paratransit service (Care-A-Van). The majority of CARTA's riders, approximately 83%, are dependent on public transportation. The increase in the funding request is due to a budgeted 3.0% wage increase and related increases in FICA and pension expense.</p> <p>CARTA's pre-submission request was for a 3% increase-\$6,100,000 to cover a 3% wage increase and related fringe. The additional 3% of \$174,000 is for health insurance. Included in the \$6,100,000 pre-submission request is a 5% increase in insurance rates, however, CARTA has been quoted a 13% increase for insurance. CARTA is still in the process of working with our insurer and will need to negotiate with ATU Local 1212 to change some of the benefits included in the plan. The additional amount has been included in this initial budget request. Once we have completed our negotiations, CARTA will be able to adjust the amount to what is agreed upon with the union. In the past, CARTA has been fortunate that this insurer has over the last few years provided two rate locks and two 3% increases</p>

Chattanooga Basketball	SSSF	<p>Chattanooga Basketball - Education Through Athletics FY21 Funded: \$90,000 FY20 Funded: \$100,000</p> <p>Chattanooga Basketball is an educational program that uses competitive basketball as a hook for student participation in literacy initiatives, life skills classes, and parent education with the ultimate goal of improving the lives of area student-athletes and their families through the opportunity to attend and graduate from college. Beginning with elementary school student athletes and continuing through high school, the focus of the program is on reading at or above grade level, exemplary school performance and attendance, and using the sport of basketball for life skills development. The A, B, C's of Chattanooga Basketball are Academics, Basketball, and Character development. The goal is straightforward: all 300 participants will gain admission to post-secondary education, graduate, and become strong contributors to our community.</p> <p>Chattanooga Basketball has student athletes from virtually every school and neighborhood in Hamilton County and the surrounding area. Students practice regularly at Youth and Family Development Centers, attend literacy and tutoring sessions, and travel to tournaments around the country becoming aware of a world much bigger than the Chattanooga streets. The girls division (Tennessee Xtreme)and the boys division (Chattanooga Elite Basketball) have achieved great success including a 100% high school graduation rate and 99% college attendance rate.</p>
Chattanooga Chamber Foundation	GE	<p>Chattanooga Climbs (Chattanooga Chamber Foundation) FY21 Funded: \$450,000 (Economic Development Fund) FY20 Funded: \$450,000 (Economic Development Fund)</p> <p>The Chamber's previous job creation strategy, Chattanooga CAN DO, focused on recruiting new business, retaining existing businesses, supporting startups and building a strong workforce. From 2003 through November 2019, the Chamber's cumulative successes have resulted in 168 economic development projects directly assisted by the Chamber team, creating almost 25,000 new jobs, with a combined capital investment of almost \$5 billion. The Chattanooga Chamber Foundation recently announced Chattanooga Climbs, a 5-year plan to advance economic and talent development that grew out of the community-wide visioning of Velocity2040.</p> <p>The four key strategies of Chattanooga Climbs include: We will become future ready. This means ensuring all our residents gain the skills for productive careers and a high quality of life, including what are known as new economy skills; We will create economic mobility for all to ensure that every resident thrives. That means empowering residents to seek high-quality jobs, jobs that are accessible to all; We will lead Gig City wins. This means we will encourage accelerated entrepreneurial momentum to drive economic growth through startups and small businesses; We will create an inclusive economy, led by collaborative leaders. The plan includes expanding open conversations within our community to encourage civic engagement opportunities among all residents.</p>

Chattanooga Chamber Foundation	GE	<p>Chattanooga Marketing and Industrial Services (Chattanooga Chamber Foundation) FY21 Funded: \$75,000 (Economic Development Fund) FY20 Funded: \$75,000 (Economic Development Fund)</p> <p>The Chattanooga Chamber is intensively focused on marketing Chattanooga regionally, nationally and internationally as a desirable environment to launch, locate, relocate and grow businesses in a wide variety of economy sectors. Intentional efforts to diversify our industry sectors rather than relying on organic growth provides improved business stability that protects Chattanooga's economy during the inevitable times of cyclical economic downturns.</p> <p>Chattanooga's citizens directly benefit from our efforts through resulting job creation, improved earning opportunities, training and retraining availability, as well as increased capital investments in business and industrial property that drives increased commercial tax payments to support city services. The Chamber, in partnership with the City of Chattanooga, leverages our extensive national and international media contacts to secure introductions and interviews that translate directly into earned media coverage of Chattanooga as a premier location for talent acquisition, business startups, innovation, advanced manufacturing and technology development.</p> <p>In addition, the Chamber provides critical support services to the City in working with development prospects to recruit projects, handle information requests, track progress toward goals, provide reports to City Council and manage the Foreign Trade Zone.</p>
Chattanooga Design Studio	GE	<p>Chattanooga Design Studio FY21 Funded: \$200,000 FY20 Funded: \$100,000</p> <p>This offer is for \$325,000 to support the mission of the Chattanooga Design Studio. CDS is an independent nonprofit urban design resource for Chattanooga. We see our role as multidimensional: to educate the public on issues concerning urban design, offer design and research services to private and public entities, and provide programs for the professional design community. Everything built within our communities resulted because of planning and design. Today, cities across the country are finding that when communities focus on efforts that reinforce public life, they can address the large banner issues that communities worldwide are concerned about. We now know that the design of the physical form of our communities has a direct correlation to our physical and mental well-being. We also know that the process by which improvements are designed need to be more inclusive and reach a diverse background of voices. In every endeavor CDS is guided by our belief that excellent urban design is accomplished through public education and an inclusive approach to planning and design. Our collaborative approach brings together developers, community groups, design professionals, politicians and regulators to discuss the public realm. Engaging these various groups insures that the work we produce is an organizational framework for growing economy, helps provide safer streets and supports efforts to provide stronger neighborhoods. We're proficient in getting the conversation started and maintaining critical collaboration on public and private projects. As an organization which educates and advocates for quality interaction of the public and private realms, our work aims to improve the quality of life for all. This means our work has a focus on human qualities of Chattanooga that seek to find improvement of material well being; physical well-being; interpersonal relationships; emotional and personal development.</p>

Chattanooga Football Club Foundation	SSSF	<p>Operation Get Active (Chattanooga Football Club Foundation) FY21 Funded: \$25,000 FY20 Funded: \$40,000</p> <p>The mission of the Chattanooga Football Club Foundation is to engage and empower the community through soccer. Our flagship youth program is Operation Get Active (OGA), a health initiative launched in spring 2016 that uses the game of soccer to encourage youth to live active and healthy lifestyles. Since its inception, OGA has served over 3,500 children aged 6-12 from 23 Hamilton County public schools, ten City of Chattanooga Youth and Family Development Centers, nonprofit centers for individuals with disabilities. Most of our program participants come from low-income, urban, and ethnic minority backgrounds. City funding will support OGA programming at 12 YFD centers, impacting at least 700 children via a 7-week summer session. Led by a minimum of two trained OGA coaches, sessions are an hour and a half long and are held two hours once per week during the summer. For the summer session, we will host an end-of-season tournament at Finley Stadium for the community and our participants.</p> <p>We will also provide coach training for all participating YFD staff. This training, United Soccer Coaches 4v4, teaches coaches how to provide age-appropriate activities around a 4v4 game structure. Further, new for the upcoming summer is the inclusion of trauma-informed training in partnership with WeCoach, which will equip YDF staff and coaches with the knowledge and techniques to serve as trauma-informed coach-mentors to young people. We look forward to continuing our ongoing, successful partnership with the City of Chattanooga's Department of Youth and Family Development.</p>

Chattanooga Goodwill Industries, Inc.	SN	<p>Furniture Bank (Chattanooga Goodwill Industries, Inc.) FY21 Funded: \$5,000 FY20 Funded: \$5,000</p> <p>The Furniture Bank is the only service of its type in our area. The Furniture Bank serves as an ancillary service to 28 case management partner agencies. Among the partner agencies is the City of Chattanooga Homeless Healthcare and the City of Chattanooga Homeless Coalition. The Furniture Bank takes donations of new and gently used furniture, cleans and repairs it as needed. The furniture is then given out to persons in need of furniture. Persons who receive furniture must be referred by one of the 28 501C3 case management agencies. Persons who receive furniture usually fall into these categories: homeless in the street, homeless in a shelter, first time renter, fleeing domestic violence, suffered from a fire, flood, vermin infestation or other disaster.</p> <p>The furniture Bank enables a space to become a stable home. It is hard to get up every morning and go to school or work if you are sleeping on the floor. The Furniture Bank provides a warm and cozy bed. The furniture Bank strives to give its participants the furniture needed to make their living space a home. Each family receives a bed for each member of the household, a chest of drawers for each member, a living room sofa, love seat, or chairs, and a dining table and chairs. If other items are available such as end tables, coffee tables, lamps, dishes, pot and pans, and nick knacks the participant may select those items as well. Each person is given a private appointment to come to the Furniture Bank and select from the items in stock. The participant must provide their own truck to pick-up the furniture. This is a once in a life time service. The Furniture Bank also keeps furniture out of the landfill. Chattanooga Goodwill Industries, Inc. keeps approximately 10,000,000 pounds out of the landfill each year. This saves the City of Chattanooga approximately \$421, 320 a year in landfill and disposal cost. The Furniture Bank keeps approximately 90 tons of Furniture out of the landfill each year.</p>
Chattanooga Neighborhood Enterprise	SN	<p>CNE’s Affordable Housing, Resident Engagement, and Loan Servicing (Chattanooga Neighborhood Enterprise) FY21 Funded: \$705,000 FY20 Funded: \$535,000</p> <p>Chattanooga Neighborhood Enterprise has historically operated as an extension of the City's Economic and Community Development Department, partnering to execute its community revitalization, affordable housing and loan servicing efforts. CNE operates the City's down payment and home improvement loan programs and provides pre-purchase counseling and financial education to promote homeownership. CNE builds stronger neighborhoods through its development of mixed-income (income restricted and market rate) communities, providing both rental and single-family homes. Integral to this process, CNE fosters resident leadership by focusing civic engagement activities on neighborhood revitalization projects.</p> <p>In FY21, CNE will:</p> <ol style="list-style-type: none"> 1. Pilot a small grant program that incentivizes 20 residents to implement tools that positively impact neighborhood revitalization that can be replicated throughout the city; 2. Reduce blight of twelve homes, six through the City's home improvement program and six through CNE's resources; 3. Generate \$8.47M in new investment in Ridgedale, Highland Park and E. MLK through the development of 113 new rental housing units, generating an annual return of approximately \$172,000 in new taxes for the City and County; 4. Create fifty-seven (57) income restricted affordable housing units in Ridgedale, Highland Park and MLK (4 units at 50% AMI, 16 units at 60% AMI, 37 units at 80% AMI); 5. 135 individuals report that they improved their financial wellbeing (improved credit scores, increased savings, reduced debt, homeownership); 6. Maximize income on the City's \$8.3M loan portfolio by keeping loan delinquencies below or on par with FHA industry standards (10.65%).

