On 09/15/2021 at 19:05 hours, I, Officer Madison #1118 observed an expired GA plate of RNJ6232 displayed on a white Toyota sedan at the 5600 block of Hixson Pk. I then approached the vehicle where I encountered the driver, Bethany Holley, who provided a valid driver's license, however she stated she did not have insurance for her vehicle. I then ran her on my computer and found she had a warrant for Possession of Amphetamines out of GA (which did not verify). I also learned through the Hamilton County Session's Court website that she had a previous charge of possession of a controlled substance, so I asked for her consent to search her vehicle, which she denied. I then returned to my vehicle and called for a K-9 unit.

As K-9 was en route, I ran her plate, which came back to a black Toyota, so I wrote down the VIN of her vehicle, which did not have a registered plate associated with it (and did not come back as stolen). K-9 then arrived on scene (CH495) and swept the vehicle, however the K-9 did not alert. I then issued Bethany Holley the appropriate traffic citations and left the scene. I did not observe her vehicle leave the scene. No further.