Chattanooga Regional Homeless Coalition	SN	<p>Cold Weather Homeless Shelter (Chattanooga Regional Homeless Coalition) FY21 Funded: \$70,000 FY20 Funded: \$70,000</p> <p>The funding request is to cover the personnel, security, and operational costs of the Cold Weather Shelter for people experiencing homelessness during winters months in the Chattanooga region. The shelter is open each year from December to March. It is operated in partnership with the Chattanooga Community Kitchen. The shelter provides a warm, safe space for Chattanooga's citizens experiencing homelessness to escape the life threatening winter weather conditions. It is a low-barrier shelter and needed to prevent deaths due to the harsh winter elements. No other shelter of its kind exist in Chattanooga. A low barrier shelter removes as many preconditions to entry as possible.</p>
Chattanooga Room in the Inn	SN	<p>Transitional Housing (Chattanooga Room In the Inn) FY21 Funded: \$24,000 FY20 Funded: \$25,000</p> <p>Chronically homeless individuals cost taxpayers between \$30,000 to \$50,000 per year per individual according to the United States Interagency Council on Homelessness (USICH). A homeless individual in Chattanooga may cycle through hospital emergency rooms, jail, psychiatric institutions and/or detox programs, which all have a high price tag. In fact, taxpayers pay \$110 per day for a chronically homeless individual to NOT be housed. Chattanooga has a higher than average rate of people who are considered chronically homeless. In 2017s Point in Time Count, they make up 33% of the total homeless population while nationwide it is 15%.</p> <p>Chattanooga Room in the Inn (CRITI) seeks funding for its Transitional Housing program, which serves women and children experiencing homelessness and provides a safe and supportive place to live along with supplies in order to stabilize and take the steps necessary to move into permanent housing. The program has a strong focus on advocacy and engagement to build trusting relationships with participants while providing the resources to overcome barriers that have kept them from remaining housed in the past. The main goal of this program is to address the issues that led participants to CRITI and teach participants how to succeed afterwards. When women graduate from CRITI, they are more likely to remain permanently housed. 88% of program graduates since 2006 remain permanently housed to date without repeating episodes of homelessness. This has saved this community over \$2 million per year.</p>
Children's Advocacy Center: Emmy Haney House	SS	<p>The Children's Advocacy Center Therapy & Forensic Interviewing FY21 Funded: \$63,700 NEW OFFER</p> <p>The Children's Advocacy Center (CAC) provides a comprehensive path to healing for children who are victims of child sexual abuse. The CAC is the only agency in Chattanooga that provides a safe place for children to tell their stories and receive treatment for the after-effects of abuse. The CAC serves between 500-800 children annually. The CAC coordinates investigations of child sexual abuse working with the Chattanooga Police Department (CPD), the Department of Children's Services (DCS), and the District Attorney's Office. The CAC is the largest onsite partner at the Family Justice Center and that partnership supports families throughout Chattanooga to receive services at one location. Being co-located with the CPD, Special Victim's Unit allows for robust collaboration which results in quicker, complete services to families. A cornerstone of the CAC's 2019-2021 Strategic Plan to continue to provide support CPD to hold perpetrators accountable. The funding from the City would not only support services for victims, but it would support CAC's ability to coordinate a team that would help to take perpetrators off the streets. Another service that continues to expand with the CAC partnership with CPD is forensic interviews (FI) for children who are witnesses or victims of violent crimes. The CAC experts who speak to a child help CPD gather evidence.</p> <p>To provide these services to children who are victims of sexual abuse and violent crimes the CAC is asking for \$65,000 for the Forensic Interview Program.</p>

Community Foundation of Greater Chattanooga, Inc.	SSSF	<p>Together We Can - College Access and Success (Community Foundation of Greater Chattanooga, Inc.) FY21 Funded: \$100,000 FY20 Funded: \$100,000</p> <p>Together We Can (TWC) is a college access and success scholarship that focuses on our City's most financially vulnerable and/or first-generation college-bound students. This scholarship is open to graduating high school seniors attending a Hamilton County public school and reside in the City of Chattanooga. It is renewable for up to four-years (8 semesters) and the award ranges from \$1,000-\$3,000 depending on the recipients' college financial aid package.</p> <p>The TWC scholarship is much more meaningful than just providing our city's students with money for college (that sounds and feels very transactional); it provides them access to our Scholarship Director who provides guidance, encouragement and tough love as they learn to navigate the various hurdles of college as well as life; in addition, the Foundation assists with updating necessary annual financial aid forms and keeps students abreast of other opportunities (i.e. scholarships, summer internships, study abroad and co-op programs).</p> <p>This scholarship opportunity has been in existence since 1992 and we have been fortunate to learn from many of our students (current/college graduates) how meaningful this scholarship is/was to them and how it truly changed the trajectory of their lives.</p>
Community Haven	SN	<p>Feed the Community (Community Haven) FY21 Funded: \$10,000 NEW OFFER</p> <p>Community Haven is a community-based non-profit organization committed to creating opportunities that significantly impact thousands of Chattanooga's underserved residents. The organization purchased a 5-acre site in East Chattanooga to expand its operations to better implement its community initiatives. Our first 2 phases of development include refurbishing an office building and two athletic courts. We are currently refurbishing our office building, where we will design, plan and implement projects. Our move-in date is December 2019. It is the intent of this 2021 BFO request to use the office facility and outdoor courts to implement our Feed the Community program. We will implement the program at the site, as well as house a pantry to fulfill residents' emergency need for food. This program will also be open to train community youth on the value of giving back.</p> <p>Those living in underserved communities have numerous challenges in their daily lives, not the least of these is nutrition. Besides living in food deserts with limited access to fresh and healthy food choices, most low socio-economic and minority communities in Chattanooga also lack nutritional education. Community Haven's founders and board members have over 20 years of combined experience in feeding residents in the Alton Park, Westside and East Chattanooga communities. We are prepared to implement a professional Feed the Community program that focuses on nutritional education, healthy lifestyles and cultural choices, as well as leadership development.</p>

Convention and Visitors Bureau	GE	<p>IRONMAN (Convention and Visitors Bureau) FY21 Funded: \$80,000 FY20 Funded: \$100,000</p> <p>The IRONMAN initiative, brought to Chattanooga in 2014, is an example of how success and growth of the sports tourism economy happens only through community collaboration and investment. The following documentation best represents a special initiative that has an estimated annual economic impact of over \$14 million on our local economy. This impact is growing the economy by creating local entrepreneur opportunities, growing municipal sales & occupancy tax collections and increasing opportunity for capital investments within the overall hospitality industry in Chattanooga.</p> <p>IRONMAN brand association helps also grow our marketing brand as one of the best outdoor destinations in the world. In 2017, Chattanooga became the only city in the world to ever host a 70.3 IRONMAN, 70.3 IRONMAN Female World Championship, 70.3 IRONMAN Male World Championship and then two weeks later host a full distance (140.6 miles) IRONMAN Chattanooga. IRONMAN has had a positive impact on Chattanooga’s economy, brand and Chattanooga citizen’s quality of life.</p>
Creative Discovery Museum	SSSF	<p>Early Childhood STEAM Academy (Creative Discovery Museum) FY21 Funded: \$20,000 FY20 Funded: \$25,000</p> <p>Creative Discovery Museum (CDM) seeks to empower early childhood teachers to incorporate STEAM (Science, Technology, Education, Art, Math) education into their everyday curriculum. Early childhood educators are least confident about teaching science, yet STEAM activities are a critical part of early childhood experiences. There is a need for more content focused professional development opportunities for early childhood teachers, particularly training for STEAM. CDM will offer an Early Childhood STEAM Academy serving 20 Early Head Start, Head Start and community-based providers annually in best practices for early childhood STEAM education. Participants will attend 10 professional development workshops focused on a specific area of early childhood STEAM and will observe CDM teachers as they present model STEAM lesson at various sites. Following each workshop, participants will teach lessons at their sites using the concepts presented at the monthly workshop and offer a follow-up report to their cohort the next month. Monthly reports will evaluate the program's effectiveness. Participants will complete a final project before graduating from the Academy. An estimated 600 children will benefit directly from the Academy in year two, with this number growing exponentially over time.</p>
Enterprise Center	GE	<p>TEC Innovation District-Center (The Enterprise Center) FY21 Funded: \$987,500 (Economic Development Fund) FY20 Funded: \$1,002,500 (Economic Development Fund)</p> <p>The Enterprise Center will continue to unite people, organizations, and technology to build an advanced and inclusive future for our community, with a focus on equity, collaboration, economic mobility, and Smart City innovation.</p> <ol style="list-style-type: none"> 1. Innovation District - Focusing on implementation of the Innovation District Framework Plan, we continue work on public realm improvement, innovation economy supports, and people and programming. We are expanding outreach to those typically underserved/uninformed regarding resources and opportunities - including opportunities such as the Cybersecurity Competition, Bingo’s Market, and the Patten Porch project. Finally, TEC will create a working group of local/national partners to explore the creation of a signature national event, resulting in opportunities for participants to learn about the opportunities in Chattanooga and to bring ideas/solutions to Chattanooga. 2. Research and Application Development - The Chattanooga Smart Community Collaborative (CSCC) was formed in 2018 with representation from City and County Governments, EPB, UTC, TEC, Co.Lab, and Erlanger. CSCC cultivates an ecosystem of academia, industry, and community that apply innovative solutions to urban challenges in Chattanooga. As a part of this work, the CSCC has developed a Smart City testbed along ML King Blvd, utilizing a wide array of sensors and experimental wireless networks that allow cutting edge research, including innovative and ethical data collection and analysis. Initially focused on health care, transportation, and public safety, the eventual goal includes identifying and building new opportunities that improve quality of life for residents along with the building of new innovations and business opportunities within the city.

Enterprise Center	SSSF	<p>The Enterprise Center - Digital Inclusion FY21 Funded: \$421,000 (Economic Development Fund) FY20 Funded: \$421,000 (Economic Development Fund)</p> <p>The Enterprise Center supports economic mobility and improved quality of life through a focus on digital equity and inclusion, anchored by the Tech Goes Home (TGH) initiative, which facilitates access to internet connectivity, technology and digital education/skills training. We partner with schools, public libraries, churches, and other organizations across Hamilton County to offer free courses designed to help residents understand ways in which the Internet can positively impact their daily lives. Upon completion of the TGH course, participants have the option to purchase a new Chromebook or tablet for only \$50 and receive assistance in obtaining access to low-cost home Internet.</p> <p>We are requesting funds to continue growing the impact of our program, as well as expand services to specific populations. TGH is working with various organizations to offer specialized courses for early childhood educators, Spanish-speaking families, for the parents of nonverbal children, those who are blind or with low-vision, and those who are deaf or hard-of-hearing. TGH will also expand its Office Ready programming, where we focus on digital office skills with Google apps.</p> <p>The Enterprise Center is working to build long-term, sustainable and equitable economic growth for our entire community while leveraging technological assets in order to rapidly expand the scale, scope and modes of impact. As an increasing percentage of life takes place online, we must ensure that not just some, but all Chattanoogaans, can participate and fully engage in our increasingly digital world.</p>
Family Promise of Greater Chattanooga	SN	<p>Flexible Housing Fund (Family Promise of Greater Chattanooga) FY21 Funded: \$400,000 NEW OFFER</p> <p>Flexible Housing Fund Purpose: It is the intent of the Flexible Housing Fund to be used for a variety of circumstances that could present barriers to housing for people experiencing homelessness. This includes payment for back rent, current or back utility payments, moving costs, security deposits, and ongoing short-term rental assistance. It is the goal of the fund to provide just enough financial assistance to ensure successful outcomes for people exiting homelessness. Often financial assistance in our community is limited by the type of assistance it can provide. This fund seeks to supplement our existing resources and fill in where others can not.</p>
Friends of the Zoo, Inc.	SSSF	<p>Chattanooga Zoo: Community Engagement Initiative (Friends of the Zoo, Inc.) FY21 Funded: \$20,000 FY20 Funded: \$20,000</p> <p>The Chattanooga Zoo's Community Engagement Initiative seeks to leverage the unique resources of the Zoo to inspire and engage target populations of Chattanooga citizens including the special needs community, the Latino population, and senior citizens. This initiative incorporates programs including Dreamnight, Camp ZooAbility, GoFest!, and our Senior Safari outreach program as well as our partnerships with institutions such as La Paz. These programs provide recreational and educational opportunities while also promoting family time.</p> <p>Dreamnight- welcomes all with chronic illnesses, disabilities, or special needs along with their families or caregivers for free nights at the Zoo. These provide the opportunity for learning and recreation with other families who understand unique needs.</p> <p>Camp ZooAbility - summer camp for individuals with special needs. A partnership with the city's Therapeutic Recreation division, the Zoo hosts this camp for 2 weeks during the summer.</p> <p>GoFest! - in conjunction with the Mayor's office, this event is for disability resource awareness.</p> <p>Senior Safari outreach - Zoo staff visit senior organizations to provide enriching, educational content and live animal interactions. Kulture City certification - Sensory Inclusive certification in 2019 has placed sensory signage around the Zoo & also provides sensory bags to guests who request them. Girls Inc. of Chattanooga	SSSF	<p>Expansion of Early Literacy Bookworm Club for 4th & 5th Grade (Girls Inc.) FY21 Funded: \$45,000 NEW OFFER</p> <p>"According to Chattanooga 2.0, research shows reading proficiency by third grade is the single most important predictor of high school graduation and career success, however, only 37% of kids across Hamilton County are reading at or above grade level. With 89% of girls participating in the Bookworm Club reading at or above grade level, Girls Inc. provides a proven literacy solution that (1) encourages an understanding of the importance of reading as an everyday life skill and (2) prepares our girls to be on grade reading level by the time they leave third grade. Girls Inc. also recognizes a critical need for literacy enrichment programs beyond 3rd grade. Girls Inc. Club LIT(eracy) provides a continuum for girls in 4th and 5th grade, building on their verbal and written communication skills, and promoting a love for reading through comprehension and fluency activities. Combined, the expansion of these programs will engage over sixty girls twice per week after school. Performance is measured through literacy and reading comprehension evaluation tools.</p> <p>While literacy is the main focus, Girls Inc. also prioritizes teaching critical life skills while also ensuring the social-emotional needs of the girls are being met. Collaborative partnerships with UTC, Chattanooga State, TVA, UNUM, and others to ensure that volunteers and mentors maximize the girl's experience. This funding will support the continuation of the successful afterschool programs at Shepherd and South Chattanooga YFDCs, as well as the center-based site located on Brainerd Road, AND the addition of 24 girls at East Ridge Elementary.</p>
Girls Inc. of Chattanooga	SSSF	<p>Girls Inc. Summer Camps With Transportation FY21 Funded: \$16,000 NEW OFFER</p> <p>Research shows that access to quality and affordable summer learning programs is a struggle for many low-income families. The YFDCs provide a safe, low-cost place for kids to go in the summer, but many YFDC sites reach capacity quickly and families are put on waiting lists. Girls Inc. (GIC) understands that cost is often a determining factor for many hard-working families when choosing where to send their girls. GIC proposes a solution by offering to waive summer camp fees for girls on the waiting lists whose families who can't afford to pay. GIC understands that transportation can also be a barrier and is committed to providing transportation options for families that need it. GIC will provide STEM and other themed summer camps at the center for up to 98 girls. Curriculums ensure the academic focus supports the girls' school-based learning, critical life skills are taught, and the social-emotional needs of the girls are being met. Each curriculum is designed to increase a girl's knowledge, teach a new skill, and improve attitudes and behaviors, each being measured in pre & post testing. Collaborative partnerships with UTC, Chattanooga State, TVA, UNUM, and others ensure that interactive activities, field trips, and mentors maximize the girls' experience. These programs have long-term community impact: they help close the achievement gap that exists between girls from low-income families and their more affluent peers and girls will perform better academically, be more confident, and will be equipped with the life skills needed to navigate gender, economic and social barriers.</p>

Girls Inc. of Chattanooga	SSSF	<p>STEAM TechKnow Girl Club (Girls Inc. of Chattanooga) FY21 Funded: \$21,000 FY20 Funded: \$30,000</p> <p>Women are under-represented in STEM, earning fewer than 20% of computer science and engineering degrees and comprising only 28% of the total STEM workforce. Stereotypes, gender biases, and lack of exposure to women in STEM fields contribute to the lack of girls pursuing these non-traditional careers. Though girls perform equally with their male peers in math and science, studies show that they lack confidence in these subjects. TechKnow Girl Club equips girls to master STEM subjects through a minimum of 35 hours of engaging hands-on exploration, fun group activities, and practical applications. Girls will apply the scientific method in interactive experiments promoting investigation, problem-solving, and critical thinking skills. The curriculum ensures the academic focus supports the girls school-based learning, critical life skills are taught, and the girl's social-emotional needs are being met. Collaborative partnerships with UTC, Chattanooga State, TVA, UNUM, and others ensure that volunteers and mentors maximize the girls experience. Funding will allow Girls Inc. to continue this successful afterschool program for 36 girls at various YFDCS sites, including Shepherd and Washington Hills. This program will have a long-term community impact as these 3rd-5th grade girls perform better academically, are confident in math and science, and acquire the skills needed to break barriers and see their potential in these non-traditional STEM careers.</p>
green spaces	GE	<p>Build it Green - Construction Workforce Development Program (Green Spaces) FY21 Funded: \$10,000 FY20 Funded: \$10,000</p> <p>According to the National Homebuilders Association, there are 800,000 fewer workers in the homebuilding industry now compared to in 2006 prior to the recession. With construction on the rise, there are jobs open especially in the subcontractor areas. Additionally, in the state of Tennessee, the average age of a construction worker is 41 with data showing there continues to be a lack of people entering the field creating a shortage of skilled labor. For every five individuals retiring from the industry, there is only one person replacing them.</p> <p>In 2018, green spaces launched a workforce development program in partnership with Build Me a World for at risk young adults preparing them for construction and energy services industry jobs. Build it Green aka BIG is a 12 week program where the trainees learn soft skills needed to become a productive employee along with learning weatherization, basic carpentry and home renovation skills. They are provided a small stipend with money management courses, hear from guest speakers from the community, construction and energy fields and perform community building projects like canvassing and teaching the energy savings classes. From our three past rounds, we graduated 38 individuals with 80% placement and retention in employment. We see this as a huge success when comparing our program to other workforce development programs that typically have graduation and retention rates in the 20% - 40%. Over 2020/2021 year, we will continue with 3 more rounds with the goal of 14 individuals per round.</p>

green spaces	SN	<p>Empower Chattanooga (green spaces) FY21 Funded: \$10,000 FY20 Funded: \$15,000</p> <p>According to the Department of Energy, low-income households spend an average of 15%-20% of their income on energy bills, whereas energy burdens above 6% are typically considered unaffordable. Residents in East Chattanooga, Highland Park, East Lake and Alton Park are using 43% more energy per square foot during the winter months than the average home in Chattanooga, equating to \$500 - \$600 per month. A household may be able to afford the rent or home payment but then have to take a predatory loan or rely on a social service due to the inability to pay the high utility bill. The Chattanooga Area Food Bank released that 69% of their clients are actively choosing between buying food and paying for utility bills. Currently over \$2 Million is provided to low-income residents in the EPB service territory in the form of direct energy assistance payments along with an additional \$450,000 invested in weatherization programs each year. Empower Chattanooga is the only organization providing energy savings education in Chattanooga. By educating and empowering residents to take control of their own energy consumption, we will reduce the dependence on utility assistance programs and other social services while providing them with more disposable income. To date, we have served more than 3000 families through our workshops. Our goals for 2020/2021 include educating an additional 1500 families with the Empower Workshops, increasing our presence in schools and hosting community-building events that provide leadership development opportunities.</p>
Habitat for Humanity of Greater Chattanooga Area	SN	<p>Affordable Housing and Neighborhood Development for Low-Income Citizens (Habitat for Humanity of Greater Chattanooga Area) FY21 Funded: \$35,000 FY20 Funded: \$40,000</p> <p>Our approach to addressing affordable housing is comprised of: New Home Builds: We build affordable, energy-efficient homes that are sold to low-income families (between 30%-80% of the average median income) at 0% interest and a cost based on their income, coupled with a 20-year forgivable second mortgage of at least \$10,000 (calculated by appraisal value less first mortgage amount), creating instant equity for our families. Home Repairs: We repair owner-occupied homes of low-income households and offer two programs: A Brush with Kindness, which is mostly exterior work and weatherization, and Critical Home Repair, which provides extensive interior/exterior to alleviate critical health, life, and safety issues or code violations. Aging in Place (AIP): AIP serves senior citizen homeowners through accessibility improvements, mobility modifications, weatherization enhancements, and critical home repairs that are crucial to helping seniors live in their own homes longer. Homeowner Education: Future homeowners are required to attend 36.5 hours of specified classes to enhance their ability to be a good neighbor and successful homeowner.</p> <p>In FY21, with the aid of BFO dollars, we will build four new homes, provide 1,200 volunteer instances, and conduct 33 repair projects (including AIP) and 36 homeowner education classes. Services will be focused in the Villages at Alton Park, where Habitat has invested over \$1.4M in housing over the last several years. Alton Park is one the most poverty-stricken zip codes in Chattanooga, with poverty and child-poverty rates of 55% and 79.3%, respectively, versus the city's rates of 21.1% and 32.4%.</p>

Helen Ross McNabb Center	SS	<p>Mitchell Home (Helen Ross McNabb Center) FY21 Funded: \$17,000 FY20 Funded: \$17,000</p> <p>According to US Interagency Council on Homelessness, In 2018 Tennessee had an estimated 7,883 experiencing homelessness on any given day, as reported by Continuums of Care to the U.S. Department of Housing and Urban Development (HUD). Of that Total, 1,663 were individuals experiencing chronic homelessness. According to the Chattanooga Interagency on Homelessness numbers show there were 322 chronically homeless people in 2018, out of a total of 623 homeless here in Chattanooga. The Chattanooga Point In Time report indicates in the last calendar year there were 283 unsheltered adults in the city of Chattanooga. As verified with national and local data, 30% of homeless adults experience a chronic and severe mental health issue. Many of these individuals struggle with accessing housing due to histories of past convictions, unpaid utility and other expenses, criminal histories and insufficient income. Mitchell home provides 12 supportive housing beds, which ensures not only shelter for 12 adults with significant and chronic mental health issues but also provides support focused on daily living activities (medication compliance, hygiene practices etc) and increasing coping skills. Residents are referred to HRMC Mitchell home by the local homeless services (community kitchen, salvation army, rescue mission) as well as local emergency rooms, jails, courts and inpatient psychiatric hospitals. This level of housing reduces the expenses on all of those referral sources as well as local law enforcement.</p>
Helen Ross McNabb Center	SSSF	<p>Indigent Mental Health Care (Helen Ross McNabb Center) FY21 Funded: \$10,000 FY20 Funded: \$10,000</p> <p>According to the 2019 Kids Count report, Tennessee's youth are not performing academically up to national expectations. Despite improvement the need continues reflected by 67% of 4th graders not reading on grade level, 70% of 8th graders not proficient in math, 21% reside in poverty and 28% reside with parents who lack secure employment. One in four individuals will need mental health services and 8.2 % of those individuals report significant mental distress. Up to 14% of youth with mental health needs may miss between 18-22 days of school and receive grades of D's and F's. Many youth and families remain un or under insured which prevents them from accessing mental health services. Untreated mental health concerns strain the individual, family and community. The Indigent Mental health Treatment program offers a holistic approach to combating mental illness by providing those without medical coverage or with limited coverage plans needed services to improve attendance, raise academic performance and allow students to pursue academic and career goals. The program has been altered specifically focused in breaking down the barrier of transportation to provide services to children and families closer to their home. Services are provided at East Lake Courts in a partnership between HRMC and Chattanooga Housing Authority. Services are also offered at Dogwood Manor to reach those over the age of 55 who also struggle with transportation barriers. Offices are provided at each CHA property and can be accessed by others residing in the community close to these two locations. This community based approach responds to the need to reduce the stigma of accessing services and making resource readily available to those most in need.</p>

Helen Ross McNabb Center	SSSF	<p>Project BASIC (Helen Ross McNabb Center) FY21 Funded: \$13,760 FY20 Funded: \$15,000</p> <p>Chattanooga 2.0 and the OppZone Wins initiative continue to strive to increase the number of students in Chattanooga who graduate from high school. This goal can be achieved by addressing children's challenges early on while promoting positive coping skills which lead to improved academic performance. In the course of a school year, children with unidentified mental health issues may miss up to 22 days of school. 14% of Youth with mental health needs receive grades of D's and F's. Best practice guidelines indicate that a person's emotional intelligence has a direct result of success in life. Emotional intelligence can be taught and is the best predictor of a child's future success. Calvin Donaldson Environment Sciences Academy is one of six elementary schools in the identified Opportunity Zone. Students in this learning community have demonstrated lower academic performance. By implementing the Pyramid model, the evidence based model provided through Project BASIC, children's mental health needs are readily identified and responded to, increasing their ability to focus and perform academically. The model assists children in learning and growing emotionally by targeting social and emotional IQ in the classroom, the child's natural learning environment. Both students and teachers benefit from the curriculum as well as the individual support provided to students and their families. The programs history reveals success in identifying elementary school age children in need of mental health services, linking those children and their families to mental health and social services in the community which results in improved attendance and performance by those receiving services.</p>
Helen Ross McNabb Center	SSSF	<p>Trauma Informed Psychotherapy (Helen Ross McNabb Center) FY21 Funded: \$20,000 FY20 Funded: \$20,000</p> <p>Approximately 4% of children under the age of 18 are exposed to some form of trauma or Adverse Childhood Experience (ACE) in their lifetime. The impact of those who score a 3 or higher is significant and impacts the child's development. Those who have experienced trauma without the specific trauma informed therapy to increase coping skills and function are at higher risk for; increased learning and behavior problems, lifelong health concerns, future acts of violence, poor academic performance , poor peer relationships and ultimately unable to sustain employment and financial stability. ACE's cost the economy \$124 billion over the lifetime of those affected. According to the 2018 Chattanooga Police Department report, there were 1616 violent crimes last year, 511 incidents of domestic violence assault, 15,243 car accidents.</p>
Human Services	SSSF	<p>Human Services Administration (YFD Social Services) FY21 Funded: \$1,334,643 FY20 Funded: \$1,334,643</p> <p>The Department of Youth and Family Development's (YFD) Social Services division provides the administrative and oversight support necessary to operate federal and state grant funded programs. The programs housed under the Human Services Division provide services to young children, youth, economically disadvantaged citizens, seniors and those experiencing crisis. In totality, these programs provide support for those in our community wanting to increase their economic well being, become more socially and civically engaged, and to bring about household stability. Programs include: Head Start and Early Head Start, and Early Head Start Child Care Partnership (HS/EHS/EHS-CCP); Office of Family Empowerment (OFE); and the Foster Grandparent Program (FGP).</p> <p>Grant funding provided under these programs totals include outputs of: 998 children served through Early Head Start, Head Start, and Early-Head Start Child Care Partnership, over 5000 families served through Community Services Block Grant (CSBG), Low Income Home Energy Assistance Program (LIHEAP), Emergency Food & Shelter Program (EFSP); and over 200 children directly impacted by the Foster Grandparent Program (FGP). These outcomes are generated through local, state, and federal funding of over \$20M. In FY 2021 this offer will show an increase in requested allocations to provide funding for economic mobility efforts in OFE, and to accommodate a decrease in space charges and other income generated at the 12th St YFD Administration building as our Department has become more fully unified in operations.</p>

Joe Johnson Mental Health	SS	<p>Intensive Criminal Justice Case Management (Johnson Mental Health Center) FY21 Funded: \$58,800 FY20 Funded: \$60,000</p> <p>The Intensive Criminal Justice Case Management Program (ICJCM) will promote Safer Streets by engaging individuals with mental illness, substance abuse disorders, or those who have co-occurring disorders, and a history of criminal justice system involvement. Individuals will be provided with comprehensive services to treat a variety of problems, which may affect their participation in criminal activity. The goals of the program are to provide appropriate treatment and support, to reduce criminal activity and to increase community tenure. By reducing the amount of criminal activity, jail time and re-incarceration, we further the Mayor's goal of having Safer Streets for our citizens. Individuals who have been incarcerated or who are at risk for re-incarceration will be served in this program. Johnson Mental Health Center will work with Chattanooga Police Department, The Family Justice Center, Mental Health Court, Probation and Parole and other community programs. The case manager will assist individuals with receiving mental health treatment, housing, substance abuse treatment, employment services, access to benefits, and medical services. As individuals become stable, crimes will be reduced, city streets will become safer, and costs to the city will be reduced. The goal of these programs is to provide earlier intervention and more comprehensive after care and follow up. The philosophy of providing the most intense treatment, combined with the ICJCM and other community programs working together, the goals of increasing the safety of Chattanooga's citizens and improve the overall quality of life in our city through development of safer streets can be realized.</p>
La Paz Chattanooga	SSSF	<p>Latino Family Resource Center (La Paz Chattanooga) FY21 Funded: \$49,000 FY20 Funded: \$25,000</p> <p>In FY 2015, La Paz Chattanooga established the area's first Latino Family Resource Center in partnership with the Office of Multicultural Affairs to focus on empowering Latinx families in Chattanooga. Since opening, the FRC has improved the quality of life for the city's fastest growing demographic by removing barriers and increasing access to resources. The FRC staff provides connections, support and guidance to thousands each year. The center is able to meet immediate needs through culturally and linguistically tailored case management, educational workshops, and trusted information and referrals. Programs include English as a Second Language, Literacy, Citizenship Education, Computer Literacy, and Job Readiness. Further, the staff trains volunteers and interns in best social service practices to increase capacity for the individual, organization and potentially local organizations in need of bilingual/bicultural staff.</p> <p>Through the FRC, La Paz focuses on encouraging clientele to transition from direct services to educational opportunities, self-support and community engagement. The FRC also features a mobile computer lab for individuals looking to complete job applications, online employment training and educational programs. In FY 2021, La Paz is expected to move to a new location at 809 S Willow St. This expansion will increase the FRC to include additional offices, counseling rooms, and a multi-purpose space for events, workshops and information sessions. Finally, the FRC will serve as a meeting hub for local Latinx grassroots groups to work on community projects and build connections. Full funding from the City of Chattanooga will ensure that countless families will have continued and increased access to the important services they need.</p>

LAUNCH	SSSF	<p>Entrepreneurship Training for Chattanooga Youth (LAUNCH) FY21 Funded: \$27,500 NEW OFFER</p> <p>The LAUNCHing Bright Ideas Entrepreneurship Program, in partnership with Hamilton County Department of Education and The City of Chattanooga Youth and Family Development, empowers underserved students through entrepreneurship education and a simulated startup experience. In each of the schools or YFD centers served by our program, students work in small groups to conceive of a business idea and create a simple business plan. Classes and workshops are offered during the school day or after school in partnership with local inner-city high schools and YFD centers, taught by LAUNCH facilitators. Throughout the semester, each student group completes a business plan, creates a prototype and prepares a professional pitch. The culmination of the program is 'Pitch It,' where students compete by pitching their small business ideas to a panel of local judges. The winning team is awarded a prize package of technology to help further their education, as well as a small cash prize. Through this program, students gain business knowledge as well as skills in leadership, teamwork, public speaking, critical thinking, and problem solving, creating a talent pipeline for future leaders that will impact the city.</p> <p>Over the past 8 years, LAUNCH has served 9 local schools as well as local YFD centers; in FY2021 we will focus on deepening our work through a partnership with Hamilton County's Future Ready Institutes. The leadership at Brainerd High School's Institute of Entrepreneurship reached out to LAUNCH requesting support, leading us to create a program that integrates LAUNCH's hands-on learning program into their required course of study.</p>
Lookout Mountain Conservancy	SSSF	<p>Lookout Mountain Conservancy, Howard Intern Program FY20 Funded: \$12,000 FY20 Funded: \$16,250</p> <p>Lookout Mountain Conservancy (LMC) is unique in the world of land trusts for utilizing its property to engage alienated urban youth so that they may acquire skills, gain work experience, engage the community, achieve academic excellence, attend and graduate college, and improve their lives. Our goal is simple, yet ambitious: to significantly increase the proportion of our urban youth's high school graduation rates, increase college and technical school admissions, ensure that they have career mobility opportunities, and provide all the necessary intangible skills to become productive citizens within our community. Thus far, in the past seven years, 100% of the Howard School students that were in the program have graduated high school and have gone on to either a four-year university, the military, technical school, or found a job. These students are changing what it means to be a student at The Howard School, and they are often recognized as leaders by their peers and staff at the school.</p> <p>LMC's Howard Intern Program is solving the problems of low high school retention and graduation rates at The Howard School, low college placement and persistence, and the lack of jobs for inner city teens, all while keeping the youth occupied and educated, making them poor targets for gang membership. \$40,000 total BFO requested: \$34,500- 3 interns (\$11,500/intern per year- includes wages, insurance, food, clothing, transportation, educational supplies, college-prep classes, tutoring) \$5,500- Additional part-time staff to help with increase capacity in the summer.</p>

Orange Grove Center	GE	<p>Make Chattanooga the Most Inclusive City in America (Orange Grove Center) FY21 Funded: \$106,000 FY20 Funded: \$106,000</p> <p>In Year 3 of this project, we will continue to build on the successes of each of the past two years in making Chattanooga the Most Inclusive City in America through volunteer and employment opportunities in all 17 of the City government departments. The third year will be to maintain the gains we expect to have made through June, 2020, work to finish creating volunteer positions in all 17 City government departments, and expand our focus to create and add volunteer experiences for an additional 25 people in our community. At the end of June 2021, we will all boast that 50 people with disabilities were able to learn new skills and provide valuable volunteer and/or paid labor in all 17 of the City departments, and that together we leveraged that momentum to add 25 new volunteer positions at sites and in organizations in our community.</p> <p>Funding the project has and will continue to demonstrate the City's commitment to break[ing] down the barriers that prevent people from living the life they want in our community. The project further evidences the City's serious efforts to make true their vision of being a city that empowers Chattanoogaans to build an equitable, authentic, and inclusive community through prosperity and a high quality of life. By funding this project for one more year, we will together build more momentum to propel greater numbers of people with disabilities into more inclusive and diverse volunteer and job settings across our great community.</p>
Partnership for Families, Children and Adults, Inc.	SS	<p>Rape Crisis Center (Partnership for Families, Children and Adults, Inc.) FY21 Funded: \$63,7000 FY20 Funded: \$65,000</p> <p>Partnership's Rape Crisis Center provides forensic exams and counseling to sexual assault survivors. Working closely with law enforcement, the forensic exams and their secured storage are essential in the identification and prosecution of rapists.</p>
Public Educ. Foundation	SSSF	<p>STEP-UP Chattanooga (Public Education Foundation) FY21 Funded: \$75,000 (Economic Development Fund) FY20 Funded: \$75,000 (Economic Development Fund)</p> <p>Chattanooga's youth face various obstacles to gaining the skills necessary to pursue a meaningful, living-wage career. This is truer for underrepresented minority students from low-income backgrounds. STEP-UP Chattanooga addresses the need to provide appropriate college/career pathways for our students, while filling the ever-growing need of regional employers for a well-trained and diverse talent pool. A robust youth employment program, STEP-UP places low-income high school students in paid summer internships with Chattanooga employers, providing comprehensive work-readiness training, on-the-job experience, and professional connections. The skills, experiences, and support students acquire help them make well-informed decisions about post-secondary education so they ultimately secure living-wage jobs that combat generational poverty. STEP-UP also provides businesses with the workforce they require. Companies hire and train our summer interns, who then go on to college or technical school with a vision and hope of returning to become full-time employees who are trained, educated, and ready to work.</p> <p>Since 2016, over 1,100 students have been trained through STEP-UP and 512 internships have been created, responding to the growing needs of both our student population and Chattanooga-area businesses. In 2019, 297 students received training in interviewing, professional etiquette, financial literacy, and resume writing. Of those, 144 (48.5%) were placed in internships across the city, earning them over \$233,000 in combined wages. The money earned by interns helps them support their families and educational expenses. The City's investment in FY21 will help expand recruitment efforts in small and minority-owned businesses and provide ongoing training and support for students.</p>

Regional Planning Agency	GE	<p>Growing Forward (Regional Planning Agency) FY21 Funded: \$2,003,663 FY20 Funded: \$2,003,663</p> <p>The Chattanooga-Hamilton County Regional Planning Agency's Growing Forward budget request covers the staffing and work program costs for the Regional Planning Agency (RPA) to fulfill its mandated responsibilities and to provide the core services which include community/land use planning, transportation planning and zoning/subdivision review. The RPA serves as staff to both the Chattanooga-Hamilton County Regional Planning Commission and the Chattanooga-Hamilton County/North Georgia Transportation Planning Organization (TPO) Board. For the Planning Commission, RPA is charged with administering rezoning requests and subdivision applications, updating the zoning and subdivision regulations, and maintaining the official zoning map. For the TPO, RPA manages the federally-mandated ongoing transportation planning activities (Regional Transportation Plan, Transportation Improvement Program, Transportation Grant program coordination, modeling/data analysis). At least 70% of staff resources are consumed by fulfilling these mandatory ongoing responsibilities.</p> <p>During FY 2020-21, RPA will focus on the following programmatic initiatives: 1) completing at least two area plans in the City of Chattanooga; 2) updating the Chattanooga zoning ordinance following the consultant assessment (expected to include new zoning options for urban housing infill); 3) preparing for and participating in the federal planning Certification Review for the TPO; and 4) beginning development of the 2050 Regional Transportation Plan.</p> <p>For the upcoming fiscal year, RPA is requesting \$2,003,663 (which is the same amount received from the City last year for this offer). RPA will be using a portion of its fund balance to fully fund the agency's budget. This offer does not increase RPA's number of funded positions.</p>
Signal Centers, Inc.	GE	<p>Signal Centers Adult Services FY21 Funded: \$35,000 FY20 Funded: \$35,000</p> <p>Research shows that adults who are aging and/or have disabilities often struggle to connect with others in their community due to various barriers including: access to transportation, costs associated with social events, limited mobility, and mental health challenges. With our assistance, those with disabilities and/or aging citizens will have access to safe, meaningful social interaction on our campus on an ongoing basis. We provide adult day services to adults who are aging and/or have disabilities. This allows family caregivers to work and have respite. Participants are served in a cost-effective, nurturing environment appropriate for their needs.</p> <p>Additionally, we are proposing new programming designed to promote and foster healthy independent living, enhance quality of life, and build a sense of belonging and community among older adults who are downtown Chattanooga Housing Authority residents.</p> <p>City funding would include scholarships to seniors living in CHA housing. We recognize transportation is one of the chief barriers for many of these residents and have acquired an informal agreement with CARTA to provide transportation at cost to those who wish to attend. The Signal Centers Assistive Technology Services program will address technology needs. Attendees will engage with peers while: learning how to use technology, taking part in age-appropriate physical activities, having lunch, viewing films, creating art, and playing games. This new programming will initially be held once per month with increased frequency as the need presents.</p>
Signal Centers, Inc.	HPG	<p>Chattanooga Interagency Council on Homelessness (Signal Centers) FY21 Funded: \$250,000 NEW OFFER</p> <p>This offer funds key projects and operations for the Chattanooga Interagency Council on Homelessness (CICH). Key initiatives in FY21 include a new program to expand the number of Chronically Homeless individuals and families that are housed, planning for an emergency shelter, a performance dashboard, and operations of an external backbone organization that will run and manage CICH moving forward.</p>

Signal Centers, Inc.	SSSF	<p>Baby University (Signal Centers, Inc.) FY21 Funded: \$700,000 FY20 Funded: \$750,000</p> <p>Without a successful start to school and life, children fall behind before Kindergarten and likely remain behind, making them at greater risk for drop-out, teen pregnancy, lower incomes, unstable housing, and an unstable workforce. It is imperative that essential developmental milestones be reached, leading to lifelong success. Baby University partners with parents to ensure babies and young children's earliest needs are met. Measurements include: babies born at healthy birth weights; children meeting developmental milestones; no babies dying before their first birthdays; parents who are students in middle and high school staying in school, graduating on time, and delaying additional pregnancies until post-graduation; meeting needs for items including car seats and furniture; improving employment; and improving housing.</p> <p>Baby University targets individuals in the following zip codes: 37404, 37407, 37410, and 37411. The schools we work with within our target area are The Howard School, Brainerd High School, Orchard Knob Middle, East Lake Academy, East Lake Elementary, East Side Elementary, Chattanooga Girls Leadership Academy, and Clifton Hills Elementary. We will continue to meet our goals, providing services in English and Spanish, through intensive case management for mothers, fathers, teen parents, and children. We have been successful in beginning a fatherhood initiative, and we are asking for additional funding to expand that initiative. The rest of additional funding will go toward collaborating with and expanding Tech Goes Home, especially for Latino families. Baby U will continue to work closely with the Chattanooga Office of Early Learning as well as the numerous community partnerships developed since the program's inception. We will continue collaborating with several local entities to provide needed resources and cross-referrals for Baby U program participants.</p>
Signal Centers, Inc.	SSSF	<p>Camp Signal (Signal Centers, Inc.) FY21 Funded: \$40,000 FY20 Funded: \$40,000</p> <p>Signal Centers desires to serve the community by offering a summer day camp for children with disabilities. With support from the City, this will be year seven of this successful camp. It is our goal to continue to meet the needs of Chattanooga's families by ensuring that the developmental levels of children and youth are maintained or increased. Activities are developmentally-appropriate and aim to lessen summer learning loss and increase independence and skills, all in a fun, camp environment. City of Chattanooga funds would be used for camp scholarships for Chattanooga city residents. First priority for partial and full scholarships will be given to families with financial need. Families who have adults in the home going to school, working, or actively looking for work will also be eligible for scholarships.</p> <p>There are three camps, based on needs we have seen in our community: 1. Chatter Camp: For elementary-age students who use augmentative communication device; 2. Vision Academy: For teenage students who are blind or have low vision; 3. Camp Signal: For children age 12 or younger at enrollment.</p> <p>We will accommodate around 65 children and youth, divided into age-appropriate groups. A few students may want to attend both Chatter Camp and Camp Signal. A sliding fee scale will be used. We will continue to partner with City entities to deliver on-site activities to campers. Campers and their families will have opportunities to form meaningful relationships with each other and access resources they may not have known.</p>

Tennessee Golf Foundation	SSSF	<p>The First Tee of Tennessee at Chattanooga (Tennessee Golf Foundation) FY21 Funded: \$24,000 FY20 Funded: \$25,000</p> <p>This program is a continuation of The First Tee Life Skills Experience (a golf and youth development program conducted through the First Tee of Tennessee at Chattanooga. In 2019, the leadership of the YFDC recreation division recommended that the summer program be reduced and the spring and fall be increased due to the summer heat and the number of conflicting opportunities in the summer. The First Tee curriculum will continue to be held in the spring, summer and fall at the centers and at golf facilities. The exact schedule will be determined in coordination with the City YFDC Recreation Division. An introductory class will be held at each center the early spring to encourage participation in the core program conducted in the spring. Following the spring session, the summer program will meet for two weeks at a golf facility. The programs will conclude in the fall at centers with a concluding class at a golf facility. All programs of The First Tee incorporate aspects of the curriculum which include: The First Tee Nine Core Values, Golf Skills, Golf Rules and Etiquette, Life Skills and The First Tee Nine Healthy Habits.</p>
The Speech and Hearing Center	SSSF	<p>Enhancing Communication, Enriching Lives (The Speech and Hearing Center) FY21 Funded: \$67,700 FY20 Funded: \$67,700</p> <p>Those with speech language, physical health and hearing challenges will be healthy and prepared for learning and will perform better in school. Adults will be able to stay in the work place, be active in the community and have improved life quality.</p>
Thrive	GE	<p>Reaching Beyond Today (THRIVE) FY21 Funded: \$80,000 (Economic Development Fund) FY20 Funded: \$100,000 (Economic Development Fund) Thrive Regional Partnership, Inc. (Thrive), an independent 501(c)(3) nonprofit corporation, was formed to champion the 40-year regional vision and action plan set forth during the Thrive 2055 planning process for the Chattanooga region. Thrive's mission is to ignite and sustain responsible and inspired growth in the tri-state, 16-county Chattanooga region for the next four decades. Through communication, collaboration, analytics and innovation, Thrive seeks to optimize community enhancement and economic growth opportunities while protecting the natural treasures and landscapes that define this special place. Thrive builds upon the momentum generated by Thrive 2055 to preserve and enhance the region's quality of life and build on the region's economic growth to further the 40-year regional vision of, 'educated people with good jobs living in a great place.'</p> <p>With a growing urban, rural, and suburban Chattanooga region, transformative solutions require diverse perspectives to ensure no community is left behind. Thrive serves as a mechanism to convene leaders that reflect the diverse interests of the region, organized around issues and challenges facing asset-based economic development, regional transportation, education and a skilled workforce, and the protection of our treasured natural environment. In order to take action on common goals, Thrive empowers leaders to make responsible, inspired growth decisions that protect natural and cultural assets, maintain and accentuate the Chattanooga resident's quality of life, and ignite vibrancy and economic prosperity in Chattanooga and throughout the region. Thrive's bold, collaborative approach allows Chattanooga to work together with its neighbors who share a beloved sense of place, to help build and connect a stronger, growing economy for all who live, work, and play throughout the greater Chattanooga region.</p>

United Way of Greater Chattanooga	SSSF	<p>2-1-1 Coordinating Calls and Resource Services (United Way of Greater Chattanooga) FY21 Funded: \$35,000 FY21 Funded: \$35,000</p> <p>This offer from United Way of Greater Chattanooga (UWGC) is threefold: it targets a strong partnership between UWGC 211 Information and Referral Center and the City's Office of Family Empowerment (OFE): it addresses needs identified by the Chattanooga Interagency Homelessness Council on Homelessness (CICH) 2018 Homelessness Action Plan (NEW); and provides support for increased data collection/analysis. At the specific request of the City's OFE, this Offer requests funding for the continued placement of a Community Resource Specialist (CRS) in the OFE waiting area to provide citizens with information and need-based referral services. The CRS will provide in-person services and track referrals and services offered to reduce any duplication of resources from other agencies. Furthermore, in order for UWGC 211 to provide up-to-date resource information for the community, we are requesting additional operational funding that will ensure the UWGC 211 resource directory is updated consistently and new resources are identified and entered to help address community needs. Through the data gathered by UWGC 211, UWGC has provided significant data support to the OFE, as requested, to help identify issues that impact City resident services and needs.</p> <p>All contacts made by the UWGC 211 Information and Referral Center are entered into the Homeless Management Information System (HMIS) Service Point database, where the data is collected and analyzed for ongoing quality improvement. Funding through this BFO will provide a significant assessment of community needs and help direct resource allocation. This Offer will advance the City's objectives for vibrant neighborhoods, strong families, data-informed strategies to increase access to community services and support multi-generational populations.</p>
United Way of Greater Chattanooga	SSSF	<p>Chattanooga Early Learning Scholarships (United Way of Greater Chattanooga) FY21 Funded: \$100,000 NEW OFFER</p> <p>This offer will continue the Chattanooga Early Learning Scholarship program launched in March 2017 as a pilot program that provides supplemental childcare support for those employed or in-college families and adults who are not eligible for other state or community subsidies for childcare. By increasing access to quality childcare for lower to moderate-income households, this offer proposes continuation of this early education benefit to City families with UWGC oversight of the application and reimbursement process for the qualifying families. Impact of the program includes building stronger and self-sustainable families, as well as preparing children for success in school and life. The program is operated through United Way of Greater Chattanooga (UWGC) in collaboration with the Chattanooga Department of Youth and Family Development through the Office of Early Learning. It also has the support of the early childhood coalition of Chattanooga 2.0, (Early Matters Coalition), which includes over 40 local organizations and early education partners.</p> <p>Targeted activities of this grant include implementation of community outreach activities, parent engagement strategies, participant application and contractual procedures, scholarship reimbursement, program reporting, and administrative support. These activities align with the overall Chattanooga 2.0 community goals, and early education strategies, the Mayor's Council on Women initiative, and the Office of Early Learning, which specifically addresses Mayor Berke's priority area for improving early education and increasing family stability.</p>

United Way of Greater Chattanooga	SSSF	<p>Chattanooga Mentoring Collective (United Way of Greater Chattanooga) FY21 Funded: \$25,000 FY20 Funded: \$25,000</p> <p>This Offer is for support in the evolution of the Chattanooga Mentoring Collective (CMC), launched in 2016. United Way of Greater Chattanooga (UWGC) has used BFO funds to support school and nonprofit partners in their mentoring efforts by providing technology help, assisting in the recruitment and training of mentors to enhance youth development and success in school. While mentors are critical for youth success, partners identified an underlying need for building and expanding the current system of programmatic continuous quality improvement.</p> <p>Simultaneously, Hamilton County Schools started a pilot of Student Success Planning (SSP) to help coordinate community services that could positively impact student achievement during the 80% of time that youth are out-of-school. The Chattanooga Mentoring Collective will evolve and grow into an out of school time alliance that is being co-facilitated by Chattanooga 2.0 and UWGC to align the SSP tool with out of school time resource and program providers. These programs include the work of Youth and Family Development Centers (YFDs), local nonprofit and community programs, and religious entities.</p> <p>However, a systemic resource for continuous quality program improvement for many of these partners is necessary to deliver quality programming for youth and to measure progress that will yield 'smarter students and stronger families.' This Offer is for the nationally recognized, evidence-based resource called the Youth Program Quality Intervention (YPQI) developed by the Weikart Center at the Forum for Youth Investment. Program activities will involve the evaluation process and nationally approved and certified training, for local youth service providers, and the development of improvement strategies for creating and sustaining healthy environments for children and youth. This program includes year-round family engagement opportunities for an identified 8 program sites in the City of Chattanooga.</p>
United Way of Greater Chattanooga	SN	<p>Senior Water Quality Fee Assistance Program (United Way of Greater Chattanooga) FY21 Funded: \$340,000 FY20 Funded: \$340,000</p> <p>Aligned with Chattanooga's goals and support areas, this project will provide further support to Chattanooga's elderly individuals age 65 and older, disabled individuals, and disabled veterans or widow (ers) of disabled veterans that own property and meet the maximum income requirements. United Way of Greater Chattanooga (UWGC) will provide assistance with payment of annual water quality fees. As the cost of living for this population continues to escalate and income does not keep pace, an increase in water quality fees places further pressure on fixed-income individuals, threatening their ability to cover basic necessities.</p> <p>This assistance will support elderly individuals in our community, including veterans, disabled individuals, and disabled veterans or widow(ers) of disabled veterans who demonstrate economic hardship and who have been qualified by the City of Chattanooga's Property Tax Freeze and the State of Tennessee Tax Relief Program. City of Chattanooga Water Quality Fees will be paid by UWGC directly to the City on behalf of these homeowners after they have been approved to receive the City of Chattanooga Property Tax Freeze and/or the State of Tennessee Tax Relief Program.</p> <p>Based on last fiscal year's data, approximately 2,111 Chattanoogaans qualify for this Water Quality Fee Assistance of \$126.49, however, only 1,851 applied for the assistance and were approved by the City for the City's Tax Freeze and/or the State's Tax Relief program. The cost for the program, which includes a 10% service fee to UWGC, is estimated at \$340,000 annually. Undistributed funds at the conclusion of each property tax billing and payment cycle will be carried forward to help additional homeowners in subsequent fiscal years.</p> <p>UWGC will provide an annual reporting to the City of Chattanooga's Finance Department and the Chattanooga City Council regarding the specific use of these funds.</p>

The Urban League and LAUNCH work with several strategic partners who support business development in the city through referrals, events, and training activities, including the TSBDC, the Chamber's INCubator, Co.Lab, Edney Innovation Center, the Mayor's Minority Business Council, Tennessee Minority Supplier Development Council, Tennessee Valley Federal Credit Union and Kiva Chattanooga, among others.</p> <p>The Alliance offers a significant return on investment for Chattanooga, directly impacting over 390 individuals during fiscal year 2021, which includes at least 70 new jobs; 70 new or expanded businesses; and more than 250 individuals participating in business training classes, business plan development, business counseling, business incubation, and loan structuring and packaging support. In FY 2021, the Urban League will continue to expand its loan packaging and funding guidance support for local businesses through Kiva and other lending programs. The Urban League will also offer the Co.Starters program and one-on-one business counseling to expand the impact of its entrepreneurial work. Citizens will have access to affordable entrepreneurial training programs and continued support from the Alliance partners.</p>
Urban League of Greater Chattanooga	SN	<p>Big Nine Community and Cultural Development Initiative (Urban League of Greater Chattanooga) FY21 Funded: \$32,000 FY20 Funded: \$25,000</p> <p>The Goal of the Big Nine Community Development Corporation (CDC) is to preserve, promote, and revitalize the MLK Historic District by growing African American businesses. In collaboration with the City of Chattanooga and other key stakeholders and partners, the Big Nine CDC focuses on: Organization: Building a pathway to engagement and leadership by launching community-based efforts to empower businesses and investors to collaborate for sustainable, inclusive revitalization; Promotion: Focusing on authentic community assets, with high quality development campaigns and events designed to attract new shoppers, visitors, and residents; Economic Restructuring: Helping to redefine the district's niche and sharpen the competitiveness of existing businesses, with a focus on the preservation and promotion of African American establishments.</p> <p>Support for incubating and growing MLK businesses includes business incubation; marketing assistance for businesses within the District; lending support through Kiva funding and other lenders; City of Chattanooga incentives and small business funding; support organizations and investors doing development and planning work in the neighborhood; collaborating with the new MLK Business Merchants Group; and connecting MLK businesses to entrepreneurial resources across Chattanooga. The work of the Big Nine CDC will be closely coordinated with the activities of the ULGC Entrepreneurship Center to maximize the impact on the entrepreneurial ecosystem in Chattanooga.</p>
WTCl	HPG	<p>City Council Broadcasts, Online, Promotion (WTCl) FY21 Funded: \$80,000 FY20 Funded: \$75,000</p> <p>High-Performing Government is built on transparency. While Chattanooga City Council meetings are open to the public, Chattanooga's citizens are not always able to attend due to scheduling conflicts, physical disability, or transportation issues. WTCl will continue to record weekly City Council meetings and broadcast closed-captioned highlights from those meetings over-the-air, and to make those programs available online with captions as well. Our broadcasts reach approximately 99% of all households in Chattanooga, providing equal access to all citizens. WTCl has also provided a record of the proceedings that the City has relied on to meet the needs of Chattanooga citizens. FY21 funds would enable HD video recording, post-production, captioning, setup and breakdown, online access & promotion.</p>

Overview of the New Service Delivery – Initiatives in the FY21 Budget

Staffing Changes:

- No staff changes

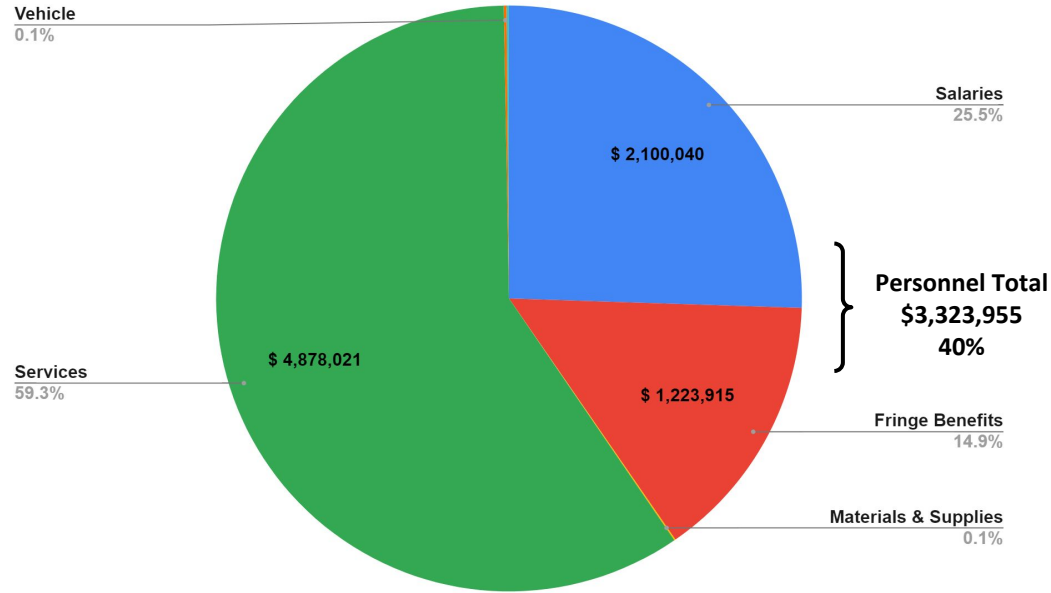

Structural Changes:

- **Centralized License Management:** DIT continues to advocate and implement centralized license management strategies, streamlining software renewals, preventing lapses in specialized technical support from vendors, and ensuring reliable access to information solutions, citywide.
- **Hosted Solutions:** Hosted software solutions and cloud-based services dominate the IT environment, minimizing on-site hardware requirements and offering additional data security. DIT continues to be at the forefront of this transition, providing customers with flexible and reliable cloud-based software solutions, preserving both the integrity and security of user data.
- **My Chattanooga:** My Chattanooga is a data-centric single identity experience for citizens in Chattanooga, creating a unique and exciting way citizens interact with their city, on any device, at any time. My Chattanooga will not only make conducting business with the City of Chattanooga easy, friendly, and fast, but improve the way individuals connect with their community, as a whole.

Overview of the New Service Delivery – Initiatives in the FY21 Budget

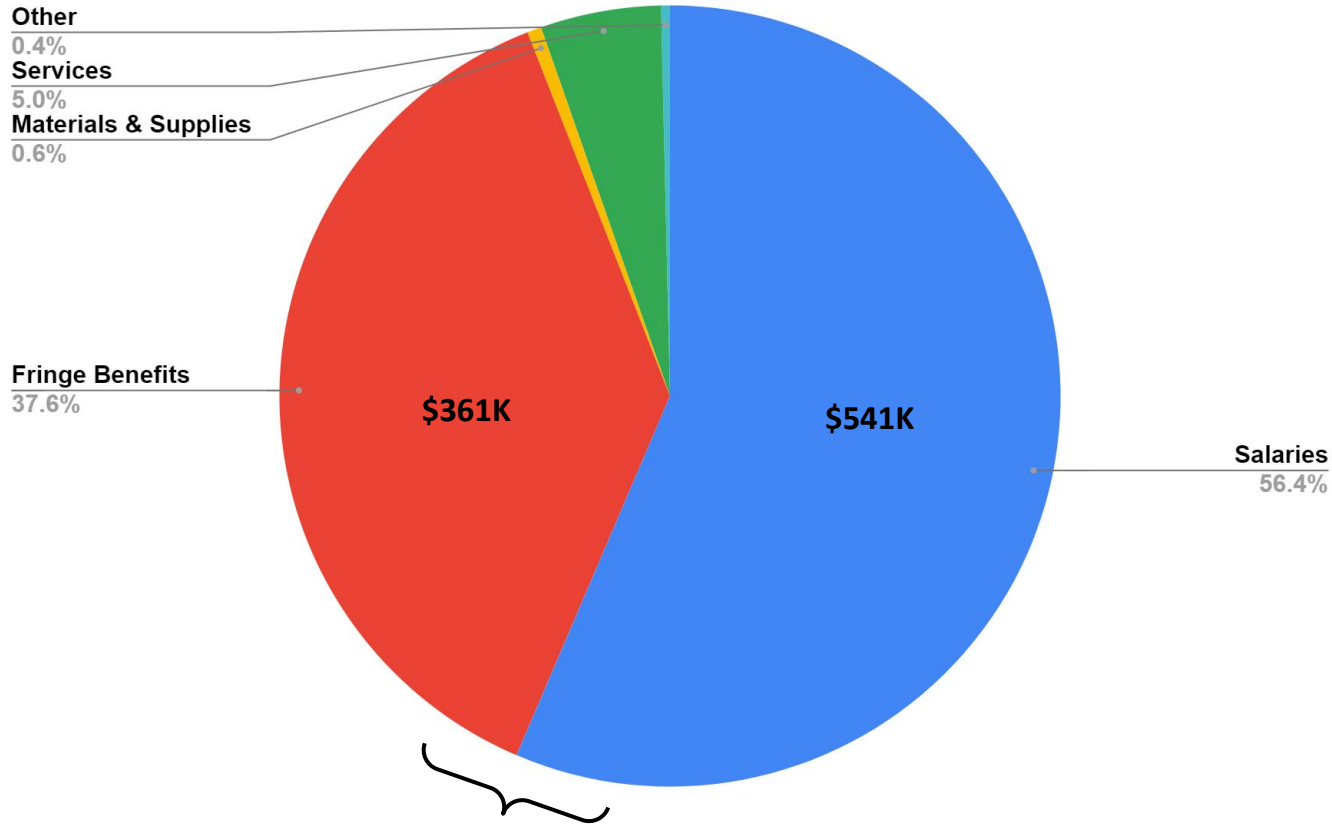

For fiscal year FY21 we are highlighting two initiatives:

1. For some purchases Amazon is a good procurement solution. We are paying for a Prime account which will result in a net citywide savings of \$3,000.
2. We working closely with the Office of Multicultural Affairs in an interactive supplier fair to engage with DBEs. The fair is now a community event held twice a year in various locations for easy accessibility.

Significant Changes From Previous Year

- Overall increase of \$10,089 (1.06%).
- Reduction of \$7,100 (-88.75%) in IT Maintenance.
- Reduced Advertising by \$4,600 (-9.79%).
- Decrease in Employment Agencies of \$3,000 (-100%).

Tennessee Valley Regional Communication System (TVRCS)*

Phil Hyman - Fire Chief

Seth Miller - Deputy Fire Chief

Tennessee Valley Regional Communications System (TVRCS)

- **Mission Goal:** To operate a P25 radio communications network providing seamless daily communications for our public safety professionals and other governmental agencies in our region.
- **Purpose:** Tennessee Valley Regional Communication System (TVRCS) is an enterprise fund that provides wireless communications on a regional level to Federal, State, and Local Public Safety (primary) and Governmental (secondary) agencies. Our region consists of an area compassing 4 counties in North West Georgia from Whitfield County to the state line and 10 counties in Southeast Tennessee along the I-75 corridor from Hamilton County to Knox County providing daily communications needs for multiple agencies within each of these partner counties. Through our partnership with the State of Tennessee, we interconnect with their Tennessee Advanced Communications Network (TACN) to form a communications network that covers the entire State of Tennessee.
- **Objective:** Over the last twelve years, we have been growing the system and our partnership base. As an enterprise fund we are self-sustaining. Our revenues are derived from fees assessed to all users of the system based on the number of subscriber units that are connected. We collect a yearly per radio subscriber fee as well as system buy-in fees from new partners that join. These dollars fund our operations and we set aside dollars for replacement of key pieces of infrastructure.

Overview of the New Service Delivery – Initiatives in the FY21 Budget

TVRCS

Staffing Changes:

- No staff changes

Structural Changes:

- Planned upgrade of outdated microwave radio network and implementation and integration of multiprotocol label switching (MPLS) into the existing radio network, with the project to begin early Q4 of FY20.

Overview of the New Service Delivery – Initiatives in the FY21 Budget

Staffing Changes:

- Recreation will increase staff by 2 positions with HR guidance. These positions were PT and will be moved to FT, due to hours worked.

Structural Changes:

- There are no significant structural changes for this year.

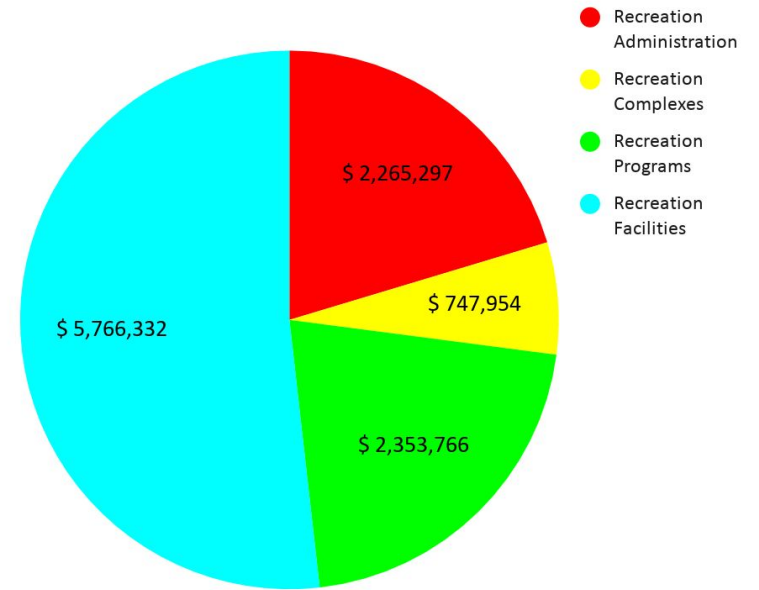

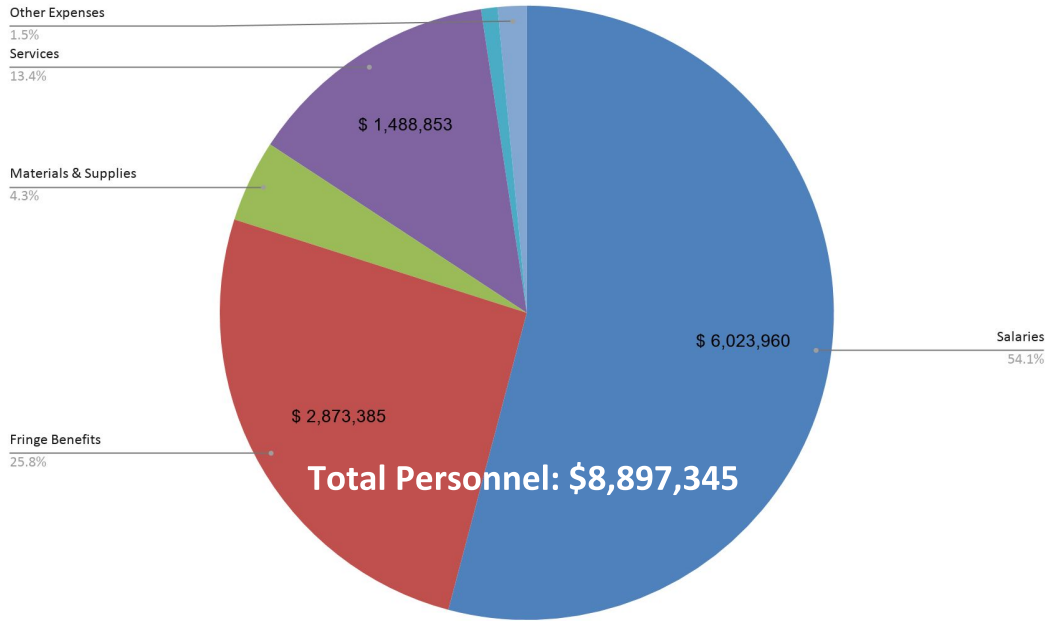

Significant Changes From Previous Year

In FY 2021 YFD will work to meet the needs of the Chattanooga community through focused efforts across child, youth, family, and senior programming. Priority will be given to supporting communities and populations that have been disproportionately impacted by the COVID-19 crisis.

Prioritized efforts will include:

- increase focus on academic supports for youth
- increase workforce development programs
- additional training for all staff on trauma informed and resiliency focused programming/response
- maintain senior programming
- stabilize the child care business community
- mobilize community supports for access in YFD centers
- maintain stable and secure teen supports
- increase social media and digital resources for all populations

FY 2021 Budget Transportation

Blythe Bailey - Administrator
Mark Heinzer - Chief Engineer/CD Division Director
Kevin Comstock – Smart Cities Director
Ben Taylor – Operations Director

Our mission is to break down the barriers that prevent people from living the lives they want in our community.

Transportation

Mission Statement:

To make efficient transportation viable for everyone - cyclists, pedestrians, transit users and motorists while enhancing multi-use public spaces for all people.

Goals & Objectives

Safer Streets:

- Analyze CDOT's network for traffic safety and efficiency: Design signal timing, pavement marking, signage, with adherence to Chattanooga Codes and Regulations, Federal Highway Administration (FHWA) Regulations and Guidance, American Association of State Highway and Transportation Officials (AASHTO) requirements and guidance, the Manual for Uniform Traffic Control Devices (MUTCD) and the National Association of City Transportation Officials (NACTO) Urban Street Design Guide.

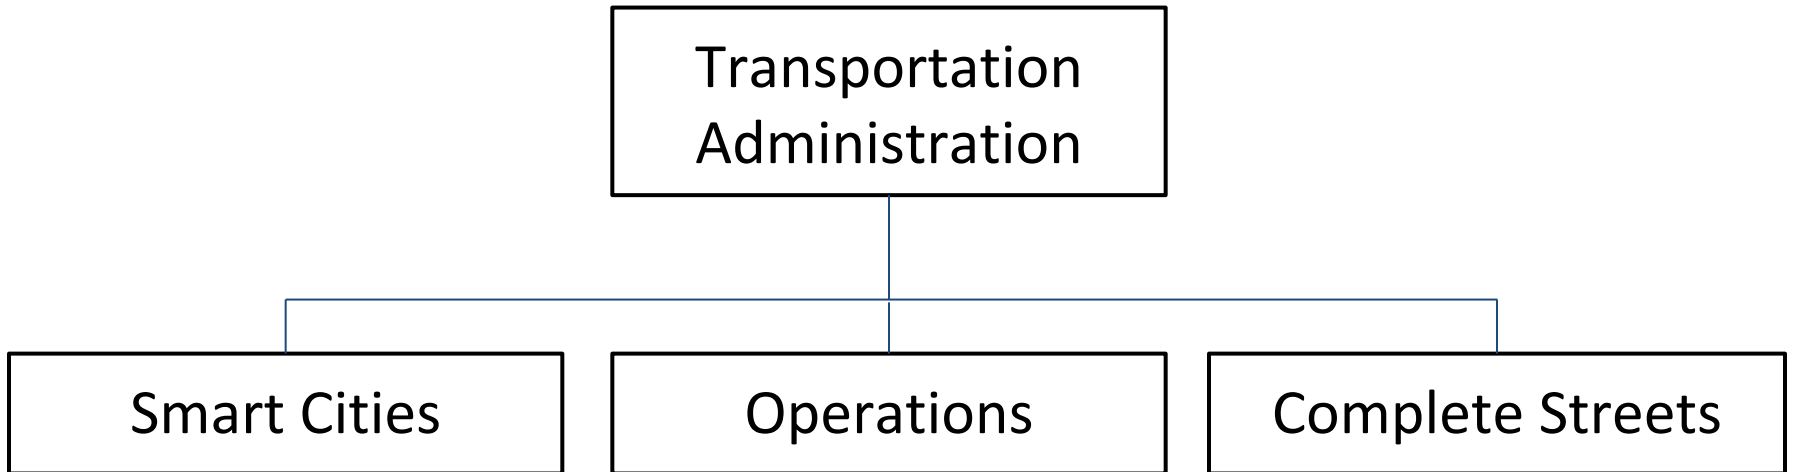

Public Engagement

- Build trust in the community through prompt responses to requests, clear public communication, and through a recognition, department-wide, that all employees of the City are representatives of city government.
- Review of private development projects to protect the public right-of-way (ROW) and efficiency of the network such as the inclusion of multi-modal accommodation, congruence with long-range planning and vision, and day-to-day traffic engineering impacts.

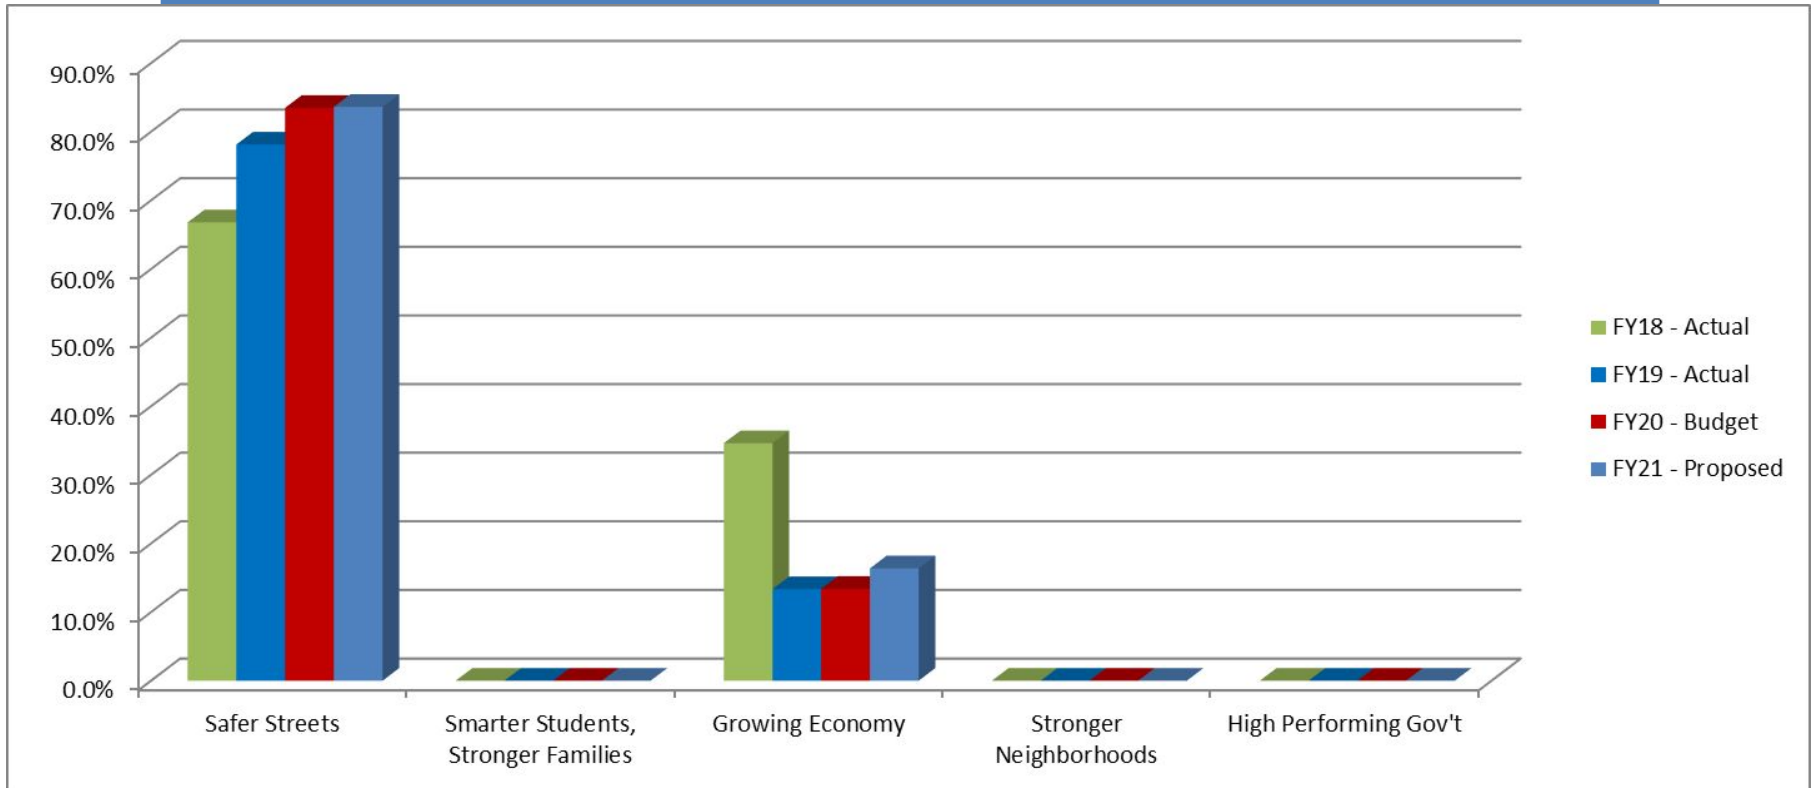

Growing Economy:

- Lead the capital planning process for CDOT projects with a focus toward maximum return on investment, long-term durability, low maintenance costs and efficient use of taxpayer dollars: Guide long range planning efforts, manage Local Area Project Agreements with TDOT, lead collaboration with other departments to prioritize projects
- Implement excellent project development from capital planning and programming to construction: collaborate with other departments, stakeholders, citizens and adhere to schedules and budgets.

CITY OF CHATTANOOGA

CAPITAL BUDGET
2021 - 2025

Our mission is to break down the barriers that prevent people from living the lives they want in our community.

Introduction

The FY21-25 Capital Improvement Plan (CIP) shows the City of Chattanooga's five-year plan for physical improvements throughout Chattanooga, as well as internal projects that improve the provision of services to residents. The first year of the CIP is the fiscally-constrained capital budget, whereas the successive years are a roadmap for future action. Funding for capital projects—defined as projects costing more than \$50,000 and with a useful life of greater than one year—is requested annually by departments alongside the BFO process. Capital requests are reviewed and collaboratively prioritized by the 16 members of the CIP Committee, an interdisciplinary team of department administrators and designees. The CIP process encourages strategic thinking about the City's current and future capital needs and priorities, and requires collaboration and focus in order to reach a fiscally sustainable program of projects. The below strategies represent highlights of the for FY21.

FY21 Highlights – Capital Budget

- Key investments in crime prevention as support continues for the real time intelligence center
- Replacement of Fire Station 15
- Street improvements and repairs of over \$8 million
- Funding for CARTA improvements including vehicle and technology replacements
- Public Safety resilient corridor projects with EPB to maintain resilient and sustainable electric power during all conditions including manmade and natural disruptions
- Additional funding for YFD sites and facilities
- Protect neighborhood affordability through continued funding of Chattanooga's affordable housing fund
- Additional funding to complete key segments of our greenway system, including Manufacturers Road, Alton Park Connector, and the Midtown Pathway
- State of the art financial planning tools to ensure our dollars and investments are protected
- Investments in early learning, including new curriculum, repairs and security improvements at Head Start facilities, and planning for new Head Start facilities
- Continued investment in our library as a strong learning partner for our community
- Continued funding of the Neighborhood Reinvestment Fund to make targeted investments in neighborhood infrastructure and commercial areas
- Preparing for installation of a new street and the potential expansion of new jobs for the former Tubman site
- Support of new Health & Wellness district through support of the 3rd and 4th S infrastructure project
- Funding to replace a record number of police patrol vehicles
- Significant funding for maintenance and upkeep of City facilities, parks, and YFD centers
- Funding for infrastructure repairs resulting from damage from the April 2020 tornado event

Governmental Projects

The below projects are funded through a combination of governmental funds such as City tax revenues, general obligation bonds, and internal service funds. Project descriptions are included for the FY21 projects.

Golf Course Maintenance Equipment Replacement

Replace mowing equipment at Brainerd and Brown Acres golf courses. Current mowing fleet includes mowers and other equipment that is in most cases at least 15 years old. It has become very costly to rehab every winter. Over the past five fiscal years, Golf Operations has had over \$140,000 in repair parts expense for mowers. Staff estimates that at least 60% to 70% of this expense is directly related to the age of the fleet.

Golf Course Renovations and Maintenance

Chattanooga’s Municipal golf courses provide excellent recreational opportunities to Chattanooga residents at an affordable price. In recent years, unfortunately, operating costs have outgained revenues and capital projects have not been able to be funded. After a review by a golf course consulting team in FY20, several items of capital improvement and deferred maintenance have been identified. A five year CIP plan will be submitted to address these items. The items to be addressed will be surface and subsurface drainage, especially on the fairways, rebuilding sand bunkers, and addressing several trees that need to be removed or trimmed for safety. Cart paths, irrigation, leveling tee boxes, course signage updates, facility updated, practice facility renovation, and parking lot improvements will also be addressed in the CIP plan. The plan will average an estimated \$1.5 Million a year throughout the duration of the 5-year plan.

POWER to PROTECT: A Resilient Public Safety Microgrid Project, in Partnership with EPB

The City and EPB propose to develop an electric microgrid for maintaining power and communications abilities for the City and County's emergency response agencies. The project would incorporate photovoltaic (PV) solar, battery storage and control systems at the public safety complex on Amnicola Highway, including CPD, CFD, County EMS, 911 and TVRCS assets, in order to maintain continuous, resilient and sustainable electric power during regular operational conditions as well as periods of man-made and natural disruptions. In addition to providing primary operational benefits, this project would support additional secondary operational benefits such as improved (covered) parking conditions and electric charging for all-electric and/or hybrid vehicles which may be incorporated into the City's fleet. This effort is also aiming to strategically coordinate with other departments with regards to facility improvements, information technology and transportation related efforts, such as a needed new roof for the Police Services Center.

Fire Training Center Upgrade Planning and Design

Training firefighters and police officers requires an academic understanding of emergency response work. However, it is vital to move the academic theory into a hands-on model of training. This necessary model cannot occur without the facilities to provide those experiences. This offer signifies a change in direction from building a new training center to working with a consultant to renovate the existing training center property. The requested funds this year would be added to the \$75,000 already set aside toward a regional training facility. The plan includes working with a consultant to reorganize the existing site space toward the best arrangement and use of the drill ground. After the planning phase, one of the primary needs is to construct a new drill tower due to heavy use of the existing tower which has repairs made annually. Staying on the current site and working to upgrade the current facility could save the city and taxpayers millions of dollars, but significant investment must be made in the next few years. It is also still anticipated that Hamilton County Office of Emergency Management would partner with Chattanooga toward construction costs since all of the area fire departments use our regional training facility.

McKamey - Facility Repairs and Upgrades (A.O.)

The McKamey Animal Center is 12 years old and although initially a state-of-the art facility when it opened in 2008 the center has sheltered over 86,000 animals since its doors opened. The wear and tear on the facility has been extreme and despite ongoing maintenance to keep the facility in good repair the equipment and animal housing areas are in need of new equipment and renovation. This request is for the replacement and or repair of outdated equipment such as HVAC equipment and systems and the repair and or replacement of 105 of the 240 canine kennels and exercise runs. The center houses on average over 500 animals daily and in peak season as many as 800 animals are in the center. In addition we require exterior facility upgrades such as exterior painting, (the facility has not been painted since 2007) the entire exterior has peeling paint and damaged gutters. The exterior fencing surrounding the perimeter of the facility and its entry gates are in need of repair and or replacing. Additional gates and fencing is needed for the safety of the animals during after hours when the facility is closed to keep intruders out.

Station 15 Replacement

The Chattanooga Fire Department (CFD) is requesting funding to replace Station 15 that primarily serves the Eastdale and Brainerd communities. Station Capital Maintenance

The Chattanooga Fire Department stands prepared to respond around the clock, and fire station maintenance is vital to ensuring a healthy and operable place for firefighters to work and live. This offer requests to fund four major maintenance projects: continued replacement of aging apparatus bay exhaust systems, roof replacements and large maintenance projects (Station 10), HVAC replacement (Training), and a new program to install proximity card entry systems into fire stations. Exhaust systems are vital for the health of employees, as the system pulls harmful carbon monoxide, gases, and soot from the bay area. The old systems had to be attached to the apparatus and simply expelled the exhaust from the bay, which is not a solution good for the environment. The new system uses a technology that actually “scrubs” the harmful exhaust, collecting the soot particles in a filtration system. Station 10’s foundation has sunk causing bay doors to be inoperable and walls to begin tilting away from the main structure. These funds would also be used to replace/correct unforeseen roof and structural damage in CFD buildings. Finally, the CFD is requesting to begin a program to install proximity card systems in each station.

Head Start operates four child care sites; three in Chattanooga and one in Daisy (2302 Ocoee St; 4701 Devine Ave; 501 W 12th St; 9531 Ridge Trail Rd, Soddy Daisy). Two of the four buildings being assessed are in aging HCDE school buildings being leased by Head Start, 12th St is a City owned building, and Daisy is a County owned building. Many of these buildings are experiencing regular systems failures; for instance, the heating system at the Avondale Head Start site failed the week after winter break 2018, causing children to be out of school for almost two extra weeks, and cost approximately \$100,000 that had not been budgeted. This expenditure had an impact on other programmatic elements including classroom and curriculum supplies. In FY 2020 a comprehensive Head Start facilities review, conducted by Hefferlin + Kronenberg Architects, PLLC was completed. In this review approximately \$10 million in short, mid and longterm repairs and renovations. This offer will satisfy some of the most pressing needs identified in this review.

In our community only 42% of childcare centers and homes meet the state requirements for three stars. In order to support the increase in high quality childcare programs, small capital grants will be awarded to programs with identified improvement needs as measured by the TN Star Rating System. These grants will be awarded to licensed childcare providers, or providers in need of funding to move from an unlicensed program to high quality licensed program. Funds must be expended within 6 months of award. Participants will be required to accept technical assistance through this process, by way of CC R&R, TECTA, and committee referrals.

More than 1/2 of CARTA’s existing fleet is past its useful life. For FY 21, CARTA has included awarded grant funds that have been encumbered. CARTA recently received a large grant of \$11,010,000, which has a local match of 10% or \$1,101,000. Since this is such a large award, CARTA has asked for \$186,883 to fund this particular grant for FY21 and will fund the remainder in future years. This project is for the replacement of up to 14 fixed route transit coaches, approximately 9 of which will be all electric coaches. Currently, 65% of CARTA’s fixed route fleet is past its useful life of 12 years; most of the vehicles past their useful life are between 16-20 years old. It is CARTA’s overall goal to transition to an all electric fleet, and CARTA is working towards slowly adding more electric coaches to its fixed route fleet.

Field Lighting

The City owns and maintains 5 youth athletic association ballfield complexes that are operated by non-profit organizations that provide recreational opportunities for community youths. These complexes have been around for many years and show wear and tear. In recent years, the City has put several thousands of dollars into maintenance and repairs to the lighting systems for the fields. Several wooden poles have had to be replaced due to failure and rotting, with many more showing signs of future safety concerns. The fixtures are older, power-consuming, metal halide bulbs that require regular replacement and re-aiming. Lastly, the controls and wiring require constant attention and more often than not the City has to use a licensed electrical contractor to perform any work on these systems. Full system replacement is recommended to improve efficiency, overall lighting, reduce maintenance, and provide safe operation. Direct buried metal poles, updated controls, wiring, with higher efficiency LED fixtures that come with a 25-year warranty will be included in these new field lighting systems. The City will need to invest \$450,000 to \$900,000 at each site over the next 5 years to complete all replacements.

The park hosts a number of large outdoor events each year, including the annual Mud Run & Chickstock Festival where the conference center is used as the event headquarters and hospitality areas. The plan for the new design is simple and includes a large conference room with kitchenette, public restrooms, an offices and storage space, along with a maintenance area and new outdoor porch space.

MBWWTP Solids Process Optimization Implementation - Phase 4 (A-D) (Digester Upgrades)

This project includes improvements to the MBWWTP solids handling process to provide reliability and efficiency and to allow the plant to continue to produce land applied materials as a part of the City’s National Bio-solids Partnership Certified Program. The necessary improvements include rehabilitation of the existing anaerobic digesters, rehabilitation of the centrifuge buildings, additional sludge storage facilities, and other necessary improvements to the MBWWTP solids process. The existing digesters are nearing their “end of life” and rehabilitation is necessary to keep them in consistent operation. This rehabilitation will allow for continued operations and will increase performance in the solids handling process.

MBWWTP Water Use and Re-use Implementation

This project includes improvements to the MBWWTP potable and plant water systems to reduce overall water use. It involves implementing water conservation to reduce consumption, substituting lower-grade water for certain non-potable water process uses, and finding and eliminating leaks in the water system.
